Tragic Death Of Mr. John Begley, O'Connell Street, Dungarvan

The tragic discovery of the dead body of Mr. John Begley at the foot of the stairs in his home on Wednesday morning last caused a deep shock to his many friends as he was a most popular personality and a shoemaker by trade.

Mr. Begley was one of the two surviving members of the famous Erin's Hope team. His death removes a link in the chain of the Old Boro' and he was the cause of much regret. Representative corteges attended the removal of the remains to the Parish Church, on Wednesday evening, and again at the interment in the adjoining cemetery on Thursday.

Following the tragic discovery of the body of John Begley, aged 76 years, O'Connell Street, Dungarvan lying at the foot of a flight of stairs in his home on Wednesday morning, an inquest was held by the Coroner, Mr. Williams, Solr, in the house of Dungarvan that evening. Supt. P. O'Mahony represented the Garda Authorities. Miss Catherine Begley, Mitchell Street, Dungarvan, in evidence stated that she was a first cousin of the deceased John Begley who lived alone in O'Connell Street and who was by occupation a shoemaker. She said that she called to his home on Tuesday evening about 4 o'clock and he was then in his usual good health and made no complaint of any kind. He was a man of temperate habits. She left his house about 15 minutes after about 10.30 she again called but on this occasion found the door closed. She got Andrew Sandford who was nearby to open the door for her and when she went in she found that the door should be closed at that hour. They found the deceased at the foot of the stairs lying on his back in a hunched position with his head at the bottom of the stairs. He was undressed and he appeared to be dead. She identified the body as that of John Begley.

Mr. Conroy Thomas Terrace stated that he knew the deceased for many years and he had last seen him alive at about 7.15 p.m. on Tuesday. He was then mending a shoe in his workshop in O'Connell Street and appeared to be in his usual good health. Andrew Sandford in evidence stated that he knew John Begley very well and last saw him alive between 6.30 and 7 o'clock the night before when he was going for milk. On Wednesday morning he was called by Catherine and he said that he had seen John Begley that morning and he told her he had not. She then decided to wait while as on finding the door closed she felt that he must have gone down the street for some messages after about half an hour she decided to call and see Mr. Curran, Hardware Merchant, O'Connell Street, to find out if he had seen the deceased had not been down to him at all that morning. Rev. Fr. Curran told her she had witness that the door was open the door with his key and they both entered.

Continuing Mr. Sandford stated that with Miss Begley he found the deceased lying at the foot of the stairs and he was apparently dead. He immediately informed the Garda. In reply to the Coroner witness stated that deceased was a widower and had members of his family in the U.S.A. Dr. M. K. Cusack Dungarvan giving medical evidence stated that he saw the body of John Begley on Wednesday morning at about noon. It was lying at the foot of the stairs in the home of the deceased in O'Connell Street and it was apparent that deceased had fallen down the stairs. The head was the lowest part of the body and legs were uppermost, the head was acutely angled sideways towards the left by reason of having had a violent contact with a cupboard at the top of the stairs. On removing the body from this position stated Dr. Cusack I found that there was a fracture of the spine in the neck region. The body was cold and rigid. Mr. Curran was present. In my opinion the fracture of the neck would have been sufficient in itself to cause instantaneous death - why he fell from the stairs I do not know. It was caused by a heart attack or he could have slipped. The deceased was under my care some months ago and while his heart was not too good, there was nothing there to suggest that he would get a heart attack or that this might happen.

Continuing Dr. Cusack said that he would suggest that deceased had got a heart attack and fell down the stairs. Apart from a bump on the forehead there was no other external marks of violence on the body and that could have been caused while falling. Returning his verdict the Coroner stated that he was satisfied that deceased had met his death as a result of a heart attack or slip which caused him to fall down the stairs and that he had a fractured spine. Mr. Williams extended his sincere sympathy to the relatives of the late John Begley. Supt. O'Mahony, associated himself with the expression of sympathy on his own behalf and on behalf of the Garda Authorities.

