ANOTHER TRIP THROUGH MEMORY LANE

Having brought the beam of Spotlight to bear on the activities of the Old Dungarvan Choral and Dramatic Society in previous issues I do not think that it is too much to refer to just one other production by the talented ladies and gentlemen of Dungarvan during the time it was for the present generation to know that many of the older ones in their day were able to sing and dance as good if not better than anyone can do it today.

CONCERT FOR THE POOR IN DUNGARVAN

At the Town Hall, Dungarvan, on Friday night a very successful concert and dramatic entertainment was given for the benefit of the poor of the town. The programme was attended by a large number of people and the hall being packed in every part, and numbers had to be refused admission. The artists were all local, the first part comprising a concert while the entertainment finishing up with a representation of one of the Abbey Theatre comedies 'The Collier'.

LAND'S END TO MINE HEAD

Well now the heading to this paragraph might set readers thinking of long distances but the Land's End to Mine Head Abbeyside so popular for longer than I can remember. It was there on August 10th that Billy Hara the Courthouse, Dungarvan, put a corked bottle containing a message into the bottle which was to be thrown into the sea.

NA FIR LAIDIR

I was told lately of a contest in feats of strength and agility which took place in a field near the town of Dungarvan. The programme included a high jump, water jump, and a tug-of-war.

POPULAR

The songs which are re-printed in this column from week to week are a big measure of popularity with my readers. While we try to meet the tastes of all, there are possibly some readers who might require the words of a particular song.

PIERCE FOOTBALL

In all the years I have never witnessed such disgraceful scenes as those which occurred at the Gaelic Field, Dungarvan, on last Sunday in the game between Brickey Rangers and Kilrossanty 1st. Many others came away from the field utterly disgusted at such an exhibition of ferocity and inhumanity.

A TERRIFIC DOUBLE

G.A.A. FOOTBALL

UNRULY AND DISGRACEFUL SCENES CAUSE ABANDONMENT OF S.F. CHAMPIONSHIP GAME

Players And Spectators Fight On Pitch

That the G.A.A. and the Dungarvan Gaelic Field which has seen so many great games of the Gael in the past should be used as a scene for the scenes that marked the passage of the Senior Football Championship match between the reigning champions, Kilrossanty and Brickey Rangers on Sunday last was an utter disgrace and those responsible for the almost continuous series of incidents which culminated in a general encroachment on the pitch by the spectators where a free for all lasting almost half-an-hour ensued causing the eventual abandonment of the match should be utterly ashamed of themselves for dragging the name of the Gaelic Athletic Association and all that it stands for into such disgrace.

Sympathy With Member

At the outset the Chairman proposed that the sympathy of the Board be extended to Mr D Heskin on the death of his mother.

High Praise

A report from Deputy Kyne stated that due to Daal activities in recent months he was unable to visit and report on the County Home and District Hospital, Dungarvan, as appointed to do with other local members but availing of a free day on Saturday August 15th he visited both hospitals.

To Cost £138,000

With reference to the improvement and reconstruction of the County Home, Dungarvan, the following report from Messrs Buchan, Kane & Foley Architects was circulated.

In the consideration of the Scheme it is assumed that the existing buildings and children will be removed from the buildings and accommodated elsewhere.

Accommodation will therefore be provided for the following group (approximate numbers indicated):

Male inmates including chronic sick and aged—152 female inmates, including chronic sick and aged—88

Local—12 domestic staff (maids)—32 nurses—8 nuns—8 Resident Medical Officer—1 Porter—1 Total—302

The County Home Buildings comprises (1) front block (staff block) (2) centre block (County Home inmates) 3 rere block (chronic sick) and (4) a link building occupied by the Chapel between the centre and rere blocks. All the buildings are approximately 100 years old and in various states of dilapidation.

It will be appreciated that with the kitchen in its existing location adjoining the centre block the problem of efficient drainage of food to the rere block presents extreme difficulties. However by re-siting the kitchen in the link building between the centre and rere blocks it will be seen that food distribution to the various sections of the building and to the upper floors becomes exceedingly efficient.

