DUNGARVAN HAS LOST A champion will "have a go" for GREAT PERSONALITY
For years beyond memory the next few weeks name of Miller has been pro- Her many friends join me in minent in the business and wishing her every success late R A Miller, whose general Arrigan on breaking his own Waterford's leading business houses was indeed a pioneer in houses was indeed a pioneer in swimming the town's trade development and was a friend to all sections

No longer will the Miller endless efforts of the local name play its part in the business life of Dungarvan Mr William Miller ably upheld the town to take up residence in Dublin and for the first time the door of him wastern to the cultural control of the management of the cultural control of the cul

find a welcome awaiting him

MESSAGE FROM BROOKLYN
Hello Mr Tobin—We sure enjoy reading your Spotlight news in the Dungarvan leader of the main objects of the young Farmers Club is the promotion of everything eduction of Loughmore Dungarvan who came here a year ago gets the 'Leader and sends it by imail from Mt Kico, New York, to Brooklyn to us and the Spotlight news is the first hink we look for Should you every take a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very that might have to make a trip to the good old USA look us up We had a very viain might have to make a trip to the good old USA look us up We had a very that might have to make a trip to the good old USA look us up We had a very that might have to make a they are dei into the make of the make of the make of the part of the Committee was nothing between the way there was nothing between the boats as they raced into the way there was nothing between the way there was nothing between the boats as they raced into the value to make a nothing between the way there was nothing between the boats as they raced into the value to the way there was nothing between the way there was nothing b charming lady here on a year's visit from Dungarvan and I alvays read the Spotlight for her ner name was Mrs Margaret Walsh and it kept her in active touch with the Dungarvan news Give our best regards to all the Dungarvan, folks, especially Daniel Crotty our cousin who owns the Cinema House in Dungarvan May God and His Blessed Mother keep you writing for the Spotlight Yours truly

O'BRIEN SISTERS

Site preparation went ahead and their very line snowing

A Cot' race and a fish-building operations. It was at this stage that Mr Denis Culture that this stage that Mr Denis Culture that this stage that Mr Denis Culture that this stage that Mr Denis Culture really moved in the enterprise From the very birth of the idea he was one of the most active workers but his thoughtfulness in bringing in a course in Rural Building for apprentices sponsored by the Department of Education, to Co-incide with the erection of the club worked tirelessly.

Brooklyn 20,

Tales They Tell

TWAS A GLORIOUS VICTORY
The final battle between the
Tatars and the Russians in the
Mindle Ages was one of the
most comic in history The
whole country had been urging
Ivan III of Russia a prince of
little courage, to turn out the
Tatars and at long last he
assembled an army Trembling
in his shoes Ivan set forth at
its head

were released from their employment to undergo the eight
weeks course They received an
allowance of £2 10s 0d a week
from the Department while doing the course which commenced in June last
As it is the policy of the
Department to put apprentices
undergoing such a course on
the trection of some building of
a minor nature under the guid-

After marching for weeks they a minor nature under the guidance of Vocational Instructors After marching for weeks they sighted the enemy both armies advanced and as night fell pitched camp At daybreak, suddenly realizing each other's proximity, the two armies sat back on their haunches staring at one another as if mesmerized Then seized with unspeakable panic, they fied simultaneously in opposite directions

HERE'S TO OUR SWIMMING

ance of Vocational Instructors it was agreed that the plan as outlined by Mr Cullinan would prove of high value to the youths. The scheme was unique in as much as it was the first time such a big job was tackled by a group of apprentices. In the past in other parts of Ireland the erection of such buildings as bicycles sheds for the school concerned or extensions to existing stores were

HERE'S TO OUR SWIMMING CHAMPIONS
Heartlest congratulations are extended to Miss Tess Nagle of Abbeyside, who won the ladies rection of what would be a modern vocational school It. 100 metres breast-stroke cham-modern vocational school pionship of Munster knocking 16 seconds off the Munster record and being only one second behind the Irish record Her achievement made big news in Teleb sporting circles and modern vocational school It was an experiment that paid off with 100% success, and for the twelve apprentices it was a job they would always remember and especially for what Irish sporting circles and now I am told that this young

T.

William Miller ably uphold the proud tradition and won the high esteem the deep respect and the close friendship of all No longer will the Miller

door of his modern store is cultural centre and has been closed to the public he so dearly farmers of the area and

door of his modern store is closed to the public he so dearly loved

Mr Miller has retired from business His house has been built by the young and old family from the hole of his wife robbed him of much m life and now peacefully within a short distance of her last resting place

In Dungarvan he will missed by rich and poor As a business man he had few equals and as a firend he was above all ast resting place

He helped many in life and now helped many in life and as a firend he was above all the helped many in life and has been business man he had few equals and as a firend he was above all wherever he many trais in his path he never lost his spirit of joviality.

