WANTED—A FAIR DEAL overrants investigation by some Quite recently I purchased an capable person What a pity that such an important link with Ireland's with one exception without doubt its service with one exception refers to That one exception refers to Councils could get together and local interference Readers way up to the memorial. I don't are condemning the attitude of the Government past and provide a reasonable path-gressnic in this respect, but it wided All I would ask, on bally of the Irishmen of that Important link are as serious beyond be cleared so as a fallen between the local clubs to do the same they brought home the last mean of the same they brought home the last in the laurels to Blackwaters side locatine even in our own belowth country cannot be too highly emphasised, and they thrilled us with pride was upon the provided country cannot be too highly emphasised, and they thrilled us with pride was deeply impressed with all that Fr Paul had to say they fought side by side. To Tom and Dick Doocey fair gramme to the Convent Building France of all by way of allocating an entire provided way up to the memorial. I don't are one exception of Radio Eireann of all own eight and they brought home the laurels to Blackwaters side locatine even in our own belowed country cannot be too highly emphasised, and they thrilled us with pride was they for highly emphasised, and they thrilled us with pride was deeply impressed with all that Fr Paul had to say. They fought side by side they fought side by side. To man Dick Doocey fair merits are due, from every tussel they for a moment suggest that a pathway of allocating even in our own belowed country cannot be too highly emphasised, and they thrilled us with pride was they fought side by side. To man Dick Doocey fair merits are due, from every tussel they for all country of allocating an entire provision of all obstinctions. The fourth was of the fourth was WANTED-A FAIR DEAL warrants investigation by some question be cleared so as a fallen Last Sunday night I tried to patriot s comrades may be listen to Provincial News Round- afforded the opportunity of honup on Radio Eireann The in- ouring his memory and offering

up on Radio Eireann. The inouring his memory and offering his seat after a period of illness
terference caused by some fellow blabbing away without a
thought of giving his tongue a
rest and the blaring of trumpets
was so bad that Radio Eireann
was so bad that Radio Eireann
The inouring his memory and offering his seat after a period of illness
for the peaceful repose
for a week having collapsed
representing his constituents in
Dail Eireann.

It is with pleasure we record was completely pushed off the

I had looked forward to," The Trial of Robert Emmet Michael Mac Liammoir and Hil-ton Edwards but there wasn't a hope of hearing this fine play As usual I had to fall back on at the C.S.M. Ballroom Clonea even if you do usually kick up a the B.B.C. Light Programme proved to be one of the most row."

I'm no expert on radio but successful of the year. To the surely I am not unreasonable in surely I am not unreasonable in music of Mick Delahunty and stating that the Irish Governia or dancers from all ment should take some action in over West Waterford thoroughly the matter Why should Radio enjoyed themselves Organi-Eireann take a back seat to a sation could not have been betthe case today that our leaders word of tribute is due lack that old spirit that made them what they are

serious annoyance Since I first taken at the C.S.M. Hats off, wrote on the subject several people have drawn my attention of using paper patterns of tables people have drawn my attention of using paper patterns of tables for they won out the final tot to the interference in their own so as to make use of every available inch of space — the idea waterford's Crown, certainly proved the answer to Oh we first met the Rovers up

A FALLEN PATRIOT PRESS and to the author, Major case For awhile all parties Florence O'Donoghue, on giving were worried but there was little us the story of Liam Lynch, anyone could do about the book-IRA Chief of Staff entitled ings and consequently all rallied to the support of each other cation of such stories is long over due for it has to be admit over due for it has to be admitted with regret that young Ireland of today knows very little
of the part their fathers played among the souvenirs of many in securing the Independence of When I entered the hall, one of their country

their country

It is of interest to record in this column that a few weeks ago accompanied by a number of Dungarvan men I set out to photograph the Liam Lynch memorial high up on the Knockmealdowns outside Newcastle It was a journey I will never forget A few miles outside Newcastle I parked the car at the flag of the Young Farmers' still eccupying its place of honour on the wall Splashed across It was the banner of Touraneena I C A. With the cooperation of Con Dempsey and Mrs McCann and many others I soon had a representative group of both organisations together beneath their emblems foot of the mountains and and my camera recorded the castle I parked the car at the gether beneath their emblems foot of the mountains and started making enquiries I called on two residents of the area asking them to show me the easiest way of getting to the memorial One of them was an old man of about 70 years while the other was about 30 years of the content of the could tall cent. Who plays the closure is me what I wanted to know In now a veteran musician and a fact they could not point out good one One of his solos exactly where the memorial which I took particular interest was They both knew it was in the mountains somewhere nearby but no more Both had visited it once in their lives only I spent sometime taking stock and finelly located what and finelly located what and finelly located what and finelly located what are and finally located what appeared to have been a pathway Like many others in and With my companions I decided around Dungarvan it is with to take a short cut in the hope pleasure I look forward to the of reaching the pathway about forthcoming production of "The half-way up the first hill. It was gruelling Eventually we reached what had once been a pathway It was how strewn with Gregoria and Maria Martinez rocks and completely overgrown Sierra should prove the greatest and there was no hope of using achievement of the local talenit We had to stick to the mounted players and from my own tain and with fraoch and ferns observations I have no hesitato cut through I can safely say tion in forecasting this that it was the toughest assign- Players have been very

sharp angle as can be seen by anyone who cares to vist the memorial or from my photographs. Whether there is any danger of it collapsing or not, I tribution to the two Convent could not venture to suggest, but I would say that the matter greater and now it is up to all

DUNGARVAN YOUNG FARMERS ANNUAL DANCE

AND ICA DANCE A MONSTER SUCCESS The annual dance of the Dun-garvan Branch of Macra na Feirme which was recently held be hard to carry on without you,

At the supper, arrangements were successfully carried out for On the last fight is over and On top of this we have what catering for 220 persons at a is called local interference and time—which was I understand, a good many people suffer this the most glgantic task under-

recorded that it is bad everywhere As far as the Department of Posts and Telegraphs is concerned no action will be taken legally to put a stop to it and apparently the Miniser is not really worried whether we hear Radio Elreann or not lt might do no harm if our T.D s united in demanding at fair deal for all Irish radio-reception licence holders who at the present time are finding it exceptionally difficult to listenin to their own national radio in to their own national radio.

might have the impression that But we routed them scoreless in there were grave objections to the clash of dates let me make Congratulations to the sunday it clear that such was not the

the first things to catch my eye,

None of them could tell cent who plays the clarinet is

THE WAY

Like many others in and around Dungarvan it is with

that it was the toughest assignment I ever tackled

It was with relief I spotted the Round Tower way over the hills We had been over an hour and a half making the climb and as I went along I photographed the changing scenes Believe you me, when I say the pictures tell their own story The journey to me was worth while for I came across an unusual sight which I recorded and which was published far and wide The Liam Lynch memorial which stands where he was mortally wounded is finely built and is in actual fact Ireland's leaning tower It is leaning over to the north east at a sharp angle as can be seen by portunity of so doing and it is night to the endorsement of all Dungar-van people who have an opportunity of so doing anything the sadded have
