Cappoquin Bacon Factory. To All Local Pig Producers

It's not sentiment to support your nearest Bacon Factory, but just sound COMMONSENSE.

Do you know that a pig slaughtered the same day as received by a Bacon Factory kills out 2 lbs. more dead weight than if left over until the following day?

That means 4s &d. per pig at present pig prices. So get wise and insist on a quick killing as do all Pig Dealers or large Producers.

We are open to take all local Pigs each morning from Monday to Thursday up to 1 pm. for killing same afternoon at 2 p.m.

We guarantee best Waterford or Cork prices.

So bring your pigs to us and eliminate that overnight shrinkage that MUST occur if your pigs are collected by distant outside factories for killing the following day.

To obtain top prices be sure and have your pigs under 1 cwt. 2 grts 7 lbs.
