a natural line of demarcation

There is ample evidence
that Decies once stretched further westward than the present
county boundary The taxation
of 1302 for instance places the
church of Kyleworth (Kilworth ') in the Diocese of
Lismore On the other hand
the adjoining territory for
Ui Liathain (Lyons) appears
to have pushed itself, as the Blackwater It is remarksble that the Diocesan and
County boundaries here do not
coincide Five townlands of
Cork County are within the D'ocese of Lismore while a corresponding number of County is

There is ample evidence
thing very memorable about the

Mr. Leahy—It wasn't there to anyway Harty-Well, we want no butter only our own Mr. Mansfield—It's just as stuff be consumed in Dublin where they have all the tourists

for milk

Mr Heskin said that there had been no need to import so much butter and if affairs had been managed properly there would be no chaos which they now appeared to be head in general to the supplied could be no chaos which that farmers could not switch in practice and a Treasure Hunty practice and a Treasure Hunty game was arranged for the rest of the Troop Clues to the in Dungarvan than a farmer at the pointed out that farmers could not switch they were at this we had a big from one creamery to another they were at this we had a big from one creamery to another the practice and a Treasure Hunty game was arranged for the rest of the Troop Clues to the Mackin and Seanie and while that farmers could not switch they were at this we had a big from one creamery to another the held that farmers should be no one found the Treasure not.

the country | would not be feasible | would not be feasible | Mr Heskin My argument is Mr Barron You could be the roll was called on wedness-that there should never have arguing about this until night were handed out and in future the whole Troop will be fully thing cuts both ways and the man with the good herd has as the poor milk

The discussion ended

Mr Harty said that the pecple of the country had never asked to have butter imported and the butter from New Zee.

On the proposal of Mr Hespand and all Scouts should help by kin it was agreed to ask the Department to fix the price of congrete New Zee.

On the proposal of Mr Hespand and all Scouts should help by kin it was agreed to ask the Department to fix the price of congrete News was at 35% per hand.

ECHOES FROM YOUGHAL

Accident oc-curred at Friar Street Youghal,

As I was a-walking one morning in May
I o hear the birds whistle and
see lambkins play
I espied a young damsel,
sweetly sang she
Down by the Green Bushes

The see lambkins of the clather plain face carefully
sweetly sang she

Canon Flynn PP Tallow, read the last prayers at the gravewhere she changed to meet side May she rest in peace

The see lambkins of the adthing on my face, and it made griffins odds who was declarmale member of the club and beautiful what would you ed the victor
plain face carefully following matches will be playing in May

To hear the birds whistle and manifestation of regret. To her call that Sean scanned her plain face carefully following matches will be playsweetly sang she

Canon Flynn PP Tallow, read the graveshe hanced to meet the gravewho happens to be the youngest male member of the club and following matches will be playing in May

To hear the birds whistle and manifestation of regret. To her call that Sean scanned her plain face carefully following matches will be playing in May

To hear the birds whistle and manifestation of regret. To her call that Sean scanned her playing the present week the following matches will be playing in May

Take To her call that Sean scanned her completely following matches will be playing in May

To hear the birds whistle and manifestation of regret. To her call that Sean scanned her completely following matches will be playing in May

of all our readers in this area we wish to congratulate Mr Colum Hough son of Fear Mor.
President of Ring Irish College
on his obtaining the Lalor
Foundation Award Mr Hough terested parties, the authorities car near their home as they agreed to the holding of two largest further Rural and Social Science Courses in the Court of Science Court of Science Courses in the Court of Science Court of Scien

Or that it lish t you like. So in a desperate endeavour You'll take you pen in hand But the darned thing will never move

For want of brain command If you have I now improre To show pity true for me

If this week my Gossip boies For it's dull I must agree would love to pen neweses. Full of interest and wit But my brain, so dead and useless

Wil not help me out a bit So tonight I've striven vainly To jot bright notes for you, But if I fail — then there's plainly Just one thing to do Hoping things improve next

But you will give a nasty ford Plough and Furrow, provented to the provented ford Plough and Furrow, provented to the provented form of the provented form week-end Whilst I proceed to fog my could achieve and what a large reserve of literary talent exist-

Atmospheric the Area In this seaside resort mrs Condon, NT, spoke of as in many other Irish sea the inestimable services which In the wards and on no account blow the nose account of the heaven where blow the nose are often tending to that heaven where blow the cut is small apolity tincture of iodine or Friars of the are ever with an antiseptic dressing and on account blow the nose all that we had says an artery may be cut signed.
