Circulating throughout the County and City of Waterford, South Tipperary and South-East Cork

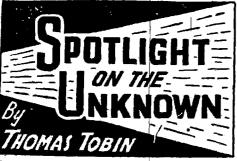

SATURDAY AUGUST 25, 1951 No. 662

REGISTERED AT THE GENERAL POST OFFICE AS A NEWSPAPER

Adjourned

PRICE—21d.

CONGRATULATIONS TO DUNGARVAN'S SENATOR colourful history Owing to the overwhelming to Ring and close behind his pressure of space in last week's powerful sleek Packard came issue I did not get an opportunity of congratulating Dunget 30 miles out of the old garvan's Senator John Butler on his re-election to the Senate those sweeping bends on that Senator Butler's success is a deserving one and Dungarvan rejoices for whenever his services were called upon they were always available and always regarded as an old reliable and all of us are sincerely glad. State car came to a ston—we something that really was a and all of us are sincerely glad state car came to a stop—we that he has once again made it in congratulating him I feel With the Co Manager, the

was far from being an ordinary land were open to a row-boat tice in paying tribute to the day it was more than just an was forgotten about and neg-speakers you know only too well O Con- humble efforts of the local body the phones the cars and the nell Street is usually lined with there is no doubt about it but Post Office—the story had been carts on a fair day while in the the quay and the haroour made and now for the task of right-hand side of the street— generally would have fallen into writing at and giving it to you moving out of town—sheep oc- decay years ago. Now the time, the readers of the daily and the cupy the sidewalk with that had come when they had an weekly Press and so from here, marked expression suggesting opportunity of putting their on our work began—but it was that as far as they are concern-case before the top man and I worth it we in common with all that as far as they are concerned "all around here is my own need not mention that they others who had been present no such thing as a cart around and not a sheep in sight Instead at the Square end was a specific point in showing An Taoiseach of the ich while a little of the concerned to their elbows of the occasion and more power will forever live on—in the history of Dungarvan, of Ring and of Ireland the concerned to their elbows also another important of Ireland the concerned to the concerne

on and around noon people be- of Co Waterford and one that Taoiseach's visit on August 15th gan to get worried there was no has been for many years pressed last of an Taoiseach streets were lined with people, ticular-a public representative the occasion by a Professor of young and old-all anxious to who never for one moment lost the College who wishes to reget a glimpse of The Chief sight of the possibilities such main in the background—even an achievement would bring to though I pulled every trick in Over not to forget the camera—Dingarvan—Mr Michael Harty the game to get his consent to men and not forgetting the latter I might mention that a few of us went to Vinnie Morrissey's place on the Square took hope that he might take his enter this composition over a fine room up on top and then prepared for action—but when himself arrived and mind you it was only then we too long a dream From all I forever recall with feelings of mind you it was only then we too long a dream From all I thought he might be inside in can gather and from what I his car—which of course he was | heard Dev himself say it would so as he approached escorted seem that he went back home by a body-guard of Old IRA with the Western Bay as a spec-under the command of Mr al attle gift for the Departand up to the Town Hall door

from all over the district under loudly cheered him as he passed the command of Chief Super-beneath a scroll intendent M A J O Reilly Wa-Failte Roman A To the street just outside the door it would seem that he was re-As An Taoiseach Mr de Valera turning to a scene that was not stepped from his car there was new to him and to friends that a sharp click of heels as the were old ones. What went on Lannen the Co Manager, Mr S Dev's car pulled up at the top of the hill on our way out I Clerk, Mr E Deery In the spotted a man with his wife and Council Chambers An Toppenach Council Chambers An Taoiseach children sitting close by their was again welcomed and when car on the roadside having an the members and officials had alfresco meal They wondered been introduced and all pre-liminaries over Mr Lappar what were all the cars coming liminaries over Mr Lannen to a halt for but just the same spoke his little piece and I must this man was not too inclined to state that it really was a little rise from his apparently complece worth speaking Our fortable position while he drank Chairman played his part well his cup of tea, to see what it and made history for seldom was all about Suddenly, not a could one do such as good few yards from him Dev Then came the big moment—stepped out of the car the the address of welcome—which was read in Irish by Mr Deery The address was very well writ-make sure, and in his rush to ten very ably presented by the get on his feet bang goes the reader, and ideally suited for the occasion and by the way of all the newspapers represented at this important function than another form more valera this important function, there another fear mor moved about

came to a close—just like that, a favourable comment on the as the neatest bit of timing job and the workmen respon-I have ever seen—and the cere-sible and then he skiddadled an occasion that meant more to intent on selling him that Bay—the town than Sean Citizen anyway when they came out could ever hope to realise and those responsible are to be congratulated for their work and their efforts will make one grand chapter in the Old Boro's