It is therefore proposed to relocate the kitchen in this position and to group the various dining rooms around the kitchen as shown, i.e. male dining room in the position of the existing kitchen, female dining room in the position of the existing laundry, maids' dining room in part of the link building and nurses' dining room in rere-block.

In the conversion of the rere block it is proposed to provide a new corridor along the length of the building with ancillary accommodation (sink rooms, toilets etc.) on the North side of the corridor. The existing stairs and some of the existing cross walls would be removed to increase the ward accommodation in the window area of the wards on the South side would be increased.

The centre block is to be provided with an access corridor and stairways to the wards in the existing building, therefore the existing facade which will be re-ported. The ground floor is to provide matron's office, visitors rooms, recreation rooms, toilets and a ward for casuals. Male and female wards will be on the upper floors.

In the link building over the

new kitchen it is proposed to provide male wards on two floors which would be accessible from either the centre or rere block and in this position could be used for either chronic sick or ambulant patients as may be required.

It is proposed to utilise the existing bedrooms for male patients in block 2 in rere block and 2 in the hospital as ward space and it is proposed to plan separate accommodation for the nurses sited between the hospital and the county home, and in association with the proposed new chapel.

The new chapel, which becomes necessary owing to the re-siting of the kitchen would also be very suitably located where shown between the district hospital and county home. It need only be a very simple building with the minimum accommodation including a small sacristy.

A further urgent need is for a mortuary to replace the dilapidated outbuildings at present used for this purpose. The new mortuary might be provided shown grouped in association with the chapel.

It was agreed to insert the report in the minutes.

H A Increase Not Adequate

Arising out of the Abstract of Accounts for year ending March 31st last Mr Heskin said that according to his information Old Age Pensioners were being actually in their Institutions as they had to pay for their care and that he was glad to hear that.

Increase In Temporary Bonus

With regard to the proposal to increase the temporary bonus to the Board's employees the Acting Secretary said that the total increases would cost £4,850 but he was unable to say what amount of that would be recouped from the Department.

Mr Heskin having reiterated remarks he made at last week's County Council meeting on the same subject said that this was the wrong time for anyone to be looking for increases as the ratepayers were on the verge of a collapse. While he did not want to victimise anyone he said that he believed the people were capable of giving the ratepayers in their capacity to pay.

Circular To Patients

Mr Kyne referred to a circular which had been delivered to all patients at the District Hospital with regard to the payment of fees which were given at 6/- per day with £2 10s. a week added for medical expenses and extras for X-Ray etc. He said that these should not have been circulated indiscriminately but only given to paying patients as a lot of confusion had been caused as to whether there was a new system of assessing who was to pay and who was not.

Sympathy

On the proposal of Mr Kyne seconded by Mr Kelly a vote of sympathy was passed with former Board member Mr Larry Veale, on the death of his nephew, Mr Michael Morrissey.

Sympathy was also voted to the Quealy family on the death of Mr Andrew Quealy, MRCVS.

RAMBLINGS AND RECOLLECTIONS

Or A Journey Of Memories (By J. J. McGrath)

When I behold your mountains bold, your noble lakes and streams, A mingled tide of grief and joy well up from my brain rises. I think of all your long dark thrill, your martyrs brave and true. And dash apart the tear that starts. We do not weep for you dear land, we must not weep for you.

The above verse of the old schoolbook poem came vividly to my mind as I sat in the memory of the past, as I leaned over the iron railing around the Celtic Cross and memorial which marks the spot made sacred by the boyhood's blood of a brave young martyr who was shot murdered by enemy forces that young Irish Rebel soldier in whose memory this monument of limestone is erected, was James M. Quinn, from Youghal. The inscription on the monument reads thus: I nill cumhneam ar Seamus M. O. Cuain, Eochail do marbhadh ag Gallaibh 10, 1916, 1916 - 1916 a 19 bliadhna R.I.P. Oglah as Eochail a bhí na bhpoitneágh do thog an leach so trad.

