ROADS AND MONEY

The County Council had a preliminary meeting on the Road Works Scheme for the coming year at last Monday's meeting. The Chairman's report was agreed with the main points of the scheme being discussed on Tuesday night. This is to give the members an opportunity of discussing the various plans and suggestions incorporated in the scheme, something they really were unable to do fully before Monday's meeting as they had only received the draft scheme two days prior to the meeting.

The main thing about the scheme is that it entails the huge sum of £417,197, of which the County ratepayers will have to provide £284,832 through a rate of 14 1/2d. This is almost 2d more than the rate struck for road works last year.

For ratepayers in the Urban area of Dungarvan, the report of the County Engineer, Mr. D. Hally, who is responsible for preparing the Road Scheme at sections 5 and 6 will be read with more than passing interest. This states: "Inter alia, since the Council has been since 1936, the Authority for the Urban Roads, it is accordingly the responsibility of the Council to decide the expenditure to be made on the Urban roads. The total expenditure recommended for Urban Roads in 1964 is £24,500, which is an increase of £1,320, leaving the net expenditure at £5,539."

It is indeed a shocker if what the County Engineer says is taken at its face value. It realises a sum of £5,630 it would take a rate of almost 8 1/2 to 2 on the urban where the penny in present rates is 8 1/2. If the County Engineer thinks that the ratepayers should bear more than this amount for road works, he is away up in the air. The actual construction on the sections to earth the better. Does he not realise that already the details of some of the main housing schemes in the town are up in arms protesting against the increase in rates? The Manager states he has imposed in an effort to stabilise the rate of urban rates. If this 8 1/2 was to go on the whole town would revolt and who could blame them?

The County Engineer states that the power to decide what the Urban should pay for roads has been vested in the County Council since 1936, but in the interim the County Engineer has had a number of County Engineers, one of whom was the late John J. Keenan who was a master at Road Construction, and none of them tried to force the Urban into going beyond what the local Council thought the town could afford to spend on roads. Is the policy to be changed now and is the County Council going to encroach on the preserve of the Urban Council? I think that such a change would be entirely wrong.

We have ten miles of road to be maintained and repaired and the Council has provided about £1,200 a year to which a similar sum has been added in grants which means that on the average about £200 a year has been provided for every mile of road in the urban area in the last year. Do the roads of the town reflect this expenditure. The repeated complaints of urban dwellers do not indicate this.

The matter will come before the monthly meeting of the Urban Council tomorrow (Friday) night and it will be interesting to see what their reaction will be.

A WORTHY PROJECT

All praise to the members of the Rowing Club in Cappoquin who in the townpeople of the Old Cornerstone in general for their great efforts to get a swimming pool built in the town. At last Monday's meeting of the County Council it was agreed in principle to provide a grant towards the construction of the pool and to deal with the matter finally when everything was declared in order.

Notice to Dog Owners

Every year serious losses are sustained by sheep owners—especially at lambing time—as a result of attacks on their flocks by marauding dogs.

If your dog worries livestock on agricultural land—

- You commit an offence and are liable on conviction to a fine of up to £20 for a first offence or up to £50 for a second or subsequent offence.
- If you are not present to claim it your dog may be seized and destroyed.
- If your dog is shot by a sheep-owner you may have no redress.
- You may be sued and be liable for heavy damages.

If you allow your dog out without control between the hours of sunset and sunrise, you commit an offence under the local authority bye-laws (except in the City of Dublin) and may be fined up to £100.

PLEASE KEEP YOUR DOG UNDER CONTROL

TURKEYS AT GIVEAWAY PRICES

Protests At Treatment Of Producers

Protests against the treatment of turkey producers during the weeks prior to Christmas were made at the monthly meeting of the County Committee of Agriculture in Dungarvan last Saturday.