Books Worth Reading
A Glimpse of the Story-Book
Ireland's memorable experience, and a very pleasant one is the reward for all who read Robert Gibbins new book "SWEET CORK OF THREE" published by J. M. Dent & Sons. It is a delightful study of the Ireland of today harmoniously blended with the heroic and colorful Ireland of the past. His book is indeed one that will win its place among Ireland's most popular and is in a sense a continuation of his previous outstanding success. Lovely is the Lee and the people who live on it. He left off at Gougane Barra among the mountains on the Cork and Kerry border. Now he leaves the banks of the Lee and leads us to the banks of the little river in the north. He leads the readers further afield to the many famous beauty spots of Co. Kerry and beyond. Once again he takes us to the heart of the country and the people among whom he moves with the ease of the native. His previous book on Cork is now in its third impression and still in great demand and his new book is one that no reader will ever want to forget.

Death of Mr. John Veale - Regretted Passing of Extensive Farmer - In this issue it is with a heavy heart that we report the death of very popular and extensive farmer in the person of Mr. John Veale Cluthachina Cappoquin. Widely known, the deceased had many friends throughout West Waterford and his death, even though in the fulness of years has caused sincere and genuine regret on all sides. Close of Mission—On last Sunday evening a most inspiring service was witnessed here in Ardmore when the ceremony of the closing of the weeks Mission was performed by Rev. Fr. Murphy, C.M. Long before the ceremony commenced a large number of people assembled in the Church which later on was overcrowded. After the Rosary and Benediction of the Blessed Sacrament given by Rev. Fr. O'Byrne, P.P., at 7.30 p.m. (old time) the closing sermon was preached by Rev. Fr. Murphy, C.M. in the course of his sermon thanked all the people for their grand attendance at the Mission and gave them special thanks for the great sacrifices they made to ensure its success. Then followed the renewal of Baptismal Vows and the sight of hundreds of lighted candles held aloft during the service. The ceremony will not be forgotten for many a long day. Before concluding Fr. Murphy, on his own behalf and on behalf of Rev. Fr. Mannix, C.M., (who was opening the second part of the Mission in Grange) praised the beautiful singing of the hymns by the choir, and also those responsible for the altar decorations.

The weather—The crops and weather for some weeks past has not been very summerlike in this area. Crops in many cases are far behind time chiefly the root crops but cereals seem to be getting better. It is only the present week that beet and potatoes are well ahead. Onions are holding their own but we are sure all will come right in the course of another few weeks.

Work at Ardmore Pier—We are sorry to hear that Mr. Kynne's efforts to get work done at Ardmore Pier has met with success, and the Co. Council officials were most obliging. Mr. Gheedy, Co. Of course this work must be carried out at very low water. It is also hoped that this work will be carried out in the satisfaction of the fishermen.

Death of Mr. Terence Donnelly, Glenmore, Dungarvan

The tragic and unexpected death of Mr. Terence Donnelly which occurred at his residence on last Monday evening caused a further painful shock to the people of Dungarvan and West Waterford generally as he was a very well-known and highly respected member of the farming community. A man of great strength and possessed of robust health his sudden collapse and death has come as a great blow to his wife and large family.

The late Terry Donnelly was an industrious farmer but was probably best known as a bloodstock expert and was a well-known exhibitor at many Munster Agricultural Shows where his horses won many awards. He was a keen follower of Gaelic games and it was only on Sunday evening last that he was present at the senior football match at Dungarvan. Possessed of a most genial personality he was always good natured, humorous and witty, and was ever ready to lend a helping hand and these admirable characteristics gained for him the esteem and respect of a very large circle of friends. He was a loving husband and a kind father who reared a large family in the best Irish tradition and his sudden demise will certainly be a very great loss to them. He was a close and firm friend of the late Dr. Dan McCarthy, whose tragic death, also in the fullness of manhood, occurred only a fortnight ago.