There are indeed many such sacred spots on the roadsides of Ireland, and in the hills and in the glens to all pointing to the present generation and to generations to come, the stand made by our soldiers of the Republic in the cause of Freedom that should never be forgotten, that quiet lonely hill ground beneath the green hills of lovely Monaree and practically on the banks of one of our grandest and most scenic rivers - the Blackwater popularly called the "Black" - the hill of another grand old Irish song flashed through my mind.

My native hills are green beneath, My native water blue. But crimson red over both shall come the day when Ere I am false to you Dear Land, Ere I am false to you Young brave James Quinn was a native of Youghal town and from the spot where he bravely fell by the bullets from the enemy's guns - the British Marines - who were stationed a few miles away at Ardmore he met the last time the town he loved and where he spent his school days, and later on in life the scene of his preparations to become a gallant and brave soldier of the Republic.

Free, therefore, dear readers is this solemn which is not far from the lovely hills and national schools at Piltown - one of the many that have been erected in memory of the men - "Who were brave and true. And gave their lives for 'Roshin Dhu'."

And as I moved on from that sad and sacred spot, the words of his aged father, with whom I spent a portion of some years ago, came back to me like and echo of the past. When I spoke to him of his brave young son the father simply said with deep emotion "My glistening eyes have I am proud of him, suppose he was to die like that."

Full well may his father and the other members of his family feel proud of him and we too feel justly proud of him and of the many other thousands of brave men who have given their lives in the cause of freedom and who bravely gave their lives in securing that freedom.

It is sad today to think that many of our local history is fast fading from our memory and such is to continue even though partial freedom has been achieved still the names and stories of the brave and gallant heroes, who have helped to obtain our freedom will in a very short period be forgotten entirely. This wayside spot near the holy well of Moord Cross to which I will now take you is a fine practical form of the Celtic traditional proverb which states "That as long as grass grows and river flows There will be Irishmen and women too who will give their lives for Roshin Dhu."

ECHOES FROM YOUGHAL. Last Week End - Last weekend was Youghal's most crowded one for the season. The Youghal senior open tennis tournament concluded and the entries were the largest ever over 100 entries. This week the Youghal open golf week is being held and like the tennis week the entries so far have eclipsed all previous open weeks. These events mean a great deal to Youghal especially to the hotels and the promoters are to be congratulated on the success of their efforts. In the case of the open tennis week the brunt of the work was borne by Martin Bennett Esq and a very large committee while in the case of the open golf week the brunt of the organising work fell to the credit of the Hon. Sec Mr E. Faneely and his committee. Patrons of Youghal keep to want for nothing as all their wants are catered for. Throughout the season the strand amusements are a source of attraction and in addition there are non-stop shows at the castle where plays comedies and variety shows are shown nightly. In addition there are excellent bathing facilities on the finest bathing beach in the Republic.

A word of appreciation is due to the Sergeant in charge and the Gardal for the manner in which they carried out their duties particularly in regard to the control of traffic which was the heaviest ever. The New Phones - The change over to the new phones has now been completed in Youghal, and the change is well worth the trouble and expense the new phones have brought as a result of which they are much more sensitive. Another consideration is the fact that there is much less trouble in contacting the exchange as the moment the phone is lifted from its cradle the subscriber is immediately on to the exchange.

Death of Mr P Galvin - The death of Mr P Galvin at his residence Easton View, West Youghal was learned with feelings of genuine regret by the people of Youghal where he was well known and deservedly popular. The deceased who prior to his retirement was a Sergeant in the R.I.C. was a native of West Cork, but has been resident in Youghal for the past 25 years. The funeral took place to St. Declan's cemetery Cappoquin. To his bereaved widow sympathy is extended.

