WATERFORD TAKE POINTS IN NATIONAL FOOTBALL LEAGUE GAME

Waterford 6-9, Wexford 0-8
Dungarvan Gaelic Field on Sunday last Waterford took the points in the current National Football League in fine style by repeating their victory of last year over Wexford.

Waterford went into the attack with a great flourish and after T McGrath managed to send to Billy Kirwan, the Wexford backs came out to tackle the Kirossanty man Kirwan.

McCarthy and Tobin put Kilgobinet attacking against the wind from the throw-in but Aherne checked and play was returned to centre-field.

BALLYDUFF NEWS

Brilliant Pupils—Three Ballyduff young ladies, pupils of the Presentation Convent "Class A" School, Lismore distinguished themselves at this year's examinations. Miss Susan Cashin, Cahira, Ballyduff, obtained the Earl of Cork Scholarship, retained her £175 Co Council Scholarship and passed the Intermediate Certificate with honours in Irish, English, Geography, Science and Domestic Science. Miss Maureen Daly, Shean Ballyduff, also obtained her Intermediate Cert with honours in all subjects, and Miss Eileen O'Connell, who was retained her £175 Co Council Scholarship. We congratulate these brilliant young ladies on their achievements and also their splendid teachers. The Ballyduff League was a result of the Irish Classes held each Thursday by Mr Liam Ledy in St. Michael's Hall a branch of the Gaelic League has now been established in Ballyduff with Mr J. Hickey Chairman, Miss Imda Cullinane, Secretary, Mr R. Tobin, Treasurer, Committee—Messrs Liam Farrell, Tomas Barry, Lee Byrne, Misses Maire Power, Siobhan Kelly, Maire O'Connell, and Judge from the large attendance at the Irish classes a new enthusiasm has been engendered in the learning of our native language. We hope to see the knowledge obtained by the Ballyduff League in the ordinary salutations of the day being in Irish. As pointed out previously in this column a large percentage of the population is now fairly good in English. Gaelic, which is not able to converse freely in the language, but the old inferiority complex seems to operate to prevent them from making use of what they know. Let us hear no more of "good morning," "good day," "how re ye," etc when the fine old Gaelic salutations are known to all.

Whist Drive—The usual weekly Whist Drive was held in St. Michael's Hall on Saturday night last. Ladies—1st and 2nd prize divided between Mrs T. Cullinane and Miss C. Tobin. Half-time score—Miss R. McCarthy. Lowest score—Mrs J. Peeney. Gents—1st Mr T. Cullinane, 2nd Mr J. Daly. Half-time score—Mr M. Quirk. Lowest score—Mr M. J. Hickey, 2nd Mrs E. Hegarty. Big Whist Drive—As will be seen in our advertising columns this week a big Whist Drive with £20 in prizes will be held in St. Michael's Hall on Sunday night next Nov 9th. There is no need to enlarge on the popularity of the whist drives held in this Hall as its many patrons are well aware of how efficiently they are run. As on previous occasions tea will be served and prizes awarded.

Hunt Club—The West Waterford Hunt under Major Burke, held its first meet of the season at Ballyduff on Sunday, November 30th. Referee—D. O'Sullivan. Junior Football—Tourin v Dunhill at Dunganvar Sunday November 16th. Referee—P. Dalton.

Views of Our Readers. MINOR FOOTBALL WESTERN FINAL. (To The Editor) A Chara—Kindly permit me space to appeal to the County Council to have the final of the G.A.A. on behalf of the Cappoquin Minor Footballers. On Sunday, October 26th, we travelled to Dunganvar to play Abbeyside. The game was scheduled for 1.30 p.m. and as that time I arrived all players had gathered in the dressing room. The day was bad and I held them there awaiting the whistle to line up. At 1.45 Mr Parsons, a member of a club in Abbeyside Parish came in looking for Cappoquin umpires and informed us he was to referee the game. When the whistle went we lined up immediately. The referee then addressed both teams and urged us to play hard and fair. After fifteen minutes' play we appealed to him to give them full time but he was adamant and finally refused to allow the game to be played. The Chairman of the Western Board at a meeting in Cappoquin on Thursday night, gave a ruling that the Minor final be played on Sunday, November 9th. This ruling was based on a referee's report that both teams were late arriving on the field. I contradicted that report and state here publicly that it is incorrect. The report states that both teams were late arriving on the field at 1.40 p.m. If that were the case why was Mr Parsons looking for umpires at 1.45 p.m.?

