APPOINTMENT OF CLERKS

Waterford County Council where it was required held a special meeting in Dun-garvan on Monday last, Mr M if Mr Dowd's point succeeded thing done to put an end to these unhappy scenes once and for all

Last Sunday at two venues, 30 the best Kerry team that repredended because spectators lacked the necessary sportsmanship to allow them to conclude What is the reason for these happen
When I asked him about last Morrissey Chairman, presiding the people in the Lismore-Kyne, TD D Fahey, H Dowd, a piped supply would have to pay 17/7 in the £ for it Butler, J Ormonde, TD, C Curran T Lannen W. Foran J Quirke, W Kenneally, N Walsh, is the reason for these happen-

Barron P Butler
In attendance were Messrs S
J Moynihan County Manager,
I. F Lanigan, Solr, D Sheedy,
Co Engineer, and J G, Dowling,
Secretary

Seconded by Mr Ormonde the supervision of the examinations proposals were approved and it was agreed to have a scheme was agreed to have a scheme to bring in outsiders

Seconded by Mr Ormonde the supervision of the examinations proposals were approved and it was agreed to have a scheme to the Minister for sanction and the necessary authorisation to raise the to bear less

Senator Butler

Areas would have to pay less proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the to bear less

Senator Butler said that he proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the to bear less

Seconded by Mr Ormonde the supervision of the examinations proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the to bear less

Seconded by Mr Ormonde the supervision of the examinations proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the to bear less

Seconded by Mr Ormonde the supervision of the examinations proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the proposals were approved and it was agreed to have a scheme for sanction and the necessary authorisation to raise the proposals were approved and the proposals were approved and the proposals were approved and the sanction and the necessary authorisation to raise the proposals were approved and the proposal

we have stern action to see that this ugly monster is destroyed before it destroys the glorious traditions of the GAA in the Decies

I was not at Waterford or Dungaryan on lest final and the danced along thy flood

Stated —

Stated —

"My proposal to have uniform that all shaded along thy flood of the County receive what is the consumers throughout the County receive what is the county receive wh to be only reasonable that the basis of charges should be the

same for all me thankful that I had decided to go to headquarters to see a real game of fotball, layed hard but in a sporting manner as all our games should be to travel to Croke Park on these occasions to renew inspiration as it gives great hope to face up to matter such as I have already alluded to I hope, therefore, that our GAA Boards will carry out a full investigation, of last Sunday's incidents and that all the Gaels who constitute the Board will decide to take the proper away incidents and that all the Gaels who constitute the Board will decide to take the proper away in the proper away in the first of the proper away in the first of the f The estimated cost of Water the resolution was carried

The Chairman said that as a

and for that reason the Commissioners should be given permisAdministration Expenses inter-

water rate in the county and

people in a much better position to pay for it

Mr Dowd referred to the plight of residents in the Bally-saggart area whose only source of supply was from a spring which was surrounded by loose stones and a morass of cowdung They had to go up a hill across ditches and fields to get to it He asked why they should pay to supply water to others Mr Walsh said that there were two sides to every story and ask-

Manager—17/7 in the & a charge on the premises which may be enforced ask these people to pay (c) The amount may be described to be a private improve-Dowd ask these people to pay

proposals were fair and even proposed their adoption with Mr newspaper about present conditions at Portlaw stated that an inquiry should be held and

In the case of non domestic supplies the proposals were £5 for a first tank on a valuation up to £30 graded up to £15 for a tank on a holding with a valuation of £100

2—The cost may be repaid was so and added that the situation for a first tank on a valuation of £100

2—The cost may be repaid was so and added that the situation in Portlaw was not nearly as bad as it had been painted in the British press

Repayment of balance due may be repaid at any times in do is to ask the Minister to start work on the Yourkel below.

Particulars of Repayment soon and that will provide a lot periods are shown in Paragraph of employment

Mr Foran said that it would

periods are shown in Paragraph of employment 11 here under 3—In addition to pipe connections, the following works would be included n the scheme 1—Tap, Kitchen sink (if required) WC Basin and Cistern, Outhouse for WC if required 1—A limit of £100 Evenndulation at the portlaw area for consideration of the process of the portlaw area for consideration at the part meeting 1. 4-A limit of £100 Expenditure would be imposed

Sion to get the opinion.