Wherever he may roam he where we he may be and those of the people of Dungaryan — where he will always and those of the people of Dungaryan — where he will always and those of the people of Dungaryan — where he will always and those of the people of Dungaryan — where he will always and those of the people of Dungaryan — where he will always and the content of the area and students of the Co Waterford B C Ore was a warded that he deal before the Co Waterford a point the policy of the content of the cappolity of the cappolity of the content of the cappolity of

the hall won him the admiration of the Young farmers, the
Department and the rivers, the Department and the young apprentices Twelve apprentices ful. Results — TWAS A GLORIOUS VICTORY were released from their emwere selected for the course and **Dungarvan Swimming Club**

Adult Education Courses The following letter has been

As there will be great disappointment in many centres better, the course was ideal, and which expect courses to be conthe crowds attending eclipsed tinued or started by UCC, I ly after the last race the rain financial inability. The annual Advertising. started and continued without grant of £2,500 was found to be a stop, for the remainder of the insufficient to enable us to have 17 centres The Govern- It works both ways.

ment was good enough to grant us £4 000 this year to enable us to get almost out of debt We have however, been notified that next year the amount will be reduced to £2,500

Accordingly all we can under-take—by effecting certain economies—for the session beginning next October is to carry on the following eight second year courses -Social & Economic Science (Trade Union Course) Tralee Social Study Cork Charle-

ville Listowel Social & Rural Science (Far-ners Course) Cahir Clonamers Course) kilty Hospital Social & Home Science Coachford

We are regretfully unable to start first year courses in any existing or new gentres Accord ingly we have to refuse the following applications, at least eight of which we had hoped to accept Trade Union Course Cork and Limerick

Social Study Tipperary Skibbereen, Waterford Mallow ClonmeL Farmers Course Abbeyfeale Kanturk Fermoy Dromcollog-Softball Singles County Cham-

her Thurles
I trust that this public announcement will convey our apologies and regrets to the twelve centres whose applicatwelve centres whose applica-sented the Mount Sion Club tions we are forced to refuse We also give notice that we shall be unable to hold the week's course for Rural Execu-

week's course for Rural Executives next year

The difference between our request and the Governments grant is only £1,500 a year But it involves a serious limitation of our work for Adult Education. Those interested in this pioneer movement and in particular those affected by our compulsory refusals may perhaps—through their Urban Councils Vocational Education. Committees Trade Unions and times at times a bit perplexing he always had the game under control. We take this opportunity of congratulating Ned tunity of congratulating Ned on his grand win in the final and in being true to the County Boards choice when he was picked to represent the County Boards choice when he was picked to represent the County more on Friday night last, August 1st was a much greater success than the previous week Tramore beat Lismore in the Senior Softball Doubles Confidence on the same day and those London Denny and Francis USA Bridget and Mary Stack Kelly family

Ceili—Another Great Success Ceal held in the Town Hall Lismore on Friday night last, August 1st was a much greater success than the previous week This goes to show that the Ceilis have once again come same venue on the scores 21-20 Committees Trade Unions and same venue on the scores 21-20 Rural Organisations—be able to secure the financial and which were Garda O Connell and J were quite noticeable Pleasure we have failed to obtain
ALFRED O'RAHILLY,

President, UCC, 25th July 1952

The least costly and the most effective cosmetic of all is a good quality soap and plenty of clear soft water It is well-known to the experts that skin AN ALL-IRELAND RATE
PAYERS MOVEMENT

(To The Editor)
Sir —Will you allow us—members of the Kildare Ratepayers' bers of the Kildare Ratepayers' the air has a high moisture content

known to the experts that skill why needs moisture That is why are complexions generally are clearer and wrinkles fewer in countries such as ours where the air has a high moisture the Sacred Heart Confraternity will be held in the Parish to be held on Saturday last

your paper to make a case for Moisture in itself however is will be held in the Parish not sufficient to remove dust Church on tonight (Friday) and impurities from the skin In a painful memory. In the contest between burdened ratepay-ters and free spenders this is only secretion which needs a the dead season. Before the fatty substance such as soon. the dead season Before the fatty substance such as soap Brennan which sad event ocstriking of the next rate there to remove it. If it is not remove, curred at the District Hospital the dead season Before the latty substance such as soap striking of the next rate there to remove it. If it is not remove to remove the film because the dead season because the cost of stays on the skin clogs the clog that the cost of stays on the skin clogs the clog that the cost of stays on the skin clog that the cost of stays of the clog that the cost of stays of the clog that economic position the cost of stays on the skin clogs the living may go up or down but pores and attracts further unless ratepayers make a stand rates will certainly keep going up. At this moment of writing larged pores and blackheads and blackhe it is probable that some County Needless to say this condition A native of Ballysaggart he was The pilgrims travelled from Lismore

something ought to be that the skin is fresh healthy Would it not be possible for plying those useful aids to sorrow
