The sun was trying to break permission of the author) wanting to People stood creating to the author) wanting to People stood around in little groups, all mourn-ful all dazed by the tragedy of events of the past hours Two bodies covered from the light that once filled their lives hoise-drawn ambulance which with 120 men among them were

the bodies of the victums were because of the season of the gates at anount of the gates at anount of the gates of the wind in the Botharnathra area the look the gallant Captani Comer were picked up that that once rested in the Botharnathra area the look the gallant Captani Comer were picked up that the third once rested in the Botharnathra area the look the gallant Captani Comer were picked up the look the gallant Captani Comer were picked up the look the gallant Captani Comer were picked up the look the advantage of the wind sangely over his baby daught of the same supon his shoulders upon his fearfully wrapped within it Not long afterwards Wr Comer was no sign of the little babe that had been so long afterwards were penaltised for a scrum in the gate of open in the attendance also Skibbereen won the tost and took the advantage of the wind in the field was most welcome, also Skibbereen won the total store but narrowly missed in the look the advantage of the wind in the field was care with little was most welcome, also Skibbereen won the total store but narrowly missed in the found to the slight hill in the field was care with little was most welcome, also Skibbereen won the toat county Board the causes of the advantage of the wind a credit to Cappoquin who the store but narrowly missed in the first county Board the subject of the acuses of the acuses of the advantage of the wind it work it is study the look the advantage of the wind it work it is study the look of the scales of the wind it work it is study the look of the scales of the wind it work it is study the look of the scales of the wind it work it is study the look of the scales of the wind it work it is the look of the scales of the wind it work it is study the look of the scales of the wind it work it is study the look of the scale of the wind it work it is study the look of the scales of the far from the same spot lay the body of baby Ivy Far away guire) who jumped out of the across Dungarvan Bay near boat before they had reached Barnawee the body of Mate land and waded to the shore—

Lewis was located and still being the first man of the party attached to it were the ropes that landed on American soil stopping the train"

Telatively poor The dull weat—then pressed for some time but her conditions may have contrict then pressed for some time but but but to the driver's failure to see the signal soon enough, and back Just before the interval attached to it were the ropes that landed on American soil stopping the train" that once meant hope to his sister and to him
Eventually all bodies were re-

covered at various points around the harbour that of the coloured member of the crew named Hunter being picked up close by

Russian Finns named McKennon were left with a or so great sorrow to bear a tragic story to recall and a persistent

longing to forget it all Of the Mary Sinclair the story was entirely to the contrary Realising that Clonea beach was his only hope, the captain went well in there and was blown up on to the beach where his vessel was held firmly His crew were taken off quite safely and when the storm died down Capt Moloney of Dungaryan undertook the job of sal-

vaging her With little fuss or bother he gathered together his men and bucket by bucket they took off 40 tons of her cargo of coal which was dumped up on the strand Then a horse and dray was brought on the scene and managed by two locals the horse was driven well out into the water with a strong rope and streamer anchor attached to the vessel and to the dray With as much manpower as possible and just one horsepower the vessel was successfully pulled off the beach and within a short time sailed into Dungarvan Harbour to dock at the quay where she discharged the remainder of her cargo Capt Moloney a seaman Live on O prayer in Ireland dry and that the brakes worked in every sense of the word made it his business to see to it that the interests of the shipowners. The echoes of her home to fill were taken care of He did not. When uttered at her door, want to see them incur any great loss and he took every possible step to ensure that this Be graven on each heart as well The decision to run the special was reached at 6 p.m on April 2nd, and all stations and crossgreat loss and he took every poscoal for what it was worth to any merchant He looked after the examination of the vessel and was satisfied only when the Mary Sinclair set sail from Dungarvan in the same condition she was in when leaving

her home port But in sailing out the harbour past the wreck of the ill-fated Moresby the captain and crev took with them a story that would never die in the history

of man's fight against the sea (To be continued next week)

This story as presented in "Spotlight On The Unknown' is strictly copyright in the name of the author. It may not be team de reproduced in whole or in part tulations

IRISHMAN WAS FIRST

On August 3rd, 1492, Christopher Columbus set sail from now rested in peace on the old Saltes near Palos in Spain had arrived in Ballinacourty two Irishnien in three small from Dungarvan
Slowly the sad procession decked vessel of ninety foot decked and two carvels — or undown the old windswept road by decked boats much smaller the sea that had robbed these After much difficulty in estabboys of life Seaweed lay scat-tered all along the route and overhead the gulls cried mourn-fully On along the road the ambulance moved where doors the outposts of the New World

Said Jimmie Fidler in one of fixed Relatives of the deceased came to Dungarvan from England As the funerals moved through the town hundreds paid their last respects to a relative players. It to anger on the evening of the 163 only one has not April 2nd. They remaine i in the through the town hundreds paid their last respects to a relative players. It to anger on the evening of the town that position until the time of their last respects to a relative players.