At the removal of the remains to St. Mary's Parish Church, on Tuesday evening, a mile long cortege attended testifying in no uncertain manner to the high respect in which the deceased and his family are held. The coffin was received at the church gates by Very Rev. T. Canon O'Brien, P.P., V. Rev. P. D. Connelley, O.S.A., Rev. N. P. Duffner, O.S.A., and Rev. P. Farrell, C.C. The interment took place in the adjoining cemetery after solemn Mass and Requiem High Mass on Thursday morning in the presence of another large gathering of mourning relatives and friends.

DUNGARVAN DEFEAT AVONMORE IN SF CHAMPIONSHIP GAME

Dungarvan, 0-9, Avonmore, 0-1 At the Gaelic field, Dungarvan, on Sunday last before a fair gathering Dungarvan defeated Avonmore in the Western Section of the senior football championship game. The minor football game between Brickey Rangers and Cathal Brugha's billed for 2.45 p.m. did not take place as Cathal Brugha's failed to field out and the senior game billed for 3.45 p.m. started at 4.20 p.m. We heard several protests against such treatment of the spectators who came at 2.45 p.m. to see the match and were kept waiting until 4.20 p.m. before any game started.

The high wind on Sunday was against good football for the result the game was scrappy and very low standard of play was Avonmore playing with the wind in the first half put up a good show for a while but then Dungarvan forced ahead and from a close free T. Butler scored a point. Dungarvan pressed again and missed when well placed, and when Avonmore returned the play, their defence missed a grand chance. Jerry Grady was prominent in saving Avonmore on several occasions before the Old Boro' boys broke through for their second point. Avonmore next attacked and Lee sent in a grand centre which was cleared at the expense of a fifty taken by Lacey. When the Avonmore forwards were all but through a free to Dungarvan relieved pressure and the ball was cleared. Cunningham who was playing a good game for Dungarvan sent in a high ball but Tobin wided. When Avonmore attacked again Croity cleared the Dungarvan goal and cleared well but from a sideline Avonmore pressed and Lee scored a point in the closing minutes of the first half. The short whistle went soon afterwards leaving the half-time score—Dungarvan 0-2, Avonmore 0-1.

Playing with the wind in the second half, Dungarvan soon became the masters and had the Avonmore men pinned to their own territory. From a free T. Butler pointed, and following a struggle in the Avonmore goal, a fifty resulted. The free taken by Cunningham went inches wide. P. Dea then handled a nice pass from Cunningham and scored Dungarvan's fourth point. At this stage of the game Avonmore were pressed time and again, but the Dungarvan forwards who were fairly missed a number of chances. Dungarvan ended but failed to score. Following the kick out Dungarvan again, attacked, and when Barron from a free sent to Dea, dangerous attack was cleared by the Avonmore backs. T. Curran then put Dungarvan ahead when he scored their sixth point, and shortly afterwards Tobin drove over Dungarvan's seventh point. From a free Mass on Thursday morning in the presence of another large gathering of mourning relatives and friends.

YOU CAN'T OWN A COAL MINE— BUT YOU CAN OWN A TURF BANK

The surest method of providing yourself with next winter's turf supply is by producing your own. There is still time to cut, but every day lost will make the harvesting more difficult. Start cutting at once to ensure an adequate supply of fuel for the winter. There will be a ready market for any surplus turf that you may have.

Greyhound Racing At Youghal

The break in the weather and probably the effect of diminishing the attendance somewhat on Tuesday night June 12th. Even that the programme did not look impressive we were provided with some excellent racing and a few very thrilling finishes.

In the first Hopes For Gold took the lead in the early stages and managed to hold off a very determined challenge from Stoneview Flash. He had only half a length to the good when he hit the line and Purple Bud was a further two lengths away third. Time 31.80 (52 1/2 yards).

In the second the lead changed three times during the race and the result was in doubt until the number went up. Harbour Reef Condonstown Man, and Stoneview Panther finished in that order with only a half a length between the second and third. The winner finished much stronger than she did in any of her previous races. Time 30.30 (50 1/2 yards).