Mr. J. Fahy who raised the issue said that producers sold their turkeys at giveaway prices, some at as low as 1 1/2 per lb. and then the prices soared, but it was the middle men who made the big profit. "This kind of thing," said Mr. Fahy, "seems to be occurring far too often. The middle man is making a colossal profit at the expense of the producer and consumer. In their reports on the prices and the large stocks of turkeys in Britain which appeared from early December, the daily papers and the 'Farmer's Journal' were to help either."

Mr. J. Drohan supporting said that the producers had been kept in the dark for too long about the prices.

When Mr. M. Galley said that the trouble was caused because the buyers had an organisation and the producers none and that the same position would remain until the producers organised, Mr. N. Walsh, remarked: "The Department should be the producers' organisation."

Mr. W. Dowd said that the whole poultry industry had collapsed and did not warrant the expenditure of public money on it. Eggs were at present quoted at 1 1/2 per dozen and there was surely something wrong when 10 dozen eggs cost more than a dozen of eggs.

"The time has come," said Mr. Dowd, "to give the matter serious consideration. It is costing us about £2,300 a year in this County alone and we cannot compete with the position in England."

Mr. Michael Harty, Chairman, said that because the Department had refused to set a minimum price for turkeys for a year ago that an all year round minimum price had been set for turkeys. An industry which had been "wiped out" had gone with it.

THE MATH OF CASTLE CRAIGH

Three times the Howlers have been in since I left my native home. Through hopeless love notwithstanding, in foreign lands to But wherefore I wandered, No maiden fair could ever compare with the Maid of Castle Craigh.

I courted her a year and more, and sought to gain her love. And sure her heart was found and warm, though timid as a dove. But Oh! I never knew, till I was far away, That she was with my gentle heart, dear Maid of Castle Craigh.

But now my griefs are all at rest, the wars at length are o'er. And I have safely on Erin's soil, I'll never leave it more. Real life in peace and joy, to bless each happy day. With thee, my own, my only love, my Maid of Castle Craigh.

BOARD FAITE Criticised At Co. Council Meeting

What has Bord Faite done in the past to bring people to Ireland? asked Councillor T. Lannen at last Monday's special meeting of the County Council in Dungarvan during a discussion on an application from the Bord for a maximum grant in aid of funds for the coming year. Mr. Lannen travelled extensively in England and on the Continent on business the only people doing anything to bring tourists into this country are Aer Lingus as they want to have their planes full coming back from England and the Continent. "I have never seen an advertisement from the Bord outside the country," Councillor Lannen said. "We have a beautiful country here and we are being badly let down by the 'Tourist people'."

Councillor J. Curran, Chairman, assured the Council that there was to be a new approach in all this and that more money was being put into the country.

Mr. Lannen referred to the sum recommended to be spent on Dungarvan Urban Roads and said that £1,200 was the amount passed by the Urban Council last year. He thought it should be a matter for the Urban Council to decide what amount would be spent on the roads. If this £2,500 was to be put on the Urban rates it would drive them sky-high.

COUNTY COUNCIL ADJOURNS CONSIDERATION OF £417,197 ROAD SCHEME

But Passes Supplementary Estimate

Waterford County Council at a special meeting in Dungarvan last Monday, decided to adjourn until next Tuesday consideration of the Annual Road Works Scheme (total £417,197) submitted by the County Engineer but decided to close the Local Government on the question of grants over the main roads supplementary estimate of £217,197 for work on main roads.

Mr. J. D. Hally, in his report to the Council on the Road Scheme, stated that the total mileage of county roads was 1,234, and by March 31, it was anticipated that 868 miles or 69 per cent. of the total would be dust free.

The approval of all schemes and works proposed came to a vote of 12 to 10. The estimated expenditure to be provided by the County at £204,539, which would require a rate of 14 1/2d. in the £.

The scheme planned a total expenditure of £24,500 for roads in the Dungarvan Urban area and also provided for the implementation of the national wage agreement to give an increase of 5 per cent. to roadworkers.

