their means exceeded the previous limits are advised to make fresh application if their yearly means do not exceed the new limits.

Other improvements in relation to the pension code are also brought into effect as from 1st August, viz:-(a-income from charitable organisations is disregarded in assessing means. Is the case of blind pensioners, the amount of annual carrolings disregarded in assessing means is thereased to LGs in SS Sche each qualified child; the maximum amount of pension which may be allowed by the hospital authorities to certain detained patients in mental hospitals is increased from 10- to 20 - a week. The hospital authorities no also may be payments out of pension, on the patient's behalf, in respect of his commitments by way of rent, rates, land purchase annuity, etc.

1d- in the case of channis to pension who are in recept, of amounties from the sale of holdings to the receipt of amounties from Section 8 of the Land Act, 1655, up to 53 weekly at annuity is disregarded in means assessment.