Catholic Scout Notes. Troop Meeting On Wednesday night the first meeting since camp was held. At the meeting started the S.M. spent some time tinkering with the Radio which is up for sale he says. After the Scout Prayer the S.M. puzzled the Farrell Cup team with the Scout Laws. The next item was the old game of yes and no Mick Hayes helped the young fellows to make up their minds. The roll was called by ASM Cunniff - at ease there come on and pay up. The S.M. read out his report on camp generally everything was good. This year the gear was cleaned up after camp - the fastest ever. He paid tribute to the S.E. Eamonn Foy, Mike and Paddy S.J. who kept the wood pile going through the week. After the final prayer the cup teams stayed back. The Farrell team practised semaphores while the Melvin team had a song practice for the campfire which will be held during the competition. Jeff is practising Ghost Riders. Fr Jack Regan showed us he still has a knowledge of semaphores and motion pictures. At the COH Seanie got all the jobs to do, because he is not in the Melvin team. General We congratulate all the fellows who got their exams this year. The Melvin team are here at it every day aided by J. Clancy. The Farrell team have begun practising to get back that Cup which was lost last year. The Chief says he is still waiting for a description from Donie and Bron of the "Tomb" they inspected in the woods in Bunclody. Jeff wants to go back to Bunclody - why? Burkie Cyril, and Phil are spending much of their time up around "Lans End" maybe it's the sea breeze. Duca's latest pet - white mce. The next troop meeting will be on Wednesday, at 7.30 p.m. EAGLE. One never needs his wit so much as when he argues with a fool. The world more often rewards the appearance of merit than it does merit itself.

a long sharp-pointed dagger and there was no quarter. Even or asked for and a bone-crushing encounter followed. Kilrossanty went into the attack again and from a nice position Power put Kilrossanty two up from a free.

Brickies then began to feel their feet and the Comeragh defence was tested but the Maguire and Cheasty were sound. Brickies drove wide by Nicholas McGrath raised the white flag to leave but two to one. The equaliser was not coming when from a scrimmage in front of the goal the ball was shot over the bar by Mick Joe Ryan. Then M Curran for the Brickies went down injured and was replaced by D McCarthy who filled the full-forward berth. The Brickies playing better football than their opponents kept up the offensive and were soon in front when Ryan pointed for them, thus leaving the half-time score 3-2. The Brickies were unlucky in the first half as two goals were disallowed on them, but this only seemed to give them added incentive and when resuming play they went straight into the attack but it was again Kilrossanty who first scored when J Kirwan pointed from their leaving it level. Peggling was on that on it was a long-dong struggle with great patches of football and Barry had the Brickies supporters on their toes with a beautiful shot, but it went narrowly wide.

The same player made amends soon afterwards when he cleverly kept two men for a great goal for the Brickies. Then Tom Spratt stretched the lead with a point and it seemed as if it was the Brickies day. However, the Kilrossanty forced play into the Brickies half and J Power pointed from a free for them leaving the Brickies winning at this stage by 3 points. Kilrossanty did their utmost to get this vital score (a goal) but M O'Connell and P Donnelly and T Greaney in the Brickie back-line were adamant and would not yield an inch. When Kilrossanty were awarded a free close in during the playing of the O'Connell and P Donnelly a low ground shot into the Brickie goalmouth but saving well Buckley for the Brickies, was fouled and it was at his stage that the game had to be abandoned.

The ball was placed for the Brickie free but a Kilrossanty player came from the side-line and kicked the ball into the crowd and this ended the general fight and although the referee attempted several times to resume the game in the ensuing half-hour, he failed and declared the match abandoned and a matter to be dealt with by the County Board to whom his report will be sent.

Brickies: Rangers—L. Crotty, M. Mullaney, M. Collins, T. Greaney, F. Ahearne (Capt.), P. Foley, M. J. Ryan, F. Buckley, T. Spratt, M. McGrath, T. Barry, R. Curran, P. Foley, M. Curran, P. Donnelly. Sub: D. McCarthy for M. Curran.

ANOTHER DRAW

Dungarvan, 2-1

Ballinacourty, 1-4. The center match was preceded by the Dungarvan v Ballinacourty junior football championship tie which ended for the second time in a draw with the above score. The standard of football was very low with neither of the two sides apparently trying. The game lived up somewhat nearing full time when with only seven minutes to go Dungarvan were 6 points in arrears and making a great goal. Only for the work put in by M Farrell, who played a great game right through with O'Connor, Whelan and McCarthy, Dungarvan would surely enter the third round of the championship.