On Friday night, the County Board, at a meeting in Dunganvar, upheld Abbeyside's appeal against the ruling of the Western Board Chairman, and awarded the game to Abbeyside. Now both teams were late and there was no game played. Why did the Chairman not uphold the decision of the Western Board Chairman for a re-fixture. I appeal strongly to the County Board to give these youngsters their rights and let them play the game they have trained for so long. The Minor of today are the Seniors of tomorrow. Let the Western Final be decided on the playing pitch, and not on the incorrect report of a referee, who was not even officially appointed by the Board and considered fifteen minutes' play sufficient time for a County semi-final. Is this fair. E. O'LONERGHAIN, Main Street, Cappoquin.

Local G.A.A. Man in the News in England—We record with pleasure the success of Mr Michael Hickey son of Mr and Mrs John Hickey, Barrack St., Cappoquin. Mr Hickey when at home played with the Cappoquin hurling and football club in the forward line where he was much valued and helped in no small way to win many games for the old Cornerstone. Some months ago he left for Yorkshire to take up an important position. Recently he travelled with the Yorkshire team to Leeds to play against Chesterfield in the County Final which they won and Mr Hickey played a good game in his usual grand style. Travelling to Leeds with him was Mr McCarthy of Tallow and their chief topic of conversation was about the Cappoquin hurling and football club. Mr Hickey on his success across the Channel and we are glad to see he is still so interested in the game. Wedding Bells—Cahill Murray. The marriage took place recently at SS Peter & Paul Church, Co. of Mr Gerald Cahill, Mill St., Cappoquin, son of the late Mr and Mrs Patrick Cahill and Miss Nora (Lolo) Murray daughter of Mr and Mrs Michael Murray, Norris, Cappoquin. (cousin of the bridegroom) was best man and Miss Elizabeth (Betty) Murray, Dublin, (sister of the bride) was bridesmaid. Many guests were entertained at a reception held in the Hotel Metropole, Cork, following which the happy couple left for Dublin on their honeymoon. The newly-weds were the recipients of many gifts and received good wishes for their future happiness and prosperity. Mr C. O. Stanley on TV. Advisory Committee—The British Postmaster-General Lord De La Warr, recently announced the names of the newly formed Television Advisory Committee, and for the first time there is represented on this Committee a prominent Irish industrialist and a well known Cappoquin man, Mr C. O'Sullivan, C.E. Chairman of "Sunbeam-Wolsey". The Committee terms of reference are to advise the Postmaster-General on the development of television and sound broadcasting and to advise on all matters relating to the general public. Blood for transfusion is in constant demand in all hospitals and if it is not available when required the last hope of life for the patient has vanished. It is for the purpose of having stocks of blood available when required that the National Blood Transfusion Association with their team of experts and technicians are travelling all over the country in quest of voluntary blood donors in an effort to keep their blood bank full and to be in a position to supply it to the hospitals when required.

It is insured that the amount of blood approximately one pint taken from a person does not harm nor causes loss of energy and the Association accepts full medical responsibility for anybody donating blood. Anybody who is willing to become a blood donor should give his/her name to the National Blood Transfusion Association, Pelican House, 52, Lower Leeson St., Dublin, or to the Branch Secretary, Irish Red Cross Society, Dunganvar, as soon as possible. Further information as to what is required of prospective blood donors may be had on application from either of the above-mentioned.

G.A.A.—On Sunday last at the Gaelic field, here Tourin beat Kilgobnet in the Western hurling football final. It was very hard for the players to make a good show as the weather was anything but favourable. A very strong wind was blowing and was accompanied by gusts of rain. The final score of 1-3 to 0-2 in favour of Tourin may indicate an easy victory but this was not the case. Tourin a big, heavy team, were too much for the light, footed Kilgobnet. Under the prevailing conditions had the day been calmer public opinion maintained that the result would have been quite the opposite. We congratulate winners and losers on sports day and hope that the Tourin men will be successful in the County Final. See front page for full report.

Grand Entertainment—A Grand Entertainment will be held in the Happy Home, Lismore on tonight (Friday) Nov 7th at 8.30 p.m. The entertainment will be in aid of the Lismore District Nursing Association. Play will start at 8 o'clock sharp, and will terminate at 11.30 p.m. All patrons are asked to be on hand at 8 o'clock. There will be no first rounds played on the night of the finals. All who intend to participate in the Drive are asked by this Committee to play their first rounds on Sunday night next and so avoid any disappointment. The night of the finals—November 16th.

