WAR HERO WITH DUNGARVAN CONNECTIONS
From a well known American newspaper I take the following story which is of special interest to our many readers.
It concerns the first cousin of three well-known Dungarvan men Messrs Paddy Willie and Mickey Lyons.
As this is not the first time Sergeant Grant has made his way into my column most readers will not regard him as a stranger and I feel they will join me in congratulating him and wishing him further success.

WO John Grant Awarded Silver Star For Korea
Warrant Officer JG John W. Grant 79 Church Street was awarded the Silver Star for gallantry in action in Korea on October 16th.
Grant, since promoted to Warrant Officer from the rank of Sergeant First Class, led his section in repulsing enemy counter-attacks against Chinese Communist forces in the Changyong sector of Korea.
Presently assigned to the 866th Aviation Engineer Battalion at Chateauroux Air Depot, France Grant served with the 2nd Marine Corps in the Pacific theatre during World II. He is also the holder of the Purple Heart, Bronze Star and Korean Presidential Citation awards.

The award citation reads as follows:
Sergeant First Class John W. Grant, RA6877286, Infantry, United States Army a member of Company A 23rd Infantry Regiment 2d Infantry Division displayed gallantry in action on 2 September 1950 in the vicinity of Changyong Korea. On that date Sergeant Grant was leading a heavy weapons section in support of several rifle squads engaged in a fierce fire fight with a numerically superior enemy force. During the ensuing action the rifle squads were forced to take defensive positions, but Sergeant Grant voluntarily remained in position although he was under constant enemy fire. He ordered his gun crew to remain in their foxholes and engaged the enemy with small arms fire and hand to hand combat repulsing several enemy attacks. He inflicted numerous casualties upon the enemy. Sergeant Grant withdrew his section to an area where other friendly units were preparing for a counter attack. He then assisted in leading a successful attack dislodging the enemy forces from their newly won positions. The gallantry in action displayed by Sergeant Grant reflects great credit upon himself and the military service entered into by his section from New York.

WATERFORD BAND—A HIT
From Cappoquin I hear that Hugh Dunphy's Waterford Band scored a big hit at the Boat-house last Sunday night.
Fast making a name for himself in the world of music Hugh is giving dancers their money's worth and from all I can see is here's demand.
Mrs wishing wishing him—more music" especially in the West Waterford territory.

WATERFORD G.A.A.'S BIG DAY
The County Convention of the G.A.A. will be held on Sunday next in the Friary Hall, when I'm told quite a few headlines will be made.
The election of officers is of course expected to prove the highlight of the day.
Whatever happens I hope that someone will stand up and pay an honest tribute to the officers of last year. Never before was the G.A.A. in Waterford in such a sound position and I doubt if we ever before had such a good spirit of progressiveness.
As I said whatever happens, let those men at the moment remember these things and at least give credit where it is due.
One thing I am hoping to hear someone speak on is—Co-operation among the Gaels which is something few stop to think about.
Best of luck to all candidates.

OUR SYMPATHY
Goes to Mr Jack Lyons Brooklyn N.Y. at the recent death of his brother Patrick which occurred in California, unexpectedly.
The late Paddy Lyons was a well known personality in Dungarvan—his native place, and will be remembered by his many old friends. He was a son of the late Roger and Bridget Lyons Dungarvan and brother of Mrs H Juarez and Mrs K Munsacker, both of the U.S.A. The late Mr Lyons was buried at Colton, California, in the presence of many exiles who came from far and near to pay their

respects to "a grand old Gael"—May he rest in peace.
Like all who knew him I too was shocked at the tragic death of Pat Barry of Ballyharrahan Dungarvan, which occurred during the week-end.
A great old favourite with a pleasant disposition at all times—Pat will be missed in many circles.
To his widow and family we extend our sincere sympathy.

