Cappoquin Bacon Factory. To All Local Pig Producers

who died

On behalf of the many friends game

It's not sentiment to support your nearest Bacon Factory, but just sound COMMONSENSE,

Do you know that a pig slaughtered the same day, as received by a Bacon Factory kills out 2 lbs. more dead weight than if left over until the following day?

That means 4s. 8d. per pig at present pig prices So get wise and insist on a quick killing as do all Pig Dealers or large Producers.

We are open to take all local Pigs each morning, from Monday to Thursday up to 1 pm. for killing,

same afternoon at 2 pm.

We guarantee best Waterford or Cork prices So bring your pigs to us and eliminate that over-. night shrinkage that MUST occur if your pigs are, collected by distant outside factories for killing, the following day.