Mr. T. Lannen referred to the sum recommended to be spent on Dungarvan Urban Roads and said that £1,200 was the amount passed by the Urban Council last year. He thought it should be a matter for the Urban Council to decide what amount would be spent on the roads. If this £2,500 was to be put on the Urban rates it would drive them sky-high.

Mr. T. Kyme, T.D., said that the Urban Council would consider the matter on Friday night and he suggested that the County Council should accept the County Engineer's recommendation.

Mr. Hally pointed out that the Urban Council would consider the matter on Friday night and he suggested that the County Council should accept the County Engineer's recommendation.

Mr. Hally pointed out that the Urban Council would consider the matter on Friday night and he suggested that the County Council should accept the County Engineer's recommendation.

SALARY INCREASES FOR CO. COUNCIL CLERICAL OFFICERS

By 9 votes to 7, Waterford County Council at their special meeting in Dungarvan on Monday last voted increases to 19 clerical officers, 12 men and 7 women, employed by the Council. The new scale for men is £350 x £38 to £500 x £530 and for women £235 to £300. The increases are to be paid as from April 1st and will cost the Council £1,350 extra per year.

Mr. T. Kyme, T.D., moving that the increase for men and women be granted, said that this would not affect the 9th round increases. He disagreed with the differential between men and women when they did the same work.

Mr. D. Madden seconded. Mr. T. Lannen proposed that the increase be not granted. He was told by Mr. S. Deegan, Chairman of the County Council, that the present salary scales of clerical officers ranged from £220 to £290 a year.

Messrs. Kyme, Drohan, Fahy, Roche, Heskin, Cahill, Koneally, Madden and Morrissey (P) voted for the increase, and Messrs. Curran, Dowd, Lannen, O'Driscoll, Walsh and Galley (P) opposed it.

Mr. H. Dowd did not vote.

COUNCIL VOTES £500 GRANT FOR TOURISM

By 15 votes to 1, Waterford County Council agreed to provide a grant of £500 for the minimum to qualify them for a distribution of the new Regional Tourist Council, to Bord Faite at last Monday's special meeting in Dungarvan.

The proposal was made by Mr. M. H. Dowd, and seconded by Mr. G. Heskin, and was carried by 15 votes to 1, while a further amendment proposed by Mr. T. Lannen, and seconded by Mr. P. Cahill, that the matter be adjourned to the estimated meeting, was also defeated by 15 votes to 4.

COUNCIL IMPASSE ON HEALTH AUTHORITY ESTIMATE

Waterford County Council following a long hour's discussion at a special meeting in Dungarvan last Monday, failed to reach a decision on the recommendation on the provisional estimate of the Health Authority for 1964.

It was stated that the Health Authority would require an additional 1d. in the £ on the County rates.

Mr. W. Dowd said that the matter was a serious one as he believed with this and other increases the county rate would be well over 60/- as compared with 48/6d. this year. He proposed the Health Authority should be reduced to £24,000 for the present and this would reduce the increase from 1 1/4d. to 9d. on the rates.

Mr. J. Fahy seconded. Mr. T. Kyme, D., proposed that the estimate as adopted by the Health Authority be approved, and this was seconded by Mr. Roche.

A further amendment was proposed by Mr. W. Dowd, that £23,000 included in the estimate in anticipation of a 10 per cent. increase on officials be deleted. "The day has come," said Mr. Lannen in proposing his amendment, "when we must put a stop to these increases to 'people being already well paid'."

Mr. Kyme's amendment was first put and defeated by 13 votes to 9.

Mr. Lannen's amendment was then put and 9 to 9 the vote resulted. The Chairman gave his casting vote in favour and declared it carried.

Mr. Lannen's amendment then became the motion replacing that originally proposed by Mr. W. Dowd, which was defeated by 11 votes to 7 and Mr. Lannen's motion was finally voted on and was also defeated by 9 votes to 11.