We expect that all the card-playing community of Lismore and district will turn out in big numbers on Sunday night next to support this deserving club. For full details see advt on front page.

National Monuments Advisory Committee

The monthly meeting of the National Monuments Advisory Committee was held in the Courthouse, Dungarvan, on Saturday, 25th October. Present—Mr N Whittle (Chairman) T Breathnach (M. C. Creigh) M O'Murchu. M de Brun Secretary to the Committee was also in attendance.

Memorial Map
The Secretary reported that he had written to An Bord Fáilte regarding the Canon Power Memorial Map asking for financial assistance in order that the Map could be produced in colour. The Board replied that they did not consider that such a proposal came within the scope of their function under the Tourist Traffic Act 1952. The Secretary was instructed to write again and point out that the Committee were of opinion that a Map setting out the major objects of historical interest in the County should prove as useful a means of indicating the location of historical objects as any other.

Arising out of this matter Mr Whittle said he expected to be in Dublin within the next three weeks and that with the Committee's approval, he would call on Bord Fáilte authorities and Department of Education, and put up a case for their co-operation in the map project. This was agreed to.

Mothel
The matter of a caretaker for the Holy Well site at Mothel was discussed. It was agreed that only one person should be adjacent to the site would be satisfactory.

The Secretary was instructed to put the Committee's recommendation before the County Manager.

The matter of a slight alteration in the fencing to permit the access to the stream (from the well) from outside the railing was referred to, and the Secretary was instructed to communicate with the Assistant Engineer who had charge of this job.

O'Kite's Church
Arising out of a report received in August from Mr Norman Walsh, M.C., regarding the condition of the proposed site, the Secretary was instructed to recommend to the County Manager that one of the Assistant Engineers be directed to examine the old Church ruin and report on its condition and what repairs were necessary to maintain it in its present state.

Gravayards
In view of the expected home-coming of many of our exiled brethren during the next year, the Committee appealed to all parish and local councils to include the conditioning of graveyards in the general scheme of preparation in connection with An Tostal.

Correspondence
The Secretary reported that he had received a letter from Mr F C Ahearne N.S., Principal Passage East N.S., signifying his willingness to cooperate in the proposed essay competition on Geneva Barracks. The latter informed the Committee that the entries would be forwarded in due course. The Committee expressed their deep appreciation of Mr Ahearne's kind offer.

No reply had yet been received from the other school approached regarding the Essay Competition. It was decided that the prizes should be for first and 10/- for second prize.

In regard to An Bord Fáilte's letter requesting details relative to National Monuments in the County the Secretary was instructed to write and inform the Board that the assessing of the problem of sign-posting of these monuments would take some considerable time.

The Committee Members agreed to draw up a list of such monuments for next meeting from which a comprehensive list of the most important ones would be prepared by the Committee for the information of the Board.

The Secretary reported receipt of eight further pamphlets on local archaeology and kindred subjects from the County Librarian. He was directed to write thanking the County Librarian.

County Waterford Libraries Committee

A meeting of the County Waterford Libraries Committee was held in the Courthouse, Dungarvan, on Monday, 20th October. Present—Mrs M G Moloney Chairman, Mrs Condon, NT Messrs M J McCarthy, M O'Hara BA.

Arising out of the minutes of the previous meeting the County Librarian read a letter from the Minister for Education in which it was stated "A supplemental grant of £1,500 was provided this year. This supplemental grant was made on the explicit understanding that the normal £2,500 annual grant would not be increased but that the £1,500 should be devoted to clearing deficit, and that arrangements should be made to conduct the courses in future without again running into debt."

An interesting discussion ensued on the financial aspects of the University Extension courses and on the great utility of such courses.

Report on Athlone Conference
This report having already been circulated to members of the County Librarian explained to the Committee that he believed something positive would now be done towards forwarding the enactment of amending legislation to remedy the defects in the Library Act of 1947. He said that the Library Act of 1947 had not been maintained even if grants-in-aid were made.

Mrs M G Moloney said they should congratulate the County Librarian on the very fine paper he had read in the Library Advisory Councils which had entailed much research work and labour.

