F. CO. FINAL

Id Just About /in mentator"

Whatever the result, the game is certain to be closely and interestingly contested with the greater part of the hour, because the Burreys play to the same form that they showed when putting the champions, Mount Sion, out of the running, then I take them to win their first ever title by a small margin.

POSTPONED— I understand that the junior hurling Shield game between Ballinacorney and Shamrock which was due to go on at Lisdowney on Sunday has been postponed due to the fact that Ballinacorney are engaged in the county final at Dungarvan. This game will now be played at the same venue on November 20.

JUVENILE AFFAIRS— Ballinacorney certainly upset all predictions on Sunday last when they defeated the reigning Cappoquin side in the postponed juvenile football semi-final game. With only a point between the sides at a point which provided an exciting finish and came dangerously near to ending in a draw for the second time.

The winners and Dungarvan met in the Western Junior Football on Sunday and starting at 1.30 this clash should be a most attractive contest. Ballinacorney are the favourites to the senior final. Although I admit to having underrated this match, Ballinacorney are in recent weeks, I still believe that they lack the finish needed to win a football double as they have already won out in junior.

CO. BOARD MEETING— Dates and venues for the five outstanding County finals will be known on Sunday night just after the County Board has met at Dungarvan to make their arrangements for the conclusion of the 1960 championships. The games remaining to be fixed are Junior football between Ardmore and Clontarf, and the Senior hurling final between Ballinacorney and Mount Sion. The attendance of a full representative of Western players is absolutely essential to this meeting if we are to have a fair share of the games fixed for Western.

Ballinacorney and Tallow hurlers will have a special interest in this meeting as the minor hurling championship for 1961, Tallow have appealed against the Western Board's decision to award the match to Ballinacorney who play at Cappoquin on October 2.

LAST SUNDAY— The winter sunshine and the attractiveness of the fixtures brought thousands of hurling supporters from their districts on Sunday afternoon to see whether at Waterford or Dungarvan, fans were well satisfied at the quality of the fare provided. At the city venue a crowd of more than seven thousand saw Waterford play a second half display in which their form was certainly comparable with their first League form of 1959. Tallow's two very valuable points at the expense of Kilkenny, Waterford lead in their division with 10 points from both their games played to date. This win leaves us in a very favourable position and with a good prospect of reaching the final as we did in 1959. The team's very reasonable play will be against Dublin on Saturday and this clash takes place at a home venue (probably Dungarvan). Our final test in this Division takes place three weeks later when we play Cork at their home venue.

On this form and provided the attractiveness of the fixtures account for both Cork and Dublin and earn another crack at Tipperary who are playing out in Division II. A win over Tipperary in the League would certainly prove an invaluable tonic to our side before the commencement of the 1961 championship season.

COLLIGAN WIN— Despite the big draw of the League game on Saturday a very big crowd of Western supporters remained at home to see the Western hurling team play their second title by defeating a favored Tipperary side in a game that provided its quota of thrills. The quality of the hurling in this game was all that we had come to expect from two sides whose reputations in the current championships had earned them a top-rating in their grade. Colligan, all the time showed better team work and played more open hurling than their opponents with Tourin favouring the more direct methods in Tourin whose grand performance and fine sportsmanship helped make this a most enjoyable final.