The Manager replied that the County County Council was the only body empowered to make a for the scheme

St would be charged at ½% ple in the Clashmore and Aglish per annum over the interest rate areas were —worried about rumours that the floor of Youghal Bridge was wearing for the scheme Youghal Bridge was wearing 6—If desired the applicant away and that some of the

Mr Heskin said that it was unfair to the agricultural community that they should pay a flat rate to provide water for people in a much better position out of the execution of the works works 10—If considered necessary the County Manager may require to one or two suitable sureties to guarantee the repayment of the amounts due

would be collected quarterly from the office 12—On default in making re-

two sides to every story and ask-ed what the economic water rate would be to consumers of

(a) Recovery as simple con-(a) Recovery as simple conthere was to be no county Sureties

that charge

Mr. Dowd said that his point was that people who got no piped supply should not be asked to pay

The Manager said that maked to pay

(c) The amount may be declared to be a private improvement rate, collectible from the occupier or owner for the time being 13.—The premises must be in-

The Manager said that water sured against fire in the joint was essential to their Health names of the owner and the Services and the ratepayers Council for an amount equal to should contribute generally the total sum repayable, with a within reason to provide water company approved by the Coun-

in the policy
14 —Cost of the Scheme Until such time as the approved Mr. Lannen said that he would scheme is advertised and applialso like to obtain a copy of the cations are received for the regulations governing the apfacilities proposed it will not be pointment of clerks.

possible to formulate any estim
The Secretary said that he ate of the sum required to would give these finance the scheme.

Mr Lannen—I would like a

With regard to the tapping of all times to have the same in-mains, Mr Heskin said that he formation furnished to me as did not see why a plumber in to other members. If certain Dungarvan should have a monopoly of all this work With the member then it should be available for one new scheme there would be able for all hundreds of connections to be Mr Walsh said that he asked made in Lismore and the local for the information referred to plumbers there should be given and got it at the office, and he preference

The County Surveyor said for it they would also get it that special equipment was required to tap mains under pressure and this was available in want any information in be-Dungaryan 🛚 The Co Manager said that if the other plumbers could prove member who asks for inforthat they could do the job satisfactorily it would be alright and I got it as a public representative and I see nothing

Mr Heskin—There are plumbers in Lismore quite capable of doing the work

On the proposal of Mr Kyne seconded by Mr Ormonde the supervision of the examinations

was the consideration of the county Manager's proposals with regard to the striking of a special water rate
In the course-of a prepared statement circulated to the statement circulated to members the County Manager stated—

"My proposal to have uniform charges for all Schemes is based on the consideration."

"My proposal to have uniform charges for all Schemes is based on the consideration of the currant to currant the consideration of the consideration of the currant the currant the currant to currant the curr

traditions of the GAA in the Decies

Decies

I was not at Waterford or Dungarvan on last Sunday I was at Croke Park—but I heard

That danced along thy flood was at Croke Park—but I heard

With heart as bounding as the water consumers throughout paid off the County receive what is my Leahy stating that the county receive what is my Leahy stating that the resolution passed by the had no official notification about proposals were fair and even propos 15 votes to 2 with 4 not voting if the conditions were as bad as the resolution was carried painted in the article that the

Year and fixing a scale of satisfy the Council that he is in charges for non-domesic supplies"

The cost may be repaid was so and added that the situation in the property of the cost may be repaid was so and added that the situation in Portlaw was not nearly the property of the prope

work on the Youghal bridge

tion at the next meeting

Youghal Bridge Mr Curran aid that the peowater rate in the county and any ratepayer or individual who then wished to challenge its validity could do so

The County Council have gone to a great deal of trouble to see that a water rate is legally struck, said the Manager, and I don't want any of these red herrings drawn across the trail at all

The Chairman denied that it was a red herring and said that they had shown that the County Engineer in the matter of the separate charges

Mr Walsh said that it had been the Minister who had decided that issue

Chairman—If Tramore are allowed to get Counsel's opinion I can assure you the rate would be less than 4/1 in the £

Mr Heskin said that it was unfair to the agricultural com-

council offices which had been approved by the County Council some time ago The Secretary said that these were now about to be made The

GRANTS MOTION ADJOURNED

BOHERNATRA TO BE COMPULSORILY ACQUIRED'

CALL TO CLAIM TWO NORTHERN COUNTIES

make the necessary order

(8)—Priority list not to be ex-

Mr T Kyne TD Chairman, and wages must be equal to presided at a meeting of the above held on last Friday night the normal procedure was that Present were Mesars J McCarthy, T Lannen, D Moloney, N a house complies with the Byenday and Process allows the Monogar Kelly and R Keane laws the Manager allows pay-Messrs S J Moynihan, Co ment of the grant

Messrs S J Moynihan, Co
Manager, P Walsh, Acting Borough Surveyor, and E Deery,
Town Clerk, were in attendance
Employment Of Masons
Mr E Fitzgerald came before
the meeting to ask why masons
were not employed pointing the
stones at the Quay

Figure 1 Mr Keane said that he dangerous grounds as he felt they would kill the handyman who could build his own house by passing such a motion.

