LADIES HAIR STYLIST

64, MAIN STREET, DUNGARVAN Half-Day Tuesday. Phone 85.

BEHIND

THE OLD AND THE NEW day inorning when with a large will be a repeat number of parents and of course the teachers and all the pupils I was present at the blessing Regan well-known Dungarvanof the palatial new boys and ite who was a member of the girls National School by Parish Priest, Very Rev. Fr Office until he got a transfer to the midland town a couple of

afterwards accompanied by Rev Father M Walsh CC he proceeded from room to room blessing each in turn Afterwards the Parish Priest addressed the Parish Priest addressed the Parish and pupils to the new parents and pupils to the new school The fact that they had to wait so long for the completion of the building was offset he said by the grand school they now had It was indeed well worth waiting for Fr Roche then said that main

ing each in turn Atterwards (horal Society before he Parish Priest addressed grated 'to Athlone All his throe Parish Priest addressed grated 'to Athlone All his parish who had paid the sort the teachers but to the parish who had paid the sparish who had paid the sparish who had paid the sparish who had paid the parish who had pa

Parish Priest caused ripples of laughter when he said that it would also have to be remembered that the school had produced many merchant navy men and sea captains

Following this address the school was opened to the public and I mingled with the throng that moved along the connecting corridor which links the various spacious class rooms Each room had its own colour scheme with beautiful desks each to hold two pupils and special storage heaters provided to the connect who hold two pupils and special storage heaters provided the connect who hold two pupils and special storage heaters provided the connect who hold two pupils and special storage heaters provided the connect who hold two pupils and special storage heaters provided the council is to the council i

and each has adequate shelters outlook for Urban dwellers for the wet days The entrance is made over winding concreted paths and in time when grass flowers and shrubs grow, it should be really beautiful and that s just what youn

Abbeyside school heard the in the United States voices of the boys and girls of the present generation for the old school friends and in the united States must be a great kick in the present generation for the old school friends and in the old sc last time as the teachers held their last classes there on Fri day evening 1st March As the children dispersed that evening the school was closed for the last time What memories that old school building holds and what stories could its walls tell if they could only speak All over the world — Australia Europe

As Father Roche said last who will be going buses 24 639 Monday morning the new school and 513 will bring them right will last for 100 years—I wonder to the door what changes it will see

WILL BE HEARD IN A recent issue of "Radio Review carried a photograph with the following "Down-Under Broadcast—The Athlone tenor Timothy O'Regan, will be heard from Radio Brisbane, on St Patrick's Day He recently made a recording of six Anglo-

G.A.A. HURLING

Kilrossanty Were Not Pressed

Kilrossanty, 6-8, Affane, 30

The final of the Shield Competition for junior hurling between Kilrossanty and Affane drew only a handful to the Gaelic Field Dungarvan on Sunday last and even they were Besides the practice of pen very disappointed at the display ance and of self-discipline is a served up. The exchanges in most necessary means - of the first ten minutes were strengthening ourselves against rather slow with Kilrossanty the danger of falling again into doing all the pressing and it apsin in the future. While we are peared to be only a question of in this world we shall always be time before they would knock tware of a conflict going on the defenders off balance and within us between good and evil literally swallow them up. Howbetween right and wrong. On ever it was not to work out like the one hand there are our untable to the first half at ruly passions and instincts on any rate for about this time. ruly passions and instincts on any rate for about this time the other hand there are our J J Power lashed home a

despite the fact that the latter moment and every detail of our and Nugent flanking him counties have far better land individual and personal lives Buckley especially caught the The County Manager stated Besides our formal and exercise for he always managed to be in the right spot at the right moment. Then again they had capable goalie who saves much to the enjoyment of the onlookers

A Medior e Affair Oh i niver mind Does not this statement contra-religion ever us to the half On the turn over Bucko' Wid beautiful shapes nature dict the County Manager's first hour when we are at Mass or to Timmons, pointed in the first the County Manager's first hour when we are at Mass or to attement—that County Waterat is not overtaxed the moments when we are actually saying our prayers Our religion must be a vital force in few minutes and this score religion must be a vital force in our whole life, and in every department of our life Otherwise press their disappointment in the first score in the moments when we are at Mass of to the minutes and this score for Affane Relentlessly they our NFA County Executive partment of our life Otherwise forty line by the rampant fine tenths of our day and of at at their last meeting the our activities will be without broken by a feeble counter-atthe very least to stablilise the out inspiration. Our religion over the bar and goal after goal rates at last years level. In that has come to us from the was notched and the game Where the Mountains o Mourne sweep down to the sea mers of County Waterford who should indeed be a wonderful signed to defeat Indeed it was are paying 75% of the county inspiration to us in the pertal Kilrossanty now and before rate NFA has already point- formance of our daily work and ed out that if agricultural production is to increase the bal-with the very highest motives and for approaching our work and goal from a Cronin shot in the very highest motives and for approaching our work and goal from a Cronin shot in the very highest motives and for approaching our work and goal from a Cronin shot in the vertical and this duties with energy and courage 56th minute of play which left prices must be restored and this duties with energy and courage 56th minute of play which left can only be achieved by a dras- We are taught to offer to God the Comeragh side easy winners