British Or American Imperialism
Mr O'Hara remarked on some recent additions of American books to the juvenile section and asked the County Librarian if they were cheaper than English ones. The County Librarian stated that the binding was stronger and that they were a change from the Union Jack and British Imperialism.

Mr O'Hara argued that from the contents of some he had examined they flew the flag of American Imperialism.

The County Librarian agreed that this was the case. Therefore there was no way out, in this particular type of adventure book (except to publish in Ireland) and provide our own children's books.

Resolution of Sympathy With Very Rev Canon Hearne
It was proposed by Mrs Moloney seconded by Mr O'Hara, and passed unanimously—That the members of the County Waterford Libraries Committee offer their heartfelt sympathy to Very Rev M F Canon Hearne, P.P. Cahir, on the sad loss he has sustained by the death of his brother Mr Richard Hearne, Waterford.

The County Librarian said he wished to associate himself very particularly with this vote of sympathy.

The Orders made by the County Manager since the last previous meeting were available for inspection.

TALLOW AND ROUND ABOUT

Holy Souls Remembered

The Church of the Immaculate Conception, Tallow, was the scene of a grand display of Catholic fervour from mid-day on Sunday, until late on Monday night, when huge numbers of the faithful visited the Church to gain the Indulgences applicable to the Holy Souls. On Monday morning there was a large congregation present at the Requiem Mass. A large number of whom approached the Altar rails in honour of the dear departed. Despite the trend of the modern world the dead departed are not forgotten, and this is especially so in the case of the Holy Souls, and whatever else we may forget—the dead should not be forgotten, at least during the month of November. So let us resolve in this the first week of the month, that not only during this month, but every day of our lives we will at least say a short prayer for the Holy Souls and we can be assured that they will not forget us—and the Holy Communions we offer up this month, will be repaid a hundred fold when we cross the great divide.

Monthly Fair

The October monthly fair held on Friday last was another huge success as could be gleaned by the exodus of stock by road and rail which aptly demonstrated the volume of business transacted. There were large stocks of beef and sheep in demand—and changed hands at exceptionally high prices. Sprites and in-calls were not as brisk as usual but the majority on offer were in plentiful supply, nevertheless the majority changed hands at remunerative prices. Arrangements were all that could be desired every facility being available for buyers and sellers. 31 year olds made from £47 to £65 each according to quality, 2 and 2 1/2 year-olds made from £34 to £45, 1 1/2 year-olds made from £22 to £30, Springers from £20 to £40, 250 Lams £5 to £8 5s, Hoggets £6 10s to £7 5s, Store pigs £6 5s to £9 10s, Smaller 4 £5 to £5 10s.

Wedding Bells

The Church of the Immaculate Conception, Tallow was the scene of a pretty wedding on the 30th inst., when two popular members of the community were united. The contracting parties were Mr Thomas O'Sullivan, West St. Tallow, and Miss Bridget Roche West St. Tallow. The ceremony with Nuptial Mass and Papal Blessing was performed by Rev M Condon, C.C. Tallow. The bride wore a cherry tulle ensemble with black accessories, and was attended by Miss Mary Beecher, Colaogau, Conna who wore a beige colour ensemble with red accessories. Mr Patrick Curley, New St., (nephew of the groom) was best man after the ceremony a reception was held at the home of Mr and Mrs C Curley, Chapel St., (sister and brother-in-law of the groom) and the happy couple, carrying out their honeymoon, carrying out their best wishes of all for their future happiness. Both bride and groom were the recipients of a huge number of valuable and serviceable presents to mark the happy occasion. With their many friends we join in wishing Mr and Mrs O'Sullivan every success prospectively and happiness in the matrimonial sphere.

Recall of Rev Pops Diocese

The recall of Rev Pops Diocese—The recall of Rev Pops Diocese (Hexham and Newcastle diocese), England, and his appointment as C.C. of Kilrossanty, will be welcomed by his many friends in Tallow and Round About. About Son of the late Michael and Mrs Beecher, Main Street, Tallow and brother of Rev John Beecher, Glasgow, Rev Fr. Kilrossanty has been received with pleasure by all—and all join in wishing this zealous Sagart every blessing and success in his new home. A keen Gaelic supporter his advent should add further enthusiasm to this great Gaelic stronghold.