In the third Speke showed a clean pair of heels from the start and ran the best race he has ever run on the Youghal Track. He broke well took the lead in front and maintained a four lengths lead to the winning line. He covered the distance 550 yards in 31.70. Creggs Beam was second and the 1947 bitch Dancer O'Leary was third. Time 31.50 (52 1/2 yards).

We had five well known performers in the fourth Minorca Tal Knockers Rambler Rosy Bower Prince. The first two were Killosera Times. It looked a very open affair but Killosera Times broke like a flash and never relinquished the lead.

Rosy Bower Prince came to him but he was on the outside and many think that it was on the inside the result would have been different. Killosera Times had only a neck advantage at the line and the clock read 30.50 (52 1/2 yards). The Head Ranger was only a neck away third. They looked very level in the fifth and the winner wanted to run as well as he did to win. He broke well and held on to a very narrow margin. All the way Pastat put in a terrific challenge but he was that bare half-length slower. Killosera Times was a further length away third. Did I mention that Progressive Race was the winner and the time 30.40 (52 1/2 yards).

Lexington broke in front in the sixth a 525 yards race but Calluna won him down to win by a head. Bandon Ballhopper was third. Time 31.50 (52 1/2 yards).

The last was a sprint which Belaire Brabazon won from trap to line in 18.70. White Doe was second four lengths in arrears and Flighty Walk was a further length away third. The weather threatened a few times on Friday June 15th and considerable anxiety was felt about conditions for the final but good fortune continued and on a perfect sky and ideal sunny June weather the final of the Elm Tree Cup was decided. The story of the race is easily told the odds on favourite Killosera Major drew No 1 box and broke just in front in a terrific challenge but he was not by any means his best effort in this department—but his early pace did the rest. He was clear at the first bend and increased his lead on the back straight. The gap narrowed at the tower bend but he pulled away again and his supporters felt very happy when Tanyard Cherry put in that tremendous finishing burst for which he is fast becoming famous, there was a silence as the crowd wondered if the favourite could hold off this dog or challenge. He did it, however gallantly enough but his liver had diminished to a bare half length Northern Nigger was three lengths away third and the time was 30.45.

We had five top class 550 yards dogs in the fifth race and while we expected a real good dog we did not expect the record to be lowered, but it was. The five were Pretty Fast Wizard (record holder) trap 5. Killosera Times trap 3. Castleown Express trap 1. Elias Ivy trap 2. Highland Hall trap 6. Elias Ivy broke in front was clear at the first bend and established a commanding lead. Going down the back straight Castleown Express showed us the greatest speed he is capable of as he crept up on the flying Elias Ivy. The crowd were on their toes as they came round the last bend together. Elias and Ivy were neck and neck and they raced for the line and their speed was obvious even without the clock. Castleown Express got the line by a head and he certainly deserved his triumph as he was good but behind this last batch in the early stages. Pretty Fast Wizard was only a head in arrears in the third berth and the time was 31.50 which is better than the previous record.

Hopes for Gold won the first race in very poor time 32.40 for 625 yards. Lauragh Fate was second better than three lengths and Lisavoye Blonde was third one length behind. We had a right good race in the third as Harbour Reef Dancer Simply and Slap Dash were neck and neck together. Harbour Reef showed a great gain but however and prevailed to the end despite some unwelcome attention. It was gratifying that her puniness was rewarded and she got the yard with a neck and a half. Slap Dash was second and Dancer Simply was further length away third. The time was 31.50 (52 1/2 yards).

In the third race White Doe broke in front but she stumbled and lost the lead. An accident that neutralized the advantage of her excellent break. Shindy's Past and Reclaimer Hero looked like having a close struggle for it but White Doe came again and by a neck but failed to let Shindy's Past up to win by one length from Reclaimer Hero and she was a further neck away relegated to third place. Time 30.30 (50 1/2 yards).

In the sixth Racing Dan broke in front but was interfered with and Come on Scamp took advantage of this diversion to take the lead and win a good race from Racing Dan by three lengths. The time was 29.60 (500 yards).