Mr de Valera then proceeded

As most of lected and were it not for the

Ml Mansfield formerly West ment of Agriculture and from Waterford Brigade OC we here on the matter depends skiddalled down Main Street greatly on our local bodies. From here we moved into Ring College and what a recepwhere we got our pictures
The picture here was indeed an impressive one as a Guard of Honour drawn up of Guards

The picture here was indeed to was accorded Mr de Valera here Three hundred school of Honour drawn up of Guards children lined the entrance and the pressed

inscribed intendent M A J O Reilly Wa-terford and Supt Flanagan Dungarvan lined both sides of An Fear Mor and the staff and Guards stood to attention and here has already been reported saluted while Mr de Valera so I will skip a few of the formal along between their affairs and go on to some of the comed by our young Urban portant but which made up the Council Chairman Mr Thomas memory of that occasion When Lanner the Co Manager Mr S

this important function, there was only one paper that published the full text of the address—what paper do you think?—but the DUNGARVAN LEADER

another lear mor moved about a mongst the children signing a sutographs, looking at this and that and taking an interest in everything. He opened the new wing to the college and had a look and the trade passing the strength of the college and had a second the trade passing the strength of the college and had a look of the college and had a With this over the ceremony look around the inside passing

Street, Cappoquin

Butler for the Co Council and the permanent Town Clerk Mr E Power, and Mr M Morrsisey. for the Tramore Town Commis-sioners await on the Minister (Open)
12—Guessing Weight of pig Sanitary Services Act 1948, in ment of Agriculture view of the conflicting opinions Mr Kyne said that view of the conflicting opinions of eminent Senior Counsel, and that the Co Manager and Council s Solicitor be available when the deputation attends on the Minister and that the Co Council adjourn the making of the rate for 1951/52 to a meeting to be convened by the Chair-

Temporary Water Scheme Approved For Ballyduff Following the urgent appeal made by the people of Ballyduff for a supply of pure water to meet the needs of the village. for a supply of pure water to meet the needs of the village the Council approved of an emergency scheme at a cost of emergency at present in the course of pre- Waterford

at the last meeting of the Council a deputation made up of residents of the area came before the meeting and put up a very strong case. It was decided by the Ballyduff Parish (Council based on the feelings of the people that the present water supply would never be satisfactory and that a new supply would have to be provideded. They pointed out that the present water supply, even after re-sanding the filter bed was cloudy dirty and repugnant, and that Lests of the water made by a UCC Pathologist showed that Dr O'Neill's test quired information and Senator at present being used in the village is poisonous. The Parish now started for once and for all council stated that the people of the water of the water feel of the water at present being used in the village could never feel of the poople as few of them could really appoint the village could never feel of the water feel of the water of the water at present being used in the village could never feel of the water for the poople as few of them could really appoint the village could never feel of the water feel of the water at present being used in the village could never feel of the village could never feel of the water feel of the village could never feel of the village could never feel of the water feel of the water feel of the village could never feel of the water feel of the village could never feel of paration

Council stated that the people as few of them could really apof the village could never feel preciate the many advantages assured that the poison could such a scheme would have for be fully removed by filtering all in this part of the country and this attitude was supplied He added that the Taoiseach by the local MO especially had made it very clear that he since the water continues to was personally very much inlook dirty and tastes badly At terested in the matter and

poison These have it was claimed by the Parish Council made the people indignant and they believe that they have been and are being treated unfairly. The Parish Council also stated that since the re-sanding of the filter bed a four-year-old child Rates Question Again Reclamation Of Western

F.C.A. NOTES

While Dungarvan Platoon was Cinema on July 25th
The charge against one of the boys was adjourned for six months and the other defendant was given the benefit of the POA.

OUR WATERFORD

While Dungarvan Platoon was not amongst the leaders it was very well placed in the first half what a story of weapons strange murders, and yet on top of all this—loads of laughs It is indeed a Pamela Branch style which is peculiarly her own and must be read by all who have ever read a murder mystery for this is indeed something never before experienced will have to be devoted to Riffe.

While Dungarvan Platoon was not amongst the leaders it was very well placed in the first half when the final results were made known Had the members and only experienced a small amount of rain Other members amongst the first six This was not amount of rain Other members not amount of rain only experienced a small more experience at Range practices there is no doubt the platoon would have been have been not able to avail of the last few weeks for training are going up within the next few there is no doubt the platoon would have been not able to avail of the last few weeks for training are going up within the next few there is no doubt the platoon would have been not amount of rain only experienced a small who have ever read a murder more experience at Range practices there is no doubt the platoon would have been not amount of rain only experienced as mall who have ever read a murder may be read by all the weak link in the tests and in order to improve on this
