have a dependent mother and pendent sister or brother and I would ask the Minister in or the solicitors employed by trade unions would take good pendent sister of re-examine that matter and see if an extension could not be given to people would be adequate for the needs who are proved to have dependent by the Minister in care that is done, we have usually happens. If would ask the Minister in or the solicitors employed by trade unions would take good matter and see if an extension the worker was willing to accept would not be given to people would be adequate for the needs and are proved to have dependent by the Minister to re-examine the know what usually happens. If would ask the Minister to re-examine the worker was willing to accept would be adequate for the needs and the worker was willing to accept would be adequate for the needs and the worker was willing to accept would be adequate for the needs and illness of some 17 weeks alice Culleton Obonnell family present. He said that this early age of 30 years has Michael and Margaret Purcell augurs well for the future even though the Club did not gain though the Club did not gain brothers and see it on to the Bill which would county honours this year they proved to the worker the same right as the employer enjoys in all the games played by the but to all those who had the and Annie Flynn and family regard to the fixing of a lump time he will be forced to get this dependent brother sister or sum to cover the compensation of the solicitors employed by the carry and regard to the fixing of a lump time he will be forced to get the compensation and has a dependent brother sister or sum to cover the compensation and has a dependent brother sister or sum to cover the compensation and has a dependent brother sister or sum to cover the compensation and has a dependent brother sister or sum to cover the compensation and has a dependent brother sister or sum to cover the compensation and has a dependent brother sister or sum to cover the compensation and has a dependent

time he will be forced to get regard to the fixing of a lump his dependent brother sister or sum to cover the compensation mother to make application for home assistance. It will promuch more I have to say be back then on the shoulders of for what it is a step in the ratepayers of this country right direction. We hope to payers who should subsidise in. I do not think it is the ratepayers who should subsidise industry in that manner I think the points we have raised We
industry should be made to
should like to impress upon the
carry its casualties along with
the profits for the employers,
and the greatest casualty of all
is injured workmen Prior to
this the laws work and code.

The need for
this the laws work and code to the large to the cappage of the club—all
wooking for one end—the wellwooking for one end—the wellbeing and success of the Capcompanied by a large gathering restry Workers Paddy and
many motorists meeting the sad Bridget Bray and family Patrick Qulligan Penfuneral arrived at Cappoquin it der family J Grady James
was or very large proportions and on all sides expressions of Baby Rita and Charlie Smith
such a representative gathering
wooking for one end—the wellwooking for one of the capwooking for one end—the wellwooking for one end—the we and the greatest casualty of all comprehensive workman's comission injured workmen | Prior to pensation code | The need for such a representative gathering that must be very clear to by the employers and I think it everybody | I think | Deputies on it is time the ordinary workman both sides of the House have expected and opportunity of the prior to be such a representative gathering such as the follow of the found is such a representative gathering such as the found is such Acts which we recognised at the please God to see introduced by time they came into force as the present Minister or some

being the beginning or recogni- other Minister a fully compretion of the workers are cerhensive measure that would tainly outdated now The give to workmen the just status complete machinery of work-denied to them so long men's compensation is certainly outdated where a workman is limited to three-quarters of Rugby what he earned up to a certain figure It is a most unusual

With Robert Morley, Wendy Billier The screens greatest adventure of the phort-lairing — Robert Morley Bullianger and the phort-lairing the sacretary RFC meet Water-park Old Boys RFC at the park Old Boys RFC at the latter of the park Old Boys RFC at the latter park of the latte Of course that is a to have a useful back-line too, question for both the medical a good open game seems likely people and for the Circuit Court While the Waterford side will judges I do not think it should start favourites the much imbe held against the workman proved locals will provide wor-who has made a genuine claim thy opposition and who has suffered an injury that there are malingerers Kennedy B J. McCarthy T If these malingerers are there Crosby D McCarthy P Rush they should be weeded out and A Nicholson J Murphy D Curit should not be used as an tain J Tobin A N Other J argument against genuine Phelan J O'Donnell S O'Brien cases Compensation should N Ryan D McGrath not be reduced because of the fact that such people are there The main point with which I want to deal concerns what is to my mind an omission of an important section from this

Bill Under the present law an employer, who is paying an injured workman compensation, has the right, if he so decides has the right, if he so decides inal Business 11 a.m to take the case to court and to Waterford—Wednesday get a lump sum settlement be- February 1954 fore the Circuit Court judge Business 10.30 He very often exercises that right if he thinks it is in his interest. I would suggest that the workman should get the very same right. If the employer has the right to go to the court to have a jump sum flavor. court to have a lump sum figure fixed. when it so pleases him or if he sees an advantage to himself the worker I submit if he sees some advantage to himsef Maurice J Noonan Cappoquin in having such an arrange- FOR SALE-7 pure-pred Anin having such an arrange-ment arrived at, should have ment arrived at should have cons Cocks 15/- each the same right as the insurance Box No 215 "Leader"

Sagittarius—the 9th sign of the Zodlac is derived from the ancient fable of Chiron half man and half horse. The early astrologers believed that Chiron -wisest and justest of all the centaurs -was at his death placed by Jupiter among the stars as the constellation Sagit arius Persons born under this sign (Nov 22nd - Dec 22nd) were supposed to possess qualities of fearlessness and decision. Whatever your birthday decide now to have that