Dungarvan after a very bad start made use of their few chances and never gave up trying although there was a certain amount of luck attached to the two goals they scored near the goal. Only for the work put in by M Farrell, who played a great game right through with O'Connor, Whelan and McCarthy, Dungarvan would surely enter the third round of the championship.

On the turn over Ballinacourty took over control and scores per O'Connor (0-1), Clancy (0-1), Whelan (0-1), gave them a very comfortable lead with only 7 minutes to go. Then came Dungarvan's fine burst and when Veale raised the green flag a close finish was assured.

From a lengthy kick out Carleton received an inter-passing movement between himself and T. Tobin brought the ball into the "square" which was finished to the net by Kieley. Shortly afterwards the teams whistled away leaving the teams level on the score.

Dungarvan, 2-1, Ballinacourty 1-4. The second replay is fixed for Sunday next at the Gaelic Field, Dungarvan and the winners will meet Ardmore in the third round.

DUNGARVAN MINORS QUALIFY FOR WESTERN

Dungarvan, 8-8

Rinn o'Guaune, 2-2. At the Gaelic Field, Dungarvan on Thursday night August 13th by beating Ring (the Dungarvan minor hurlers gained revenge on their opponents, who they knocked out of the minor football championship, and also qualified to meet Cappoquin in the Western Final. Dungarvan were every bit as good as the score suggests as Ring were taken to task for their much superior opponents. This is Dungarvan's third year in succession in the Western Final, winning on the two last occasions and qualifying for the county final which they annexed in 1951. Hopes are high that the laurels will be brought to the Old Boro again this year for should they qualify for the final it will take a very good team to beat them. The team is built around such stalwarts as F. Kenneally, W. Shalloe, N. Connors, J. Quarry and P. Spratt all inter-county players while in J. Regan, Spratt, J. Mansfield, J. Cooney and D. Whelan they have very useful players.

It was not until the second moiety of the match that Dungarvan really asserted their superiority, as Ring gave them a goal but the first half ended on one occasion there was only a goal between the two teams. Ring never gave up trying and were served best by Carey McGrath and Kenneally in the back-line while Kieley Hartley in the front, though not gaining great things were always in the fray and were the pick of their forwards.

Mr D O'Sullivan was an impartial and competent referee. The play was quickly on the offensive from the throw-in but the ball was barely wided. Keeping up the attack Dungarvan were soon 3 points up when a free was taken to the back of the net to quickly follow up with a point. Play was rather robust at this stage with no quarter given or taken and Ring for the first time going into the attack saw C. Kenneally barely mark the mark.

When Will The Appointment Be Made?—Almost four years have passed since the demise of the local E.S.B. agent in Tallow, and since no steps are being taken to fill the vacancy despite renewed protests from the users in the town who during that period have suffered severe hardships as a result—often for hours as a result of a breakdown which in the majority of cases was only a minor one, and could in the ordinary way be fixed by a local agent in a matter of minutes in summer it is not so bad when such stalwarts as that's where they err. When we consider that the majority of shops now have refrigerators, to preserve food stuffs but what are they when there is a breakdown and no one to call on it immediately. It is a shocking state of affairs, and what are our TD's doing about it? Some time ago the suggestion was made by one of our TD's that E.S.B. users should withhold the monthly rents for same until an appointment was made. Of course when the E.S.B. are ignoring the demands of the people and state that they will not make an appointment then it looks as if drastic action must be taken. The E.S.B. we know, hold the whip hand and can disconnect all who withhold the rents but we all know the old saying "It's better to give the wrong horse too far, and while not willing to take drastic action a solution of the problem must be found and why must the inhabitants of Tallow an Iarainn be victimised by the E.S.B. The strange fact is that up to four years ago there was a local agent who was using electricity in the town, there is no agent. It just does not make sense. We do not suggest that there should be a full-time job. No, a part-time agent and there are many capable and efficient young men in the town who would be willing to accept it as a part-time job. In summer breakdowns are not as numerous as in winter and with the summer on the decline users look forward with dread to the forthcoming months, when they depend on electricity for cooking, heating, lighting, etc. and as a result all too frequent, and as a result, the thing is at a standstill. On behalf of the inhabitants we protest to the E.S.B. (through this column of the Dungarvan Leader) and ask our TD's to take up the matter with them. All the E.S.B. users ask is fair play—surely they are entitled to it.

