FOOD FOR THOUGHT

My contribution to the Road Safety Campaign this week comes in the form of a poem which has come to me from a Cappoquin reader who wishes to remain anonymous, but who in the course of her letter tells me how much she admires this column for the pleasure it gives and especially the ballads given her.

If everyone who drives a car could file a month in bed with broken bones and stitched up wounds or fractures of the head. And there could be no more that many people die. They never need preach safety any more to me or you.

THE INTERNATIONAL SCENE

It is always refreshing for me to record in these columns the mark local men make in national and international spheres. County Waterford, although it may be known as the Gentle County and its people are not only making their way in the world but also in the European Community. At the current conference of the European Community in Brussels, Mr. Paddy Terry, Chairman of the Department of Agriculture, was a member of the delegation. With a great deal of wisdom and commendable foresight, he has decided to establish a number of scholarships which will be competed for by the youth of the county in the years ahead by the youth of the West Waterford. The scholarships will be named in commemoration of the 1916 Men and

Rev. Fr. M. Walsh, C.C., President of Ballinacourty Football Club, in the course of his address at their very successful 19th Annual Social held at Clonera Hotel on Thursday night last and attended by almost 200 people said it gave him great joy to be present at the Club's 19th Anniversary. The Club of the Ballinacourty Club it was 15 years ago since the first attended social of the Ballinacourty Club which had been held in the Club but he said the Club had been through the years even though the personnel had changed. He thought it was because it did their future success was assured. He then referred to the Club's great victory, having succeeded after 18 years.

BAD SPORTSMANSHIP

Parting on a very topical subject, the County of Ballinacourty, the Rev. President said that Ballinacourty had done well in the County Championship, they also displayed great sportsmanship in all their games.

OLD PARISH ARE CHAMPIONS

Thrilling Win In J.F. Final Replay

Old Parish were crowned Western Junior Football Champions on Sunday last, when they scored a thrilling 1-0 victory over Ardmore in their Western final replay which produced an hour of exciting football packed full of incidents which gave the goal-sized attendance plenty to think about in the post-match conditions were anything but good, the quality of the football was of a high standard and was thoroughly enjoyed by all.

FULLY DESERVED VICTORY

Old Parish, to say the least, fully deserved their victory, and each year the Western final with replay. After throwing away victory in the original game they looked all set to repeat the performance on Saturday at the half-way stage when they were trailing by 2-0.

LOST INTEREST

It looked as though the winners as Ardmore increased their lead with a goal which they scored in the 17th minute. The game, but then in the 20th minute they scored a goal which put them in the lead. The game was a bit of a shambles, but the Old Parish defence were magnificent in the closing stages of the match.

ACCOMMODATION

The 1966 season the need for accommodation, especially in the middle of the range, is becoming more and more acute. This is especially evident in areas which were directly in the path of traffic to and from the Car Ferry in Rosslare. In 1964 a per cent of the hotel beds in Rosslare were booked in the month of August. This is a very small percentage indeed taking into consideration the increase in the number of tourists who have flocked to the area on the way to the south or to the east. The hotel industry has been successful in meeting this demand and many of the hotels in the Rosslare area at present have a waiting list.
