MOUNT SION DEFEAT ABBEYSIDE IN KEEN HURLING STRUGGLE

RING BEAT STRADBALLY IN Minor Football Replay Mount Sion, 3-9, Abbeyside, 2-8 Ring, 1-6, Stradbally, 0-5

Mount Sion had a decisive victory over Abbeyside in the senior hurling semi-final tie and Ring minor footballers ran out easy winners in their minor football replay against Stradbally, at Dungarvan Gaelic Field on Sunday last There was a large crowd present and all enjoyed the matches which

were played in a fine sporting spirit
The senior hurling game was below par and the spectators expecting a closely contested and exciting game were somewhat disappointed in the display This does not mean to the dew You may talk about your dearest May or sing of Rosa Lee

But the Yellow Rose of Texas beats the Belles of Tennessee

Where the Rio Grande is flowing and the starry skies are bright.

She walks down by the river in the quiet summer night And she sings if I remember of the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to return to the time so long ago

When I promised to find her for my heart is full of woe And we'll sing the songs together that we sang so long ago

Well play the banic gaily, and

The dearest May or sing of the West Water GAAA

A meeting of the West Water was many bright patches of the contrary, there was many bright patches of the lead of hurling witnessed but it was in the cyticors took the lead of hurling witnessed but it was in attendance was many bright patches of hurling witnessed but it was in the game deteriorated and from this onwards it was all second molety of the game deteriorated and from this onwards it was all second molety of the game deteriorated and from this onwards it was all second molety of the game to return to the delegates from side failed to show the same the following clubs — Fourmile against Dungaryan, and their form, particularly in the first form, particularly in the first form, particularly in the first half when they were awarded was many bright patches of hurling witnessed but it was in the contrary, there was many bright patches of the second quarter of the second quarter of the was many bright patches of Dalah in the CY M S Hall in the Cy M S Hall in the contrary.

RESIGNATION OF BOROUGH SURVEYOR

COULD NOT SERVE TWO MASTERS

DEMOLITION ORDERS MADE Mr N Kelly Vice-Chairman cil have increased beyond con-presided at the fortnightly ception but still more time and meeting of the Dungarvan more attention is being de-Urban District Council held on manded I have already sublast Friday night Present were mitted a list of works on which Messrs T Kyne TD T, Lee Mr O Brien has been and is ensenator Butler P Casey and R gaged which will give you an Walsh Messrs S J Moynifian, County be done Before his appoint-Manager Dr O Farrell County ment I tried to cope with the Medical Officer J Ormonde, work by actually paying for an Borough Surveyor P Walsh, Health Inspector and E Deery I can see now how foolish I Town Clerk were in attendance Borough Surveyor Resigns the appointment of an independent

Borough Surveyor Resigns

Ansing out of queries on the Auditor's report and the estimates in relation to expenditure in the Engineering Department the Town Clerk read the following letter from the With regard to the employ
County Manager — Was The Situation definition was The Situation definition.

When the appointment of an independent Engineer for the Urban Council and I would ask you to do this without further delay as I cannot carry on any longer with regard to the employment of Mr OBrien BE, the

County Manager — ment of Mr OBrien BE, the A chara—With reference to Borough Surveyor reports as various matters raised at recent follows meetings of the Urban District
Council I give hereunder copy
of report received from the
Borough Surveyor
I have been forwarded minsident Engineer or Clerk of
Works
On Certain Special T Barry J Clancy P O Connor, Council requesting me to sub schemes and to assist in the M O Connor J Hogan Subs—mit my observations on certain works on certain work which as already pointed out

ing The items referred to deal I have no time to attend to with expenditure on Swimming I give herewith particulars of Pool and Parks and Open special duties carried out since

Solution of their noidings

Holder Receives and their dependants, child, to take part in the Stield compared to the state of the state General Repairs To Pool Floor, Walls, Sewer— Estimate £82