THE MORESBY STORY PUBLIC MEETING IN DUNGARVAN

RECOGNITION OF THE BRAVERY OF THE VOLUNTEER CREW
A large and influential meeting of the people of Dungarvan was held in the Town Hall, on Monday evening.
Mr John Curran CTC was moved to the chair and nearly every member of the Town Commissioners and Harbour Boards were present.
On the platform were Major Maunsell J.P., Mr Banon Newel Mr J R Dower Mr R T Longan Mr J W Donohue Mr P Morrissey Mr Mooney Mr P Casey CTC Mr T O'Connor, T.C. etc.
The body of the hall was filled with the merchants traders and mariners of the town and district.
The Chairman who was received with long applause said that an influential requisition had been presented calling upon him as Chairman of the Town Commissioners to convene the meeting. They all regretted the great and awful visitation which had deprived so many families of their breadwinners and robbed so many homes of those who were loved and cherished. They could not but admire the bravery and courage which nerved the Dungarvan volunteer crew to risk their lives in an effort to save those poor people who were utter strangers to them. They regretted the heroic conduct of those men who would long be remembered—the brave crew that acted under Captain Veale and comprised Captain Slattery, Capt O'Grady honest Jack Leahy and a number of others. He could not at the moment recall (Applause)
Mr J W Denroche Hon Treasurer of the Lifeboat Committee in proposing the resolutions said that it was with feelings of deepest regret at the great calamity which had fallen upon so many happy homes and occurred in their midst that he proposed the following resolutions:
1. That this meeting desires to express its strongest condemnation of the conduct of the Ballinacorney lifeboat crew in refusing to go to the rescue of the ship wrecked crew of the "Moresey" on the 24th December and thus allowing twenty lives to be sacrificed.
2. That this meeting desires to place on record the expression of its hearty thanks and grateful appreciation of the noble and self-sacrificing efforts made by the volunteer crew from Dungarvan mainly through whose exertions five lives were saved and that the thanks of the meeting are also due to the two men of the Ballinacorney crew who assisted them in their efforts to save the lives of the sailors.
3. That this meeting would urge on the Lifeboat Institution the necessity of holding a searching inquiry into the causes of the neglect by which many lives were sacrificed and that a sub-committee be appointed to collect evidence and furnish the names of witnesses to the Institution.
4. That this meeting of the inhabitants of Dungarvan desires to convey to the relatives and friends of the men who lost their lives and to the mother of the late Mrs Coomber its sincere sympathy at the great affliction which has befallen them and beg to assure them that the people of Dungarvan of every class and creed share with them the dire calamity which has not alone brought desolation on their homes but has also cast a gloom over this district on the eve of Christmas.
Major Maunsell, J.P., seconded the resolution.
Mr Thomas O'Connor, T.C. supported them. He said that the men and boys of Dungarvan were as heroic as any men who had ever put their feet on a ship, and he was glad that they had at the risk of their lives upheld the honour of the town on this occasion. They had gone there at the twelfth hour, yet they had succeeded in rescuing five men from a watery grave.
The Chairman put the resolutions which were unanimously passed.

Waterford Board of Public Assistance

Meeting Adjourns As Mark Of Respect.

Tributes To Late Very Rev. Canon O'Brien and Late Mr P. J. Morrissey, Solicitor.

The monthly meeting of the County Waterford Board of Public Assistance was adjourned on last Monday on the suggestion of the Chairman Mr R Barron, as a mark of respect to the memory of the late Very Rev. T. Canon O'Brien, P.P. VF and the late Mr P. J. Morrissey Solicitor.
Mr D Hesklin, moving the adjournment proposed that the sympathy of the Board be extended to the Bishop Clergy and relatives on the very regretted death of Canon O'Brien, Dungarvan who he said had been a very able man and a great Churchman and Chairman of the County Vocational Education Committee. He also proposed that their sympathy be extended to the widow family and relatives of the late Mr Morrissey Solicitor, Dungarvan and said that it was indeed very sad to see a man taken from them in the very prime of his life. The late Mr Morrissey he said had been a friend of his as he had been a friend of everyone, and while his greatest loss would be to his widow and family he would also be a great loss to the people of Dungarvan and to the whole county as he was popularly known everywhere. He greatly regretted he said that the occasion had arisen for him to propose such resolutions. He also referred to the recent tragic deaths of Mr Geraghty Waterford and Mr Pat Barry Ballyharrahan Dungarvan and would extend sympathy to their relatives.
Senator J Butler said that the late Canon O'Brien had been well known to him and they had been great friends. Canon O'Brien, he added, had been an outstanding Churchman and a very holy priest who had devoted all his time to the spiritual needs of his flock and his passing so unexpectedly had caused great grief to the people of the Parish.
They had all known the late Paddy Joe Morrissey he said, as an outstanding man in his profession in Dungarvan and as Coroner for West Waterford and it was indeed sad to see such a young man taken away so suddenly from his young wife and young family. He had only been 38 years of age and passed away from them in his sleep and he wished to also extend their sympathy to the late Mr Morrissey's mother, his mother, their colleague Mr Liam Morrissey MCC and to Rev Fr John Morrissey CC Knockanore on the great loss they had sustained and he hoped that these expressions of sympathy would in some way lighten their grief.

