THE LUCK OF THE NATIONAL

Lord Pouletts Dream

Thomas Pickernell who rode under the name of Mr. Thomas was one of the most famous amateur riders of his time. On the 15th December, 1870 he received a letter from his friend Lord Poulett . "Let.me know for certain whether you can ride for me at Liverpool on The Lamb 1 dreamt twice last night I saw the race run The first dream he was last and finished among the carriages. The second dream, I should think an hour later, I saw the Liverpool run. He won by four lengths and you rode him. I saw the cerise and blue sleeves and you as plain as I write this Let me know as soon as you can and say nothing to anyone. The day before the race a lamb jumped off a railway truck and ran all the way down the tracks in the view of thousands of racegoers. Next day amid scenes of wild enthusiasm The Lamb won the Grand National