The Chairman then declared that the result was that the Council could make no recommendation on the estimate.

A MUCH TRAVELLED WOMAN

A much travelled woman, Mrs. E. M. Hoekin of Abbeystead, Dungarvan, widow of the late Col. J. Hoekin, Mrs. Hoekin has been twice to the United States and more recently to Africa within the past two years. A party enthusiast, Mrs. Hoekin is a member of the Dramatic Club and the Sailing Club, Mrs. Hoekin has also been a member of the Dungarvan Branch of Irish Country Markets, and her own home is a most attractive one. Mrs. Hoekin has won her praise, not only at local but at National level, for the excellent manner in which the Dungarvan Branch Accounts are kept.

It had the pleasure of recently listening to Mrs. Hoekin relating experiences of her trip to Kenya in the fall of last year to a small group of friends. On this trip she accompanied Mrs. R. Woodhouse of Ballymore, who was visiting her son, and as I listened to the names of such mysterious places as Tsavo, Mombasa, Treetops Hotel, and references to lions, elephants, giraffes, and jungle creatures, I realised what a wonderful adventure and a great experience it is to travel abroad and see at first hand what

G.A.A. NOTES

33 Motions For Sunday's County Convention

Selection Committees Cause Co. Board Friction

By Commentator

COUNTY CONVENTION Sunday next is County Convention and as usual more than 250 delegates from all corners of the County will turn up at Dungarvan to review an other very successful year, and to plan the policy of the County in G.A.A. matters for the coming year.

NOMINATIONS Fifteen members have been nominated for the 24 seats on the County Board, but it may yet be further increased. Both Divisional Chairmen, Nicolas MacCrath and Pat Coffey, as well as Ballygunner man Tommy McGeehan, have been nominated for the Board.

ORMONDE CINEMA DUNGARVAN

Performance Each Night at 8.30 p.m. Matinee Sunday at 3 p.m. Sunday, January 26th - Denis O'Keefe, John Lockhart, in 'THE SPARE WIVES', Comedy. Mon, Jan. 27th - For Two Nights, Lina Turner, Lynn Lohan in 'PEYTON PLACE', Drama.

CO. BOARD MEETING

As we expected there was a full house at Monday night's meeting of the County Board at which all Selection Committees for 1964 were appointed.

DESPOND, CAPPOQUIN

Sunday, Jan. 25 at 8 p.m. - MAD DOG COLL. With Kay Douglas, Michael Hayden, in 'THE COLLIER'S STORY OF VINCENT COLL', the maniac with a machine gun.

MOTIONS

Conventions normally end around 10.30 and the delegates are then taken through the motions listed for Sunday, I take a bet that they will be a great work and ended when Anselmus time arrives.

REGAL, TALLOW

Sun. Jan. 25 at 8 p.m. - 13 WEST STREET. With Alan Ladd, Rod Taylor, in 'THE GREAT ESCAPE', a thriller.

THE IDEAL GIFT

For those who have been forced to leave their native land, nothing is more dear than the news from home.

Up to TWO TONS MORE PER ACRE for main and seed potato growers

Get the biggest possible return from your potato crop next year - use fluorescent lighting to control the sprouting of your seed.

This ensures: * Earlier and heavier yields. * Reduced losses from early potato blight. * A more uniform crop with fewer misses. * Better operation in mechanical planters.

Fluorescent lighting provides the PROVEN answer to the big problem of correct potato sprouting!

Fluorescent lighting fittings are hung in the alleysways between stacked sprouting boxes and are switched on for twelve hours a day. Any farm building which can be made proof may be used. One fitting is sufficient for the controlled sprouting of a ton of seed potatoes. Purchase price is £10 and running costs are low - certainly no more than 7s. 6d. per ton.

Expert advice is available on request from your local E.S.B. representative

DEATH: Prendergast, Arthur, 70, died on January 23, 1964, at his home, 12, St. John's Street, Dungarvan.