Messrs Martin Cullen Tom Gallagher and P (Fad) Browne associated themselves with the votes of sympathy as did Mr Sean Glanville Acting Secretary on his own behalf and on behalf of the County Manager and Staff.
The resolution was then passed in silence and the meeting adjourned until next Monday.

WATERFORD COUNTY COUNCIL

Temporary Structures In Tramore To Be Removed
Unified Health Authority
Increased Cost Of Services
Provisional Road Works Scheme Adjourned

Mr D Leahy Chairman, presided at a special meeting of the Waterford County Council held in Dungarvan on Monday last Jan 19th. Present were Messrs M McGrath D Hesklin E Barron, Senator Butler County Manager the County Engineer M Mansfield J Fahey E Power J Campion T A Kyne TD T Kirwan, J Ormonde, TD Ald Wm Kenneally TD F Roche M Morrissey.
In attendance were the County Engineer S J Moynihan CC Secretary Mr J G Dowling CC Engineer Mr D Sheedy CC Assistant Engineer Mr J Ormonde and the various other members of the Engineering staff.

Joint Report Adopted
A joint report and recommendation made by the County M.O. the Council's Solicitor and the Town Planning Consultant that the necessary proceedings be taken to have the Temporary Structures in Tramore removed as recommended.
The report stated that the above mentioned officials carried out a survey of the Temporary Structures in Tramore of the 11th December last. They selected the following four as being the most objectionable and in need of removal as quickly as possible.
1—A timber hut in the vicinity of the Quarry on the Coast road.
2—A timber hut with felt roof at Tramore West. The Council is not certain of the name of the owner.
3—A temporary structure both of timber and concrete. Name of owner again uncertain.
4—Another timber hut owned by Mr Charles Walsh Shoemaker Waterford.

Having had some discussion on the matter, Mr J Ormonde proposed the following resolution which was seconded by Aid Wm Kenneally. That having considered the joint report of the three officials concerned, it was agreed and agreed that the necessary proceedings be taken to have the structures removed as recommended.
The resolution was passed.
Unified Health Authority
Mr J Ormonde moved a resolution on a letter from the Department of the Council passed the following resolution. That the Minister be informed that the Council is not prepared to consider the proposed Unified Health Authority for the County unless the increased costs of the service to be administered by such body be apportioned between the City and County on a population basis.
The County Manager agreed that the Minister would be interested to find out if the Minister would agree to the scheme on a basis of population instead of valuation.
The County Manager pointed out that what he could gather it would seem that this would be an argument that could well stand over.
It was agreed to find out what the Minister's attitude in the matter would be and the resolution as stated was unanimously passed.
Grant Under Gaeltacht Road Improvement Scheme Not Enough
Referring to the announcement that the Council would receive a grant of £5,000 under the Gaeltacht scheme Mr D Hesklin stated that in his opinion such a sum was not at all enough and they should make it the business to seek much more.
The Chairman agreed stating that he too felt it was totally inadequate.
After a good deal of discussion by the members of the Council the following resolution was unanimously passed—
"That the Council express their extreme disappointment that the grant of the Gaeltacht Road Improvement 1953/54 is so small had regard to the large mileage of important tourist roads serving the Gaeltacht areas in the county. We request that a grant of £20,000 be given as submitted in the report sent by the County Engineer a year ago."

