Catholic Scout Notes 4th WATERFORD TROOP C B.S.((St Joseph's, Abbeysids) There was no Troop meeting

this week on account of the Jumble Sale and now that the holidays have come round again the Meetings will probably be switched back to the middle of the week once more to satisfy the fellows who always, seem to have something else to do on Saturday nights

While on the subject we would like to thank all those who subscribed to our Jumble Sale and helped to make it the success that it was and to remind the bargain hunters that there will be another night's sale on Saturday night week. Any one who still has goods to give please note

We celebrated our Annual St Patrick's Day Investiture ceremony in the Church at Devotions on Sunday night Eight new Scouts have started the Journey while five others have reached the end of the trail as far as passing tests for proas far as passing tests for promotion is concerned Mackin found that he could could not bend his little finger far enough to make the Scouts Sign and after a good deal of experimenting managed to the it in place with plaster Now he has to reverse the position as he found he could hardly straighten it

The Band paraded to the cere mony and around the Village afterwards A little celebration in the form of fiz and jiz was held in the Den after the parade but four of the principle guests decided they could not wait and went elsewhere However by all accounts PL. Phil and Jim Cull made up for what they lost Fintain also made the grade for 1st Class and got his badge on Sunday keep up the good work and someone of the Melvin Pat rol may decide to put a spurt on also The Band is now holding regular practices on Tuesday nights but somehow or other one or two chaps always seem to be delayed EAGLE