This is a special repair to figor and walls of pool which had developed bad breaks. It also includes the replacement of 99 lin feet of outfall sewer from propriate been damaged ouring the winter. This type of construction etc. and along during the winter This type of with being more satisfactory would probably be an economy pensive
As regards the suggestion of letting certain items by contact whilst it will certainly mean a reduction in staff I can also forsee a reduction in efficiency

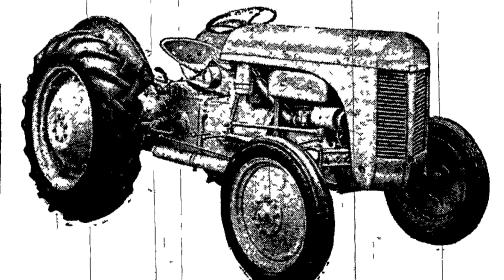

would propagity be an economy in the long run Mr O Brien has recently been doing holiday duty for the Borough Engineer and as Mr Ormond has stated that he himself will be unable to carry out the abnormal contact to be a smooth of work required to be

clearly seen it was Mount Sions were on the attack, leaving the full-time score as stated Best for Mount Sion were P. Grimes, L. Fanning and S. Hayden in a solid backline while Flannelly, S. Power and Conlon were always dangerous in a liver forward line. Abbeysides outstanding man was P. Feeney, who had a great day at cornerback and others to shine were P. O'Connor, N. McGovern, J. Hogan and J. O'Connor Mount Sion - J. Regan;, D. D. D. Regan;, D. D. Casey J. Guiry, J. Hurley M. Atkins W. Dillon

Waterford Circuit Court clearly also forsee a reduction in efficiency in also forsee a reduction in efficiency. I would like at this stage to again point out how impossible to carry out the abnormal amount of work required to be again point out how impossible to carry out the abnormal amount of work required to be again point out how impossible in and to request to the under the clinuation of Mr. O'Brien's services at the control of the control of the state of the position of Engineer to the Urban Countrol matters are suggested for the assistance I have still to devote a systematic provided and an Engineer appointment of work required to be again point out how impossible to the under clinuation of Mr. O'Brien's services otherwise he will be really with regard to the position of Engineer to the Urban Countrol in an amount of work required to be again point out how impossible amount of work required to be again point out how impossible to the under clinuation of Mr. O'Brien's services otherwise he will be unable to carry out that the himself will be unable to carry out the abnormal amount of work required to be again point out how impossible in amount of work required to be again point out how impossible in amount of work required to be again point out how impossible in the massing amount of work required to be again point out how impossible to the under clinuation of Mr. O'Brien's account of the work of Borrows and I am in the massing and the position is and to request the control of the work of Borrows and the mass of t

## Tallow and Round About

Visite Glencairn Absey.—On Friday morning last August 28th, Most Rev Dr Cushing, Archbishop of Boston, visited St Mary's Convent Glencairn, Tallow to which he had previously presented an organ, in memory of his mother who was a native of County Waterford Later in the day the party left for Mount Melleray and in the afternoon His Grace accompanied by Right Rev Dom Celsus O'Connell Lord Abbot of Mount Melleray, returned to St Mary's Cistercian Convent On arrival at the convent the bells pealed out a welcome and the organist played the Te Deum In a brief address His Grace told the Lady Abbess and Community how pleased he was to visit the Abbey as he had a special interest in it because, he said 'it was from here I founded the Cistercian Nuns in the United States" He added that the building of St Mary's hallowed spot and on the home-life can be procession in addition to the Stations, and the fifteen mysteries of the Rosary, hymns are sung, and at the end a short discourse on Our Blessed Lady followed by Benediction of the Blessed Sacrament In this hallowed spot our mother tongue is not forgotten, the inscriptions on the outdoor Stations being in Irish, while the third Rosary is recited in Irish.

The journey to Knock Shrine (although it may be a long one) is well repaid for it leaves a lasting impression on the mind of each and every pilgrim which the United States" He added the Cistercian Nuns in the United States "He added the United St