Mr Hesklin was the proposer and Mr Hartly the seconder.
Employment Allowances Under Agricultural Grant
The following resolution was unanimously passed on the proposition of Mr James Mansfield. That a revision be made in the system of Employment Allowances and Primary and Supplementary Allowances under the Agricultural Grant with a view to increasing same consequent

upon the general increase in local rates in recent years."
Ardmore Harbour Improvements
The general scheme of improvements at Ardmore harbour is at present under consideration by the Department stated the Secretary when Mr J Mansfield raised a number of questions in connection with the present serious position of the harbour. He pointed out that rocks were proving a great danger to fishing and that every step should be taken to have them removed completely without delay. As they were seriously threatening the fishing industry in the village and in his opinion unless something is done soon they will be responsible for wiping out the industry there.
Mr Kyne spoke in support of Mr Mansfield and stated that while some may argue that the number of boats at present using the pier is small it may well be pointed out that this was not the case some years ago when the number was considerable. Mr Kyne said that the fact that the number had been greatly reduced all because of the danger of the rocks in the harbour and it was time to do something now. He also added that it was time too that someone decided just what they were going to do about the general scheme of improvements to which the Secretary replied as stated at the outset.

New Cove At Ballymacaw
Plans and Estimates etc had been received from the Office of Public Works for the proposed new Ballymacaw Cove which is estimated to cost around £16,000. A grant of 50% will be received.
Lismore Cappoquin Water Scheme
In connection with the Lismore-Cappoquin water supply scheme the following resolution was passed unanimously. That the Council hereby approve of the borrowing from the Local Loans Fund of a sum of £7,000 to meet the estimated preliminary expenses of the Lismore-Cappoquin Regional Water Scheme. The loan to be paid back over a period of 30 years.
Contribution To I.T.A.
When a request from the Irish Tourist Association for increased contributions, came before the meeting Mr J Quirke objected to the fact that details proposed the following resolution which was seconded by Aid Wm Kenneally. That having considered the joint report of the three officials concerned, it was agreed and agreed that the necessary proceedings be taken to have the structures removed as recommended.

The resolution was passed.

thing more needy.
Mr Hesklin suggested that the discussion on the scheme before them be held over for a few weeks until they see what the Government would give them in grants. He felt that in view of recent statements there might be a hope of increased grants. He also suggested that they should adjourn the matter anyway for they would need a full day to deal with it. This was the case in Cork he added and they should adopt the same policy here.
Mr Kyne said that waiting for the Government to tell them what they would give in grants would do no good for it was not likely that they would make a move until they do so generally as in previous years. He added that he was not at all satisfied that the money available in the past had been put to giving them the best value for it.
Mr Quirke and Mr Hesklin agreed.
Mr Hesklin stated that he would like to know for the next meeting what was paid out in wages to the roadworkers in the past year. Sometime ago he had heard that tar was shifted to Lismore by CIE lorries from Waterford and was later brought back again by the same lorries to the same place. He could not say if this was true but if it was then it was nothing more than an abuse of public money. He said that a lot was spent on buying tar and so forth and he would also like to know what was the need for all this stock-piling. He firmly believed there was abuse of ratepayers' money in buying tar while their workmen stood around holding up the street corners or while they boarded trains that took them far away from their homes and into exile. He would also like to have the reasons before him why it was that CIE was given the job of transporting the tar if there was a need for it.
Mr L Morrissey said that he had recently been told by a man that out of 40 empty tar barrels purchased from the Council by him he got enough tar to fill four barrels. Mr Morrissey was told by the County Engineer that each barrel of tar was worth £3 10s 0d.
In reply to this the County Engineer pointed out that this was the main objection they had to buying barrels of tar, it was absolutely impossible to completely empty them so that even if they were to do so it would cost far more than what the amount of tar was actually worth with the result that whatever they would do they would have a certain loss on their hands. He added that this was the reason why they were so keen on ordering the tankers.
A letter from residents of Brisker Kilrossanty was read seeking attention to the principal road in the parish. The road in question is included in the Provisional Road Works Scheme stated the County Engineer.
When the following resolution was moved by Senator Butler the County Engineer, pointed