The last was a sprint in which Flower of Macroom was installed a firm favourite. He looked reasonably good and having drawn No 1 trap he looked better still. I maintain however that Flighty Walk should not have been overlooked as I consider she was unlucky in her race the previous night for her as she took the lead at the start and maintained it to the end. Alpine Hope was her nearest challenger and he was two lengths away with the favourite. Time 18.70 (325 yards).

The last was a sprint which Belaire Brabazon won from trap to line in 18.70. White Doe was second four lengths in arrears and Flighty Walk was a further length away third. The weather threatened a few times on Friday June 15th and considerable anxiety was felt about conditions for the final but good fortune continued and on a perfect sky and ideal sunny June weather the final of the Elm Tree Cup was decided. The story of the race is easily told the odds on favourite Killosera Major drew No 1 box and broke just in front in a terrific challenge but he was not by any means his best effort in this department—but his early pace did the rest. He was clear at the first bend and increased his lead on the back straight. The gap narrowed at the tower bend but he pulled away again and his supporters felt very happy when Tanyard Cherry put in that tremendous finishing burst for which he is fast becoming famous, there was a silence as the crowd wondered if the favourite could hold off this dog or challenge. He did it, however gallantly enough but his liver had diminished to a bare half length Northern Nigger was three lengths away third and the time was 30.45.

We had five well known performers in the fourth Minorca Tal Knockers Rambler Rosy Bower Prince. The first two were Killosera Times. It looked a very open affair but Killosera Times broke like a flash and never relinquished the lead. Rosy Bower Prince came to him but he was on the outside and many think that it was on the inside the result would have been different. Killosera Times had only a neck advantage at the line and the clock read 30.50 (52 1/2 yards). The Head Ranger was only a neck away third. They looked very level in the fifth and the winner wanted to run as well as he did to win. He broke well and held on to a very narrow margin. All the way Pastat put in a terrific challenge but he was that bare half-length slower. Killosera Times was a further length away third. Did I mention that Progressive Race was the winner and the time 30.40 (52 1/2 yards).

Lexington broke in front in the sixth a 525 yards race but Calluna won him down to win by a head. Bandon Ballhopper was third. Time 31.50 (52 1/2 yards).

TALLOW AND ROUND ABOUT

Don't Forget Thursday Night Next. Dramatic followers will be very pleased to learn that the repeat performance of "Crime Comes to Ballyconeen" by the Tallow Dramatic and Musical Society will be staged at the Regal Cinema on Thursday night next, June 28th and the capacity house is anticipated. Those who were fortunate enough to see the initial performance a couple of weeks ago are all looking forward to the repeat and this fact speaks more highly than words of how the general public appreciated the performance and the artists taking part have been the recipients of numerous complimentary messages on their wonderful success. Thursday night's performance is in aid of Parochial funds—viz the new school building fund. It is hoped to see the spacious hall packed to its utmost capacity for such a worthy object. A boys national school is an urgent necessity, as the old one is entirely unsuitable from all points of view, hence its replacement is a matter of extreme urgency.

The building of the new school will cost roughly about £3,000 of which the parishioners will provide one-sixth and to make up this sum ways and means are being thought out by the ecclesiem pastor, Rev. M. F. Hearn. The parishioners are so that it will come as easy as possible to the parishioners so on Thursday night an opportunity will come your way to show your appreciation of efforts being made for this worthy cause by attending the dramatic performance at the Regal Cinema—and one thing is certain you will not be disappointed—the cause is a good one while the programme is second to none. So do not forget Thursday night June 28th at the Regal Cinema.

Athletes Success—At Keame (Co. Cork) Sports under N.A. & C.A. Rules last night, Mr. T. Cunningham (Tallow) won both the one mile flat (open) run by Mr. J. Harter (Carrigrohilly) in a great style while in the high jump (open) Mr. S. Fraser (Tallow) was placed second to Mr. J. Donovan at 5 ft. 3 ins. Both athletes are members of the Cappoquin A.C. and were in excellent trim on Sunday last.