Local Athletes In The News—At the recent Bridesbridge Sports Mr J. J. Coughlan won the 50 yds event from eight competitors, while Mr J. Leahy, Glenahilly Tallow was placed second in the mile flat from a field of nine competitors. It was a very good performance by both athletes especially the latter, who was making his initial appearance in the mile event. Another Tallow athlete who is making his presence felt in East Cork, is Mr Sydney Frazer (formerly of Midleton). Mr Frazer has won a number of events, including a County Championship and his many friends join in wishing him many more successes in the future, and we also offer congratulations to Messrs J. J. Coughlan and J. Leahy on their success and all hope to see the Tallow Athletic Club (of which both were members) revived and reorganised in the very near future.

Success—Very hearty congrats

Success—Very hearty congratulations are extended to Messrs James Ryan, Brian Flynn, Tallow, on their success in being placed first and third respectively (in class 3) in the championship, under the Co. Waterford Committee of Agricultural Shows, Class 3 is open to Cottagers. Class 3 is open to Cottagers and it was no small achievement for the owners to annex first and third prizes, in a competition open to the county, and it is a big honour to have two out of three prizes come to the area, and it speaks for itself of the lovely way the cottages and plots are kept by their respective owners. In Class 1 (West Waterford), 2nd prize was won by Mr Frank Kearney, Glenahilly Tallow. The Tallow area has been well to the fore in the distribution of prizes and we offer our hearty congratulations to the owners on their success and hope that more successes will follow in the years to come.

Whenever Puck Fair is mentioned the controversial question of its origin arises. No historical record of the origin of Puck Fair has yet come to light even though the oldest inhabitant today remembers the oldest resident of his early days to say that "Puck Fair was always there." While many stories of its origin are told, the following is the most credible and dates back to medieval times. At that time Castle Conway a fortress, whose ruins can still be seen jutting from the roots of the surrounding buildings overlooking the Laune bridge played no insignificant part in our history. Tradition claims that in a day in August, the Irish garrison and surrounding villages suddenly became aware of a danger from forces of the English Crown. Suddenly a flock of wild goats, led by a magnificent male goat, appeared from the direction of MacGillycuddy Reeks and that only some extraordinary occurrence would force those animals to leave their mountain fastnesses. Investigation showed the presence of the hostile forces converging through the mountains and forewarned being forearmed the necessary steps were taken to protect the community. The animal that prevented a catastrophe was ever the honest one in the sense that he has since become traditional.

Pilgrimage To Knock—On Sunday next a pilgrimage from the united parishes of Knockmore, Kilwatermoy and Glenmore will take place to Our Lady's Shrine at Knock Co Mayo. The pilgrimage is under the spiritual direction of Very Rev M. Power, P.P., Knockmore who will accompany the pilgrims.

Wash—We regret to announce the death of Mr John Walsh which sad event occurred recently at Heffernan's Terrace, Castlemary. Deceased was a native of Red Forge, Yougal, and for many years was a well-known beggar, Knockmore where he carried on a tailoring business. Deceased who had reached the fullness of years was a very popular member of the community and was held in the highest esteem by all classes both in East Cork and West Waterford. His son Mr Joseph Walsh is well-known in G.A.A. circles in Castlemary and East Cork and as well as to the other members of the family very deep and sincere sympathy is tendered in their sorrow and loss.

At the removal of the remains of Joseph's Church, Castlemary, at the subsequent funeral to Templemichael (Glendine) cemetery the attendance was both large and representative and bore ample testimony to the esteem and respect in which deceased and his family are held.

Very Rev Canon O'Connor P.P. Castlemary, assisted by Rev M. Donovan C.C., officiated. Chief mourners were—Rev Brian Walsh, Richard John Walsh and Joseph Walsh (sons). Sister M. Raphael, Mrs M. Coughlan, Mrs Kelly, Mrs Beausang and Mrs Hickey (daughters). John and Pat Beausang (grandsons). Mary Kelly (granddaughter). May he rest in peace.

