YOUR NIGHT-CAP

of youth
In 1916 and 1921 most of the political leaders of today were young men Their actions at that time were scorned by the sensible old ones as the irresponsible actions of wild young men But these were the young men who with those who gave their lives set up the foundation of the country as we know it today It was they who broke the Saxon grip on Ireland and gave a free Ireland—at least a free 26 counties

26 counties All credit to those men who served our country so well and so sacrificingly at that time They did a good job But now more than thirty years later most of them who are left cannot say that they have not been van Swimming Pool is a milimore than well repaid They stone around the necks are no supermen with the secret ratepa) ers of Dungarvan of Tir na n-Og and old age has flourishes and a certain air of come upon them with its conse-mock secrecy it was prophecied quent slowing down of reactions by the Jeremiahs that the Pool its caution in national ontices and its mellowness in wanting ended the 31st March 1956 A to take the line of least trouble New blood is needed and the forecast a financial bombshell vigorous approach of young for the ratepayers but as in so minds is required now more than ever at a time when the thing has turned out to be just country is passing through an another bit of gross misrepre economic and national crisis sentation. The secret into such as probably it has not ex- mation was contained in a pre-

In the ordinary spheres of duty the preceding year 'controlled by Government De-Wher the matter was discontrolled by Government De- Wher the matter was dispartments—Civil Service Local cussed at the last Urban Coun-Government, etc it is a compulsory regulation that the employee retires at the age of 65 pool as the ratepayers could not afford it sure was not put in for fun and Now when I saw mention of sure was not put in for fun and sure was not put in for fun and is to be taken as meaning that this deficit of £400 on the pool when a man reaches 65 years it is time for him to rest to retire from active work and to relax and enjoy his pension What is the pool extends from June to to the above fund—from active work and to relax weeks—and the total wages of the caretakers during that period comes to about £130 In BREEN PC 1 Main Street Dungaryan sical make-up of Government young boys and 'Ministers and Dail TD s that and benefit by it

franchise I know that there is account for that extra money on Friday and Saturday, residences throughout the stimate from the Co Libmoral obligation on voters to go to the polls but the opinion of prevails that the people are just kindly examined the Pool accounts for the period concerned thing again with no hope but a Hobson's choice and a further treatment of sack-cloths, ashes and hair-shirts

There I put my case to the Acting Town Clerk and he very kindly examined the Pool accounts for the period concerned These showed that a sum of E224 16s 1d had been expended on the Pool in April and May 1956 and for some reason which cannot be accounted for

protections

The ratepayers of the Urban
farea of Dungarvan were appalled when they read a discussion which took place at last this covered the cost of wages and materials for a major repair lob or the pool in which a serious the Council admitted that he council admitted that he held during the previous year under the Council's free allotments scheme

it was included in the Auditor's report of the Accounts for the year ending 31st March 1956

The Town Engineer was then contacted and when asked about the £224 he at once replied that this covered the cost of wages and materials for a major repair lob or the pool in which a serious crack and the buttresses of the pool were repaired. He was not aware at the previous Council meeting he said that this work was included in the accounts covered by the Auditor's report of the Accounts for the year ending 31st March 1956