Mr. T. Cunningham by his win over J. Harter made a very promising debut. Both athletes and both athletes should be heard of to advantage during 1951.

Indoor Feis—Wednesday Next. The arrangements are now complete for the holding of the Indoor Feis at the Regal Cinema on Wednesday evening next under the auspices of the Tallow Gaelic League and a grand Irish-Ireland evening will be held for all Gaelic enthusiasts. The competitions include—Irish language 10 to 12 years, and 12 to 14 years recitations, Irish history dancing—reels, and Irish hornpipes, singing, and Irish music. Competitors are requested to note that entries close on Monday next June 25th so please hand in your entries on or before that date or post to Rinal Higgins at the Regal Cinema. A very nice array of prizes have been procured by the organisers, and in addition winners will get a free trip to the Feis Na Daise in Dunganvaran next September. The programme will be the Irish language competition 12 to 14 years the winner of which will be entitled to a fortnight's course at an Irish College in the Gaeltacht this autumn. Competitors should bring a large number of entries but please make sure your entry is in by June 25th. Nothing has been overlooked towards making the evening an Irish one. It is hoped the all out efforts of this go ahead branch of the Gaelic League towards fostering the Irish language will add to the success of the programme already long list of successes. The Wednesday evening Show by your attendance that you are behind the Gaelic League Branch in their efforts to promote the language, culture and games.

Primary Schools Competition G.A.A.—The Tallow National Schools fifteen had a 'runaway' victory over Modeligo on Friday night last in the first round of the Primary Schools Hurling Competition. The match was a very one-sided affair and after fifteen minutes Tallow had paved the way to victory, and although Modeligo played like a team to the end, the Tallow fifteen romped home in a canter. A large number of supporters travelled to Cappoquin to cheer the schoolboys and it was good to hear the old familiar cry "Come on Tallow" again and judging by the display of the juveniles on Friday night the future of hurling is in safe keeping in Tallow, and while congratulating the winners on their success and wishing them every success in forthcoming rounds of the competition we must congratulate Mr. E. Power N.T. who was mainly responsible for the success of the team. He spared neither time nor trouble in fostering the game amongst the schoolboys. The Tallow team and subs was as follows—C. Fitzgerald, Hogan, J. Ryan, P. Hartley, Sheehan, K. Ryan, M. Murray, D. Lyons, S. Ryan, Harty, J. O'Riordan, P. Burke, P. Pratt, S. Cronin, J. McIntyre, T. Walsh, D. Hart, M. Slattery, and M. Prendergast.

What's New?—Tonight (Friday) picture-goers will have an opportunity of seeing "All the King's Men" starring Broderick Crawford and Joanne Van Dyke. This Academy Award Picture is reputed to be the outstanding picture of the year—see it for yourself! On Sunday next "River Lady" will be screened. This is a tense and exciting picture which no film fan should miss. On Monday and Tuesday "The Unlucky Bred" is the feature. This is a real thriller and should not be missed. On Friday night

The Last Round Up

The Last Round Up will be shown. A most exciting and colourful picture, and one of exceptional merit, it should be seen by all.

Fair Again—The monthly cattle, sheep and pig fair will be held in Tallow on Friday next June 29th, and everything points to another huge success. Known throughout the district as the Tallow Fair, Munster as one of the leading fairs in the South its reputation for quality and quantity is second to none, while from a buyers point of view has few equals. Every animal brought for sale by buyer and seller, so please note that Tallow monthly fair will be held on Friday next June 29th.

