THE RATE IS STRUCK
The County rate has at last
been struck and it must say
that we can be thankful for
small mercies in that the
increase which the ratepayers
of Waterford have to face is
not as high as it might have
been. It is, in fact, a
welcome relief to the ratepayers
of the County. The rate is
fixed at 57.4d. per £100
of rateable value. This is
an increase of 1.6d. on the
rate of 55.8d. which was
in force last year. The
increase is a result of the
fact that the County Council
has had to meet the
increased expenditure on
the various local services
which it has to provide.
The ratepayers of the
County will be glad to
know that the rate is
fixed at a level which
will enable the County
Council to meet its
obligations without
having to resort to
any other means of
raising money. The
rate is a fair and
reasonable one and
it is to be hoped
that it will be
accepted by the
ratepayers of the
County.

CO. COUNCIL
RATE MEETING

Chairman And Officials
Under Fire

The meeting had not been
called on his initiative but by
the County Secretary, Mr. J.
C. Dowling. In it the
Chairman and the
Council members
discussed the
provisions of the
Public Bodies Order 1959. It
was decided to
submit a
proposal to the
Minister for
Public Buildings
and Works. The
proposal was
that the
County Council
should be
allowed to
charge a
rate of 57.4d.
per £100 of
rateable value
for the
year 1965-66.
The proposal
was
accepted by
the Council
by a
majority of
13 votes to
5.

BOOM AT THE TOP

It is no wonder then that
the more
ambitious
public
representatives
become
somewhat
frustrated
by a
series of
frustrating
repeated
over and
over again.
The
Chairman
and the
Council
members
are
becoming
alarmed
at the
prospect
of a
series of
increases
in the
rate of
taxation
which
will
bring
the
County
Council
to the
brink of
financial
collapse.

BALLAD CHOICE

It's amazing how old ballads
have become
revived
recently
by being
sung
out for
entertainment
by the
pop singers.
However,
it would
be better
to
sing
the
old ballads
for
entertainment
than to
sing
the
new
ballads
for
entertainment.
