# Ground LIMESTONE

If your farm needs lime, apply ground limestone during Summer and Autumn to your pastures, aftergrass and land intended for cropping Spreading is easy while the land is dry. Orders can be dealt with promptly now Delays are likely during Winter and Spring Your Agricultural Instructor will advise you on

the quantity per acre your land requires

Improve your land at low cost by applying GROUND LIMESTONE

Ground Limestone Transport Subsidy Scheme will be amended as follows-

- A Transport subsidy will be payable only in respect of deliveries not exceeding 40 miles from any approved plant subject to the exceptions set out at B and C
- Where there are no approved plants within 40 miles of the holding of the purchaser of the ground limestone the full cost of transportation from the nearest approved plant will be borne
- As there are no ground limestone plants in Counties Wicklow and Wexford subsidy will be payable in respect of deliveries not exceeding 50 miles from any approved plant to the holdings of purchasers of ground limestone in these Counties