Successful Dance At Lisnabrin Ballroom—On Sunday night last a very successful dance was held at Lisnabrin Ballroom, and patrons who were present from far and near spent a most enjoyable night. Thanks to the energetic committee arrangements were perfect while the musical programme which was supplied by the Brideside Serenaders Orchestra was much appreciated by all as could be seen from the large number which followed each number. So with music, floor and everything perfect dancing continued with unabated vigour until the strains of the National Anthem brought it to a close. The night was a most successful one and one can't help asking why this craze for speed-rushing is so unfortunately so often the case to eternity. We appeal to all users of the road, be they motorists or cyclists, to exercise due care and make the roads safe—the death toll in the current year alone is already alarming—what will be at the end of the year? Let us be our beautiful country drive fast to eternity—which do you choose?

A Visitors Impressions—On a brief visit to Glendine recently was very Rev. P. Troy who is a native of Newtownshandrum Co. Cork and prior to his ordination was a student at St. John's College Waterford. He is a very intelligent and language enthusiast. In his opinion, Fr. Troy was the Jersey of his native county on many occasions, while as a member of the Cork Collegians team, he remained a very keen supporter of the late James Kelly of Dunganvaran whom he describes as one of the best hurlers and greatest sportsmen of all time. Then asked by your correspondent about the standard of hurling there and now he said the Tipperary-Waterford match at Cork ranked with any he had ever seen and said it looked like another Tipp-Cork final on a very high level. He is inclined to favour the change of his native county. Emigration was one of the biggest menaces of the present day in Ireland and he is of the opinion that it should be attended to with care. It is humiliating and distressing to see the Irish youth crossing to England to work in the mines leaving behind them the best and best country in the world. The present day boys and girls (especially during the past 3 years) was alarming, but he felt sure that better efforts would now be made to provide for a better future for the young people of Ireland. Partition was a very serious matter and every effort should be made to remove it. Ireland and England could never co-operate in terms of the bachelors' club. The border was gone, and there was only one way to unity and complete freedom—removal of partition. What was the use of calling it a Republic when the Six Counties were not part and parcel of the British Empire? On the result of the recent general election Fr. Troy was rather reticent but was very pleased at the election of Mr. Valera as Taoiseach. He was a great soldier, patriot, and statesman. As this he was recognised not in Ireland alone but all over the world in his capable hands the people of Ireland could look forward to a new era of peace and, concluded Fr. Troy all Ireland should co-operate in making Ireland a land of peace prosperity and happiness.

Accidents in the Air

Accidents in the Air—With the past few weeks there have been a chapter of motor accidents in the area, fortunately, however, no serious casualties. With increased motor traffic and the large number of tourists who are and will be using the roads during the summer months it is not easy to avoid accidents—especially at speed seems to be the motto of the motorist and one can't help asking why this craze for speed-rushing is so unfortunately so often the case to eternity. We appeal to all users of the road, be they motorists or cyclists, to exercise due care and make the roads safe—the death toll in the current year alone is already alarming—what will be at the end of the year? Let us be our beautiful country drive fast to eternity—which do you choose?

ECHOES FROM YOUGHAL Salmon Season—The Youghal salmon season has come to an end and since about the first day of June the peel season opened but not with the same results as the opening days of the salmon season. This salmon season in Youghal has been one of the most successful for many years the success lasting throughout the full season. In many previous seasons there were periods which were good but only periods and in this respect did previous seasons differ from the season just expired. The fishermen are to be congratulated on their success and it is everybody's ardent hope that the next season will be as good as the present one.

Excursions—Since the C.I.E. excursion starts people seem to converge from all parts of Ireland on Youghal. Last Sunday huge crowds travelled from Limerick and collected passengers at intermediate stations along the route. In addition to those who travelled by train additional hundreds travelled by buses and enjoyed a very full day at this popular resort. All seemed to have enjoyed themselves thoroughly and patronised by many young people in the district.

Waterloo—During the week Mr. P. Conroy, M.I.A.A. Youghal disposed of a very valuable holding in the Glenties district for £2,500 (150 acres). The purchaser was Mr. J. Harrington, Castleown. Two valuable hunters were disposed of in the Youghal district during the week to a Dublin horse dealer. The owners of the hunters were Messrs. Donald O'Brien, the Imokilly Hunt Club Whip and Mr. William Kennedy Ballygunna.
