A BIG ASSIGNMENT
It may come as a surprise to you as a cleric when you read that there is a missionary society in the diocese of Dublin in fact within the city of Dublin—the most Catholic city in the world. This is no exaggeration for the missionary society is none other than the Society of the Holy Child Jesus in the East and West. The Society was founded in 1852 and has since then been active in all parts of the world.

IRISH FOLK SCHOOL
The Folk School Assembly which is being held in Red Island, Co. Kerry, on the 10th and 11th September, 1959, will be the 10th annual meeting of the Folk School movement in Ireland. The school was founded in 1949 and has since then been active in all parts of the country.

Our team is not only composed of good hurlers but also of good players. The team was formed in 1958 and has since then been active in all parts of the county. The team is now one of the best in the country and is expected to do well in the forthcoming season.

Replay On October 4
The All-Ireland senior hurling final replay between Kilkenny and Waterford has been fixed for Croke Park on Sunday, October 4. The replay will be a great event and is expected to attract a large crowd.

Two and a half minutes to go and three points down. Ollie Walsh in the Kilkenny goal is the bogey man. He has scored two goals and is expected to score a third. The game is expected to be a close one.

Catholic Scout Notes
4th WATERFORD TROOP (St. Joseph's, Abteville)
Troop Meeting: We had our regular meeting on Monday evening. The meeting was held in the hall and was attended by a large number of scouts.

Best of the backs were Martin O'Connell, who at centre half, and John Walsh, who at full back. The forwards were also good and scored several goals. The game was a very close one and was expected to be a great event.

THE FOGGY DEW
With the turn of the year an autumn haze has come into the air and early rains these mornings are met with the foggy dew when they go outdoors. As this suggests a well-known ballad of 1816 and the same song has been requested by a Dungarvan lady at present home on holiday from England, what better choice for this week than "The Foggy Dew".

CAUSE FOR CONCERN
An Irish newspaper last Sunday contained an item which has caused much concern among the people of the county. The item was a report on the state of the county and the need for action to be taken.

Straw Hats In September

Never in the past decade did the schoolchildren return to school and college in such glorious weather and never did so many more people than ever before wear hats in this month of the year. Many have not even thought of wearing hats in the past few years. It is just like the start of summer instead of mid-summer. However, the dry spell has been a lot of help in the past few weeks. by chance . . .

Some of the world's greatest discoveries were made by chance. For centuries the walls of Troy and the treasures of King Priam were thought to be part of the airy dreams of Homer, until in 1870, Heinrich Schliemann, with nothing more to guide him than his simple faith in the Homeric legends, succeeded in unearthing the site of ancient Troy. A vast hoard of treasure—gold chains, cups, diadems, pendants and over 8,000 gold coins stored in vases of silver were part of the find. What a wonderful chance it was that a poor German boy who survived shipwreck and lived to become a millionaire should devote his time and money to bringing to light the glories of Troy and Mycenae and proving to the sceptics that his hero—Homer—was right after all.