By Request

GOD SAVE ALL HERE

There is a prayer that's breath ed alone In dear old Erm's land, Tis uttered on the threshold stone

With smiles and clasping hand And oft perchance tis murmured low

With sigh and falling tear The grandest greeting man may The prayer here God save all

In other lands they know not well

How priceless is the lore That edges with a sacred spell Old Ireland's cabin door To those it is no empty sound Who think with many a tear Of long loved memories wreathing round

The prayer 'God bless all -here

still Live on for evermore

SONG WANTED

CONGRATULATIONS Mr Joe Mahony writes from any such responsibility, but England with a glowing expression agreed that if he received a sion of congratulations to the message about the running of a Eire Oge hurlers on their recent special he would send word to noteworthy achievement in be- the gate-keepers by linesman if coming County champions

Tragedy At Cappagh Crossing Failure of the engine driver Edward Nagle to keep a proper look-out for the signals to have his train under proper control overhead the gulls cried mournfully On along the road the road the road the road the proceedings with a geometric the road the proceedings with a spring of the New World were seen one of the Bahama to stop it clear of the gates, were closed and blinds drawn To Dungarvan Courthouse the bodies were taken where twee soon to be joined by the rewere soon to be joined by the remander of their friends who had ded as they just a did ded as they just a spring of the first seen in Dungarvan on Christmas Eve 1895 was indeed for the regions adopted by the sea first of the bodies of the holys eason and spread a gloom over a very wide area area.

As the days passed by the sea first on the seal of the seal of the gates of the gates at amour, it is dead on the process of the New World age on Friday October 120 1492, but for the signals to have be instrain under proper control of the Bahama to stop it clear of the gates, were the cause of the ca. d.n.t. the proceedings with the proceedings wi

threw up its dead One by one on American soil was an Irishthe bodies of the victims were man This is recorded in the picked up along the seashore work of an Italian priest John of a mention of the gates at about picked up along the seashore work of an Italian priest John of a mention of the causes of

Mr Hogan comments that the took advantage and went over system of notification need to near the corner flag to leave the be improved and that a clear score 14 points to nil in favour chain of responsibility should be

OUR WATERFORD LETTER

Sailors Are Entertained - I pent a few very enjoyable hours at the annual social and dance in the Catholic Seamen's Club (Stella Maris) O'Connell Street on Sunday Jan 6th The social began with tea at 6 pm and subsequently there was community singing and dancing there was a spic and exhibition of Irish step dancing by Mr James Cleary A number of sailors were entertained and participated with great glee in the singing and dancing The seamen were from the sis Ard-

Institute re-opened on Monday, Jan 7th with a 100 per cent attendance There was also a good attendance in the Compulsory

'And they laid Him in a manger —during the singing of the gospel—there appeared in his arms a little child surround-

locals will be at home to Cobh
Some very good games are expected as Cobh are now at the top of the East Cork League

The tree daily with great interest by prominent citizens. I may add that it was the old Waterford Society that took the initiative in getting the work done

which will take place on Sunday 10th February with Billy Jan 3rd and held a conference of proprietors of local hotels in the music. This dance is the highlight of the dancing season and is looked forward to by all lovers of the light fantastic toe. 1952 and many useful suggest-ions were made by Mr O Brien who has done much effective work to foster tourism in Ireland I shall make further re-ference to this important matter as it effects Waterford in

~ A **PRIZE** WINNER'S **THOUGHTS**

Mr. J. O. Sheehan, Hospital's Trust (1940) Ltd., Ballsbridge,

Box 17, ILORIN,

I am acknowledging with many thanks, the receipt of your letter dated 6:10:51 wherein you were congratulating me upon my success in

I am glad to answer your questions accordingly thus -

1. In this part of Nigeria, being the first to win the sweepstake the fame of your establishment becomes more realized and grows like wild fire. On my own part, my hope becomes realized and I am able to execute part of my desire in life.

The morey is put into THREE main useful purposes viz -

a. Firstly, I bought one Austin Lorry No. 004605 Bix wheelers,

new model.

b. Seconcly, I bought twenty-five bundles of corrugated Iron sheets to roof the house of my relatives.

c. Thirdly, I put up a very new down stairs build with twenty bundles of Iron Sheets for myself and the members of my family. The last but not the least is that I gave presents in cash to my friends, relatives and the poor with the result that all the people in my town, especially in this part of the country now believe in your sweepstakes as genuine and buy your tickets than maked.

My position in the town is better imagined than described, I command more respect and I became well known.

According to your wish, I enclose herewith my photograph for your gallery of prige-winners.

I thank GOD for the good-luck thich has come upon me through you while wishing you success.

Yours faithfully,,

Adebayo Balagun