Waterford Handball Board
The Waterford Handball Board held their Annual Convention in the Christian Brothers Schools, Dungarvan, on Sunday last January 18th. Delegates from nearly all the clubs in the county attended. Sgt Liddane was in the chair. Also present were—J Fahey Secretary and J Flavin representative on the Munster Council. Before the business of the meeting and on the proposition of the Chairman a sincere vote of sympathy was passed to the Bishop and Clergy of the Diocese of Waterford. The late Very Rev T Canon O'Brien. The Chairman a great exponent of handball himself in a lengthy address stressed the importance of co-operation in the sphere of the game and among other things exhorted those present to put the interests of the ancient game of handball always before that of the club. During his talk he offered some very sound constructive criticism also. Commenting on the standard of play in the championship he said that it was almost equal to the best in the country.
The Secretary's report was read and adopted.
The Chairman complimented Mr Fahey the secretary on his efficiency and enthusiasm and also paid a well-earned tribute to the various clubs and their secretaries for their great efforts during the season in promoting and popularising the game. In summing up he congratulated the County champions in the various grades and referred to Waterford's great run over the cream of Tipperary at Stradbally last year.
A number of motions were dealt with and the following officers were elected for the coming year—Chairman—Sgt Liddane; Vice-Chairman—W Fitzgerald; Secretary and Treasurer—J Fahey Representative on the Munster Council—J Flavin Representative on Co Board G.A.A.—M O Driscoll.

The P.L.s. reported on attendance and will finish at Troop Meeting Points will be given for attendance uniform tests passed the comfortable care of National League football clash with Tipperary at Dungarvan on Sunday. The visitors showed their superiority early in the first half and monopolised the play to gain the comfortable lead of 3 goals to 4 points to Waterford's 2 points.

Tipperary fielded a well trained fifteen perfectly fit while Waterford side could boast of but a few and this accounted for their defeat. It was a disappointing game all through the first half and it was hard to realise that this was the Waterford side that beat Wexford. There was little excitement in the play, but a tribute to the efforts of the Waterford goalie J. Loneragan would not be out of place. Under terrific pressure all through he gave a first-class exhibition clearing with certainty.

Brennan did much for Tipperary and played a really noteworthy game in the first half when he scored one goal and three points. Riordan, too, gave a good account of himself and registered a goal. Lamb also raised the green flag and Dunne had the point to give them their 11 points lead. Prendergast and Kirwan scored Waterford's two points. Kirwan did not reach his usual top standard however. In the second half Waterford took the offensive and seldom allowed Tipperary an opportunity of clearing the field. Tom McGrath opened up with a goal and Tipperary replied with another but another goal by Quaily and Tom McGrath was responsible for the remaining three points to leave the final score at 4-4 to 2-6 in favour of Tipperary. SPECIAL MEETING OF THE DUNGARVAN HARRIERS—A specially convened meeting of the Dungarvan Harriers' Point-to-Point Committee was held on Saturday 21st inst. in the absence of the Chairman Mr. M. Fives. Mr. P. I. Power, presided.

Mr. Power said it was our sad duty to express our deep sympathy at the passing of our beloved and saintly pastor, the late Very Rev. T. Canon O'Brien. He was an outstanding type of Irishman, a great churchman and never spared himself in the

interests of his flock. He was especially loved by the children of the parish and his sudden demise caused a great shock and sorrow to all.

Mr. Power then proposed a resolution of sympathy on his death which was seconded by Mr. T. Flynn and passed in silence.

A similar resolution was proposed to the wife and family of Mr. P. Barry Ballyharahan and to Mr. M. Fives, Chairman of the Point-to-Point Committee.

In proposing the resolution Mr. J. Lynch said it was too sad for words to think they were meeting so soon again after the shock of the lamented death of the late P. J. Morrissey to sympathize with the relatives of another great friend whose sudden death on the previous evening had cast a great gloom and sadness over the locality.

The late Mr. Barry was a thorough sportsman, he lived for hunting and he loved hounds. He was a great sportsman and a great fencer. He was a great damage done was a labour of love to him.

As judge at our annual Point-to-Point Races he was outstanding and we can easily realise what a sad blow it is to his loving wife and illustrious family to whom we tender our heartfelt sympathy. Also to our Chairman Mr. M. Fives.

In seconding the resolution Mr. J. Kiely M.H. said the late Mr. Barry was a great personal friend of his for many years. There was no better neighbour or a more kind-hearted man than one could meet. He will miss him very much as they did a share of facing together and even had a date made for a future race meeting.

Mr. T. Kiely M.H. in associating himself with the resolution said the late Mr. Barry was a great sportsman and a great mixer which made him a general favourite.

Mr. T. Flynn and others having spoken in similar terms the resolution was passed in silence. All members standing.

Dungarvan Harriers meet at Crough was cancelled as a tribute to the memory of the late Mr. Barry, Ballyharahan.
