Would any reader of this members or forget that this year be represented by a Senior four there is an old battery or carpaid by John Citizen where the senior four All crews are now bide magic lantern If there is and you have no further use for

electrically operated one would penses ' be of no use because there is no electric current in that part of the great continent where it is oposed to use it

In lecent years there have been several disclosures which is hoping to locate this old have caused serious-minded magic lantern plans to use it to ratepavers much perturbation instruct converts in the concerning local administration instruct converts in Nigerian Mission fields

the general committee with under the impression from the sent in by Cnoc Dubh Dubtosear at present so that no last minute hitches will arise One of the big problems is accommo of the big problems is accommo determined and from the sent in by Cnoc Dubh Dubtose in the way some of them came to priate for the month of May Abbot of Proceeded Complete lack of supervision at month of the Blessed Virgin — Abbot of Abbot o dation and that is being handl- County headquarters While I ed at the moment Appeals will not subscribe to a general from the Organising Committee sweeping statement that everywere read from the pulpits at all thing is wrong I must take it Masses on Sunday last asking that a straw will at least show Masses on Sunday last asking that a straw will at least show the townspeople to co-operate to the very limit in this respect. Anyone with any available room at all should volunteer to take in someone—of course it will be on a paying basis. The ligea however should not be to make hav while the sun shows. make hay while the sun shines body comes to its decision but rather to combine in a cooperative effort to make the aspect of public administration. Fleadh a success None least of which is difficult to understand all Dungarvan people would At the last County like to have it said after the meeting during a discussion Whist Week end that the Festi-pumps and wells it was stated val was a flop because the by two members that distances people didn't care or wouldn't quoted in official reports were Now is the time to show incorrect In the case of a pump you do care by co operating at Briskey Kilmacthomas everyway you can with the Deputy Sean Ormond had no

Besides all this there will be ments given were wrong He further excitement in the town on the evening of Whit Satur-to get the true distances and the evening of Whit Satur-these did not coincide with in the 300 miles 3 day Ras Mum- those quoted officially the contest The race will com- always gives due regard and mence and end each day in consideration to every remark Clonmel with circuits of 70 130 he makes at these meetings—so Mid shouts of "Hail Brittania and 100 miles being completed 1 accept official by the cyclists The first days official circuit commencing at Clonmel wrong will pass through Ardfinnan In another case Councillor Robert Keane stated that dis-Dungarvan Carrick-on-bungarvan Carrick-on-a well at Tinaly1a were also

Yes Whit Week-end 1957 should be the memory of a life-time for most of us who live in Thingaryan Should be the memory of a life-time for most of us who live in Thingaryan I were also wrong and he was equally certain that this was so Now the question is who is

## THE BEARDED SENATORS

Seanad Eireann, the second are found wrong in one case in house of the Oireachtas where which a member went to the the bearded Senators sit and trouble himself of ascertaining deliberate on bills which have the distance would it be unreapassed through the Dail has sonable to assume that un-come under much adverse checked distances quoted in come under much It has been other such reports were alright criticism of late said that all the Senate can do I think that a report should be is to hold up an enactment for made to the Council to clear ninety days and that after that the air and remove the doubt in the contest almost dies away it has no power to order a further public mind in this regard. ther stay It has also been said that the Senate is an Institution reserved for rejected politicians and for the pets of the big need to buy new trucks at the political parties where they can sit in sheltered peace and draw £450 a year plus travelling allowances

These and other more unkind things have been said—the unbeyond the peut one of all being that the three new cars during the last and for the pets of the big need to buy new trucks at the

kindest one of all being that the three new cars during the last senate is a useless body 8 or 9 years because if he didn t

Senate is a useless body
I think that everybody, that is the cost of repairing an old one everybody excluding the success-would be uneconomic. He was ful Senators will agree that making a case for the purchase most of these things are true of the new lorries at the time I happened to be in Dublin lately and got a little inside inthat but when he said that he formation on the Senate and only received £5 to go to Dubthe methods by which Senators lin for a Dail sitting I m afraid are elected I heard of pacts he was only going half-way are elected I heard of pacts he was only going half-way bargains and barterings by Dail Deputies get their expenses bargains and barterings by Dail Deputies get their expenses which votes were given to a each way The position is that client on a particular panel in TD s are allowed 1/- a mile (for return for votes for another candidate seeking election on a different panel I heard of each day while the Dail is sit-crosses and double-crosses of ting they can collect this allow-

crosses and double-crosses of candidates who were alleged to be running under more than one ticket and of where bundles of votes had been "picked up I listened to a veteran politician who must know all the angles say that in the matter of elections the public can cod prospective candidates to some degree but when it came to the I wonder why they all try so degree but when it came to the I wonder why they all try so professionals. (I presume he hard to hold their seats at elecmeant members of County Coun-tion time cils Corporations, etc who have Seanad votes) you could trust no one I had no reatrust no one I had no reason but to believe what the man aid as he was one who has had of the Cappoquin Rowing Club life-time of experience of the Mr Dermot O Leary has asked said as he was one who has had

tolls of political life | me to note for the benefit of However, if we are to take it that the Senate is a useless years Annual Regatta at Capbody merely there to provide pensions for those whom the Monday June 10th As the new date will make this the opening me to note for the benefit of people turn down then I sup- date will make this the opening of very great significance

We cannot however lose are expecting a record entry sight of the annual costs for the from Northern and Southern

O'Leary and his rowing collow but who will name Her leagues in the Connerstone town price"

And he raised aloft a picture of The Queen Of Paradise

WHAT IT COST LAST YEAR in full training and are turning
The upkeep of the Senate and in most satisfactory performand you have no further use for it then why not help the foreign missions by giving it to a Missionary priest who will the country £29 679 not count the country £29 679 not count in £8 500 paid in travelling expectation. In most satisfactory periodic ances in training spins the country £29 679 not count away fixture on Saturday week ing £8 500 paid in travelling expectation.

DISTURBING THOUGHTS

in County Waterford Reports by the Auditors on the accounts A BUSY WEEK END

A bare month will bring us into what is expected to be the busiest week-end Dungarvan people will experience in their life-times when tens of thousands of traditional musicians and supporters from every pait of Ireland will 'take over' the Old Boro and its environs for their annual Fleadh