Mr Lannen said that the Council could give favourable consideration to such cases

Tollowing a short discussion the Engineer said that he would notify any masons willing to take on work as required in the future

Consideration to such cases

Mr McCarthy said that he favoured the motion if it was amended to cover cases as mentioned by Mr Moloney

Mr Lannen said that the house occupied by Mrs Ryan at 18 Shandon was left in very bad condition and the rain was persoluting through the pleater at in the next and in the nex colating through the plaster at in the past and had not in other points cases
Clerk said that the rent Finally it was agreed to ad-

collector had received four other journ the matter to allow Mr complaints and these were referred to the Engineer to have the repairs done by the contractors

With regard to the cost of the reconstruction of the houses, Mr

With Mr Lannen dissenting, Lannen asked what the increase it was agreed to compulsorily in the final amount was over the original estimate. The Clark foot

riginal estimate area 34 acres) at Bohernatra for The Clerk said that the addithe erection of houses and to tions came to £2,274 Mr Moloney asked if the Council had authorised all these

tractors had taken the contract on a priced bill of quantities which contained lots of mistakes It had been prepared before he took on the job and some of the amounts allowed were not sufficient especially in the priority list if he (or she) refuses the houses were on sufficient especially in the priority list if he (or she) in the matter of plastering and excavations. As the houses were offered to the next continuing applicant of the priority list if he (or she) and so on some of the air house offered will not deprive a site at the Garda Barracks restimated and in one instance, he said, that a spring was found under one of the filors.

Mr Moloney said that the contractors should have looked into all these things before they took on the look and that the contractors should have looked into all these things before they took on the look and the look of the place with the first continuing applicant of the priority in list in the opinion of the Manager his refusal was justified.

Mr Moloney said that the contractors should have looked into all these things before they took on the look of the place with the first continuing applicant of the floors and some of the analysis of the contractors should have looked into all these things before they took on the look of the place with the first continuing applicant of the priority of list in the opinion of the Manager his refusal was justified.

Mr Moloney said that the contractors should have looked into all these things before they took on the look of the place with the first continuing applicant of works to have the old castle at the Garda Barracks reported to derelict the Arch Ballroom on Thursday.

Mr Moloney said that the foot which the first continuing applicant of the priority is the first continuing applicant in the mount of the place at the Garda Barracks reported to the first continuing applicant of the priority of the place as a previous and the the form was rejected by the men touch with the first continuing applicant in the count might seed that the committee

into all these things before they consultation with the Council took on the iob

The Chairman said that it was tended during the 12 months not a contract in the sense of period except after consultation so much to do a certain amount with the Council. of work Amounts were allowed (9)—Priority list to be review-for the various operations and ed after 12 months

*Mr Moloney said that he available to the members. would like to see the actual con-tract documents

The proposals were unanim-ously adopted

The Chairman said that all Return Tyrone And Fermanagh The Chairman said that all the expenditure had been accounted for but the Co Manager said that details of the expenditure would have to be available before they could be approved

The Chairman said that all Mr Donal Moloney moved the following motion—

"I propose that, having reduced that the decisions of the following motion—

"I propose that, having reduced that the decisions of the Courts to unseat the lawfully elected to unsea

details of work done at Mr

Quinn s house Motion Re Grants Adjourned. The next item was the follow-ing motion in the name of Mr.

Lannen —
"That no grants or loans be paid by the Council in respect of houses, unless such houses comply with the Council's bye-law and that only Trades Union labour be employed in the erection of such houses"

Mr Lannen said that the reason he put in the motion was that in the past, houses had been built in the town which had not complied with the bye-laws and in respect of which grants had been paid. He only wanted the law and regulations covering

this matter carried out Mr Moloney asked if it would be within the regulations for a man and his relatives to build a house and if the Engineer ssed it and it complied with the bye-laws, could a grant be

The Chairman said that he thought so as the Department regulations stated, as far as he remembered, that conditions Mr Lannen—Do you think someone here would be against

Mr Moloney-I sincerely hope

2/- The charge in Dungarvan was 8d per 1,000 gallons Mr Keane said that if firms in Waterford could afford to pay

House Lettings Priority List The following are the Man-2/- per 1,000 gallons, he could not see why firms in Dungarvan could not pay at least 1/6 per

A member asked if Mr Moichely had considered how much priory House would raise the rates

The Engineer told Mr Lannen that the original final bill received from the Contractors had been for £9,414 6 8ds but this had been cut down to £7,757 list od

A member asked if Mr Moichely the month of the month of the issupplied by them within one month, otherwise any applications received after that date may not be considered for letting of Council houses in the following 12 months

(3)—County Medical Officer of Mr House getting metered supplies

Mr Moloney thought an interest of the industries of the industries in the town and suggested 1/- or 1/2 much and suggested