Irish Classes

Irish Classes—Irish classes under the auspices of the Co. Waterford Vocational Education Board, and sponsored by the local branch of the Gaelic League opened at the Temperance Hall on last Friday night and will be held every Friday night for the next few months from 8.15 to 10 p.m. A special appeal is made to all to avail of the excellent opportunity offered hence it is hoped to see a large attendance present every Friday night from this forward. Next to our faith comes our language and we would indeed, be very lax in our outlook if we did not endeavour to acquire at least a minimum knowledge of our mother tongue. These classes offer an excellent opportunity to those who have recently left school to further advance themselves in the Irish language.

In the competent hands of Mr P. Terney, Lismore, parents and those attending the classes will obtain a very comprehensive knowledge of Irish and this also includes singing, dancing, etc. This is an opportunity that may hence arise again for some time.

Macra na Feirme Annual Dance—A wonderful success is the only apt description of the fifth annual dance held at Lisnabrin Hotel, Ballroom, under the auspices of the local branch of Macra na Feirme. Upwards of 20 couples attended, representative of Cork, Limerick, and Tipperary, while nearly every area in the Decies was represented. The scenes presented was a glorious one, the hall decorated and lighted, the delightful dresses of the ladies

Presenting a riot of colour

(Faded more colour of the men, and it could only be described as a scene from fairy-land—colour being the keynote and one could not help admiring the lovely creations of rainbow hue, (and between you and me, if many a manly heart got lost, don't blame him, 'twas in the air) Arrangements in the hands of a very competent committee, with Mr Sean Barry, the efficient Executive Secretary, the helm, left nothing to be desired—nothing being left undone to assure the maximum of enjoyment and dancing for all. Highlight of the night was the special engagement of Des Frowell and his orchestra, Salthill, who presented a specially selected programme of music and judging by the loud applause which followed each number, was much appreciated. Colouring arrangements in the hands of the Ladies Committee was perfection itself, and all were loud in their praise of the delectable supper served up by the close M.C. Mr T. Roche, Chairman of the club) thanked the large assembly for their patronage, the members of the band for a delightful programme of music, and all for their help and aid, and last but by no means least, the members of the ladies committee for their wonderful catering arrangements. Despite a very large attendance the best of order prevailed and dancing continued with unabated vigour from the opening number to the grand finale, which closed with the National Anthem, thus bringing to an end a most successful and enjoyable night.

Pike Fishing Competition

An open pike fishing competition under the auspices of the Tallow Anglers Club will be held on the river Eridon, Sunday, Nov 30th and a huge number of competitors are anticipated. Entry is free and all are welcome. For further particulars see future issues of this paper.

Annual Masked Ball

As can be seen from the advertisement in this issue the Annual Masked Ball under the auspices of the Tallow Anglers Association, will be held at the Regal Ballroom, on Monday, December 8th, 1952. This is the first looked forward to night of the year and although almost two months hence, fancy dresses are already being thought out and planned by our members. The Serenaders Orchestra, so please tell your friends and note the date—Tuesday, Jan. 6th 1953.

Tournament Final Fixed

The Tournament Final fixed for Sunday next has been postponed as the teams taking part are unable to field out on Sunday, and the question now being asked is when will it be played as you may guess is as good as mine, but we will keep you in the definite information will be available in this column next week.

Tennis Club Dance

The Tennis Club will hold a grand dance at the Regal Ballroom, on Monday, Dec 8th, when music will be supplied by the one and only Bridestide Serenaders Orchestra. This forthcoming dance promises to be a most successful one for the season, and all the highlights of the season, and all the dancing to be done in it. Former dances under the auspices of the Tennis Club have proved outstanding successes, and from reports to be had the coming one promises to be no exception. Although some weeks hence all through arrangements have been completed, and nothing is being overlooked to ensure its success. Note the date, time and place—Sunday, Dec 8th, 8th, Bridestide Serenaders 8 to 2 a.m.—Regal Ballroom, Tallow.

In Gaelic Circles

The hurling and football leagues are now Sunday and night fixtures. Wexford in football, at the Old Boro' on Sunday last, and it is hoped they will repeat this success in hurling at the same time on Sunday next. The hurling and football leagues give selectors an excellent opportunity of trying out new material, and on the Decies display against Tipperary in the Munster championship last Sunday many players were seen for the first time. Hence the time is now at hand for giving any promising young hurler or footballer a trial—and a test to the selectors. If the player in question does not hit the highlights on his first Sunday, remember his first match in inter-county ranks and no doubt he is suffering from the effects of the "big occasion" which will wear off after a few days. The player gains confidence and gradually gives of his best. During the past season many promising young hurlers have been seen in the junior championships and it is the opinion that many of these would at least be worth a trial, and it is hoped that a member of the Selection Committee is present at each junior championship match, so the look out for new blood. The selectors are not to be dictated to by the selectors, they are all competent men, but it is always advisable to be on the look out for new material.