Meeting Of The Anglers Club—There was a very representative attendance at a meeting of the Tallow Anglers Club held last week at which all the officials were present. The Hon. Secretary stated that membership had shown a marked increase during the past year which was very satisfactory, and the Club members having hooks, rods and members, who on payment of a very small membership fee, could enjoy excellent fishing on the river. The members stated that trout fishing was very good at present, the majority of members having hooked a few trout. It is very pleasing to report that the local anglers club has such a big membership and this is only as it should be, for the Association is doing every possible thing for lovers of the rod and line.

Many matters in connection with the club were discussed, and preliminary arrangements were made for the holding of the Annual Masked Ball. Arrangements have not as yet been paid his membership fee is requested to do so as soon as possible.

Forthcoming Garden Fete—On Thursday next August 27th the Garden Fete will be held at the Rectory Grounds and granted favourable weather a capacity crowd is anticipated. A very elaborate programme has been arranged which includes musical performances, sports etc., and a most enjoyable evening is guaranteed to all. Your support is solicited to make the Fete a success so come in your numbers and join the happy throng at the Rectory Grounds on Aug 27th.

The West's Awake—Hats off to the gallant Galway XV who by their defeat of a fancied Kilkenny team, qualified for the All-Ireland Final against Cork. All Galway wish Galway well in the final and a win would not be outside its turn for those gallant Galway hurlers who despite defeat year after year, in their grass came back like true sportsmen and all wish them the best at Croke Park, on September 6th.

Next Sunday the men from the Kingdom meet Louth in the right to meet Louth in the final and a win would not be outside its turn for those gallant Galway hurlers who despite defeat year after year, in their grass came back like true sportsmen and all wish them the best at Croke Park, on September 6th.

In our own championships Tourin meet Clonca on Sunday next at the Gaelic Field, Dungarvan in their senior hurling, and supporters are more than hopeful of seeing the honours come Westward.

New School Building Fund—The Water Question Again—A Word of Appreciation—It would not be fair to let this issue slip by without making a statement of appreciation on the efforts made by our local County Councillor Mr James Mansfield. It will be seen from last week's issue that Mr Mansfield pleaded strongly to have the Ardmore Village main water supply, extended to Lisnigun. He was even told the costs of the three extensions were of course possible that the work of extension will eventually materialise—but when? One thing is certain Councillor Mansfield can take it from his own mission in the area. He is blind him and are anxious that he should continue the good work he has begun.

ARDMORE GOSSIP

Recent Deaths—Late Mr A. Qualey, V.S.—The news last mid-week of the tragic death of Mr Andrew Qualey V.S. caused a deep shadow of gloom over the whole area. Andy as he was familiarly known was a very popular figure in the locality and being a highly qualified Professional man and a most successful Veterinary Surgeon, his services were very much sought after. On behalf of our many readers in these parts, who knew him so well we tender to his young widow and the other members of his family, deepest sympathy.

Late Mrs Ahearne—On behalf of our readers in this area sincere sympathy is extended to Mr James J. Ahearne, Yougal, on the recent death of his wife at the Bon Secour Hospital, Cork. The late Mrs Ahearne was well-known to most inhabitants of this area. Her husband, who was a very popular man in the town, was a member of the Town School Building Fund. The dance on last Sunday night in St Declan's Hall was most successful. In fact a big number were unable to gain admittance owing to the capacity crowd. This indeed, speaks well for the very generous response which the dancing fans are giving to the efforts to raise funds for the

Harvesting The Golden Grain—During the past week the noise of reapers and binders—the combines etc have been getting louder in the area. From early morning till evening the dust the machines are at work. The principal reapers in the area are ones owned by Mr P. Hickey, Grange, Mr J. Lacey, Old Parish and last but not least is the very modern combine, owned by Mr T. O'Sullivan, Glenwilliam Grange. So far the farmers in the area are very fortunate in the fact that not much of the crop is in colour, and gold in value has been damaged by lodging or falling down.
