death of her son Monnie, to his sister, to our colleague Mr T Kyne T.D and to his other brothers, and that this meeting be adjourned as a mark of respect'

FURTHER EXPRESSIONS OF SYMPATHY

At a meeting of the Old Age Pension Committee held at the event occurred unexpectedly on Thursday, Nov 1st, caused wide-spread and deep regret Deceased was a brother of Mr T A Kyne, T.D. Dungarvan and was for many years a member of the Waterford County Council clerical staff.

The late Monnie Kyne was a very well known personality and the county as the council staff.

At a meeting of the Old Age Pension Committee held at the Courthouse Dungarvan, on 2nd inst the Charman, Mr M J Keane, said that during the past few days the townspeople were shocked to learn of the sudden death of Mr Maurice Kyne a prominent official of the County Council staff. very well known personality and highly popular throughout Co Waterford and his sudden death was most unassuming man and a

CONNA HANDBALL CLUB Grand Annual Dance In The MUINTIR NA TIRE HALL, CONNA SUNDAY, NOVEMBER 18th Dancing 9-2 a.m BALLYDUFF NEWS

TWO CROPS IN ONE morning

Farmers through the Country are taking an increasing interest in the ensiling of green material so as to preserve it as near as possible to natural conditions for use in the lean hun-

mers to see the beet tops being ensiled and to hear talks by Agricultural Advisers on the to Rev Fr Morrissey CC making and feeding of the tops Tomas Fahy Peter Moloney, L. Thirty-five such demonstrations Thirty-five such demonstrations have been held during the past fortnight and large attendances of farmers have availed of the opportunity to acquire first hand information on the proper methods of filling and packing to ensure first class material

tions from interested men will be answered and this is another step forward towards more pro-

gressive Agriculture All this interest has been aroused because ensilage makes rom roots acre for acre and in addition each acre paying for tself a handsome cash profit There is no cash profit from roots and in addition roots are

to the necessity of maximum

industrial renaissance

long before gas was introduced nagh [(grand-daughter)

Two chief characteristics distinguished Waterford glass from foreign productions viz a blue-tint caused by certain ingredients in the glass composition and a bell-like sound produced on striking a bowl it has a distinct note of its own which might be described as a vibra tion between two or three

There have been revolutionary changes in the technique o glass cutting since Messrs Gatchell & Co operated in 'Glass for example pro House Lane cesses that took two days with the old-time machinery can now be completed in two hours As regards personnel Messrs Gatchell's concern was an exclusive preserve of foreigners whereas Waterford Glass Ltd will employ some hundreds of Waterford men including a big group of apprentices

A unique happening in Irish Industrial annals is the fact that 17 students of the Central Technical Institute (selected from 300 pupils of the Day Trades Preparation Classes) have been specially trained in drawing glass cutting and designing simultaneously with