Last Sunday the curtain was "rung down" on the Western Championships, when the junior football final was played, and we would like to offer our hearty congratulations to the four inter-county victors, thus bringing the "double" to the Lismore area, and the writer hopes at a future date to have the pleasure of congratulating the Tourin and Ballyduff fixtures of the County Championship to the West. It is a pity the championships are allowed to drag on so long, and as could be gleaned by the meagre attendance at last Sunday's Western Football Final, the G.A.A. Board are the losers. No use now talking about it, Tipperary, while nearly every area in the Decies was represented. The scenes presented was a glorious one, the hall decorated and lighted, the delightful dresses of the ladies

Motor Taxation 'Will Mean More Unemployment' Says Deputy Kynne, in Dail Speech

Deputy Kynne speaking in the Dail, on the increase of Taxation on cars and lorries said: "Deputy O'Reilly is anxious to know why we should hold a certain view in this matter. May be permitted to give him some idea of what actuates a Labour Man in relation to these proposals. I see very little in these proposals to commend them in the White Paper issued by the Department of Local Government. It is stated that with the exception of private cars, no revision of tax has taken place since 1926. That point was repeated by the last speaker to-day. It is not true that the price of petrol has increased during the past year as a result of increased taxation by the Minister of Finance? Is it not true that replacements and repairs are contributing more to the Exchequer by way of increased taxation this year? There is a further point made in the White Paper that the number of motor vehicles has increased from 1939 to approximately double. It is implied in that statement that the cost of maintaining the roads will likewise need to be doubled. If the number of motor vehicles has doubled between 1939 and 1951 then receipts from the tax on that increased number must also have doubled, so that we are not in a worse position, but in a better position owing to the increase in the number of motor vehicles on the roads. I feel that the roads and especially the bridges of this country were not made to stand up to the heavy lorries now being used on them. I could understand a case being made for limiting the weight of the vehicles on the roads, but I cannot understand why we should increase, in some cases, doubling it, the tax on heavy vehicles with a view to putting them off the roads completely. I can see very good reasons for doing that but if we intend to force lorries of an unladen weight of four tons or over on the roads completely because of the wear and tear on the roads then it should not be done by increasing taxation. It should be done by an Order giving warning that on a future date all such lorries will be forbidden the use of the roads. That could be justified as it would divert the heavy traffic to the railways and the four ton unladen weight lorries or those of a lesser weight could be used as a link to bring the traffic to the railways. The four ton unladen weight lorry and those of lesser weight are the normal lorries used in these areas. These are the vehicles which carry the goods and merchants in the small towns and villages require. But by putting increased taxation on the heavier lorries we are increasing the price of essential commodities and forcing it on the consumer on to whom the increase will be passed. I would support an increase of taxation on the heavier lorries but at the same time state all such heavy lorries will be off the roads completely. The Minister should remember that the improvements in our roads are not due to the fact that the roads are being used by lorries. A Deputy who is a member of a good deal of the improvement are due to the fact that we are catering for the tourist trade money to this country, it is only to be expected that the chequer should contribute to this means of inducing tourists to come to this country in the same way as the railways are being subsidised to keep them going.

The Week's 'Good' Story

The story is told of a Protestant clergyman who called his flock together to pray for rain during a prolonged spell of dry weather some years ago. As he looked down on the assembly, his face wore a clouded look and he said in a pained voice—ye men of little faith—why didn't ye bring umbrellas!

EAST CORK COMMENTS

Midleton Horse Fair
The annual Midleton horse fair which took place during the past week proved a great success. As many of the East Cork dealers did very well including Mr. James Griffin of Bleak House, Carrigrohilly, who disposed of a fine hunter which he purchased a few months ago from Mr. Thomas Treacy Killeagh. Mr. Treacy also secured prize in the Dublin Horse Show of the same horse Mr. James Griffin of Cootstown Dungourney, disposed of three valuable horses at prices ranging from £50 to £250. Mr. Donald O'Brien and Mr. Donal Mountainacke, purchased two good hunters. Both gentlemen are members of the Imokilly Hunt Club and are well known in the district.

Late Comdt. John Cuskery
The death has taken place at his residence Nedineigh, Dungarvan, of Comdt. John Cuskery at a rather early age. The late Comdt. Cuskery was one of the principal leaders in the 2nd West Cork Brigade during the Column under Comdt. General Tom Barry. He took part in the best and most successful operations against the British forces during the glorious fight for Irish freedom with Michael, Crossbarry, Ballinmichael, Rossbarry, Dunmanway and Newcestown. A number of his old L.R.A. comrades are to be seen at the West Cork battles are residents in the East Cork including Captains Sean Wrenn, Clonmull, House, Dungourney, and Timothy Corcoran Old cork Lisgould.

A meeting of the Lisnabrin hurling club took place during the week. The following officers were appointed: Chairman, Rev. Fr. Glavin, C.C. Inch; P. O., Hon. Sec., and Treasurer, Mr. J. Treacy; Hon. Sec., Mr. O'Brien, J. Kennedy, M. Treacy and J. O'Brien.

Sec. of the Lisgould Club to deliver a lecture on the subject of modern farming on the occasion of the club here and also Jerome Griffin of the Dungourney Club, both are amongst the leading lights of the organization in East Cork.

Transfer of a popular Garda Officer—The resignation of Garda Curragh regret very much the departure from their midst of Sgt. Charles Eddie who for a number of years past was in charge of the Ballinacorney Garda Station during which time he proved very amenable officer. He came to Ballinacorney from Killeagh, where he had been in charge of the Station here for a long number of years. His departure from both centres was greatly missed. Sgt. Eddie has taken over charge of the Mallow Station since Friday, 31st inst.

Books Worth Reading

(Suggested by Thomas Tobin)

Six Ideal Winter Companions
—Now that the cold dark nights of winter are with us again, the favourite pastime is to look at the fire. From the latest list of new titles on the bookshelves, I have selected the following five which meet the tastes of all readers.

A story that is deeply interesting in every chapter and full of penetrating feeling is **THE MAROON** by Cunliffe Owen (Robert Hale Ltd at 10/6). It is a story of the West Indies to-day the story of a Manchester clerk's fight to reform to educate, to control and systematize the lazy carefree irresponsible negro. The struggle is focused in a young negro who came from the bush and educated in England in turn first in one direction then in another by the conflict of ideas, passions and loyalties. The story is full of drama and is well told. A keen human interest is delightful.

THE ULTIMATE SHORE by Charles Mitchell (MacDonald at 9/6) is a book of unusual interest. It is a romance of the complete world. An orphan is adopted by a rich industrialist whose signs of a good singing voice and eventually breaks through the barrier. The success achieved did not come without a price. The author is presented as they are by a brilliant author make the story thoroughly enjoyable. At times the book is so convincing that the reader will find himself pondering the many problems presented in the story.

An advertisement appeared in a newspaper which was advantageous to the person being advertised. The person in reply this person was Mark Parlett and as a result his nephew set out to find him and give him the good news. His search took him to a small village where he interviewed his uncle's wife. He was told a strange tale so strange that he returned with an Inspector from Scotland Yard. This forms the background to **W H Lane Crauford's** **MURDER OF A DEAD MAN** published by Ward Lock at 9/6.

For the lover of a mystery, no one could ask better than this story for the questions raised therein provide an absorbing story that will hold the reader from cover to cover.

A noteworthy success for the publishers Messrs Robert Hale, Ltd is **FRANCEISE D'FAUBONNE'S A FLIGHT OF THE FAUCONS** published at 12/6. The story of a past age cannot fail to thrill the reader as it tells of four oddly-matched men who swore to travel the world together in the late 16th and early 17th centuries. Their vow was to remain loyal to each other and find the freedom and salvation which they had been denied in their native lands. The story is beyond words of praise—it is truly a classic which will find a place where there are lovers of good writing. The original French version of this book won the Grand Prix des Lettres Gris financially the most important literary prize in Europe.

THE MIRACLE OF LENAIRE

By Dorothy Mackinder and published by MacDonald at 9/6 is a novel set in the poor and backward village of Lenaire in France where one man holds all others in a grip of fear. A young girl whose strange tale upsets the drab life of this dying village provides material in abundance for a struggle that reaches a dramatic climax may well be regarded as her finest and certainly one of the most entertaining stories of 1952.
