TAKE IT DOWN
I note that Youghal Urban Council have been discussing the sign-post at Tarrs Bridge, Dungarvan, which is met at every junction by passing the southern coastal route by directing them to Killybeggy through Malloy.

Where is it all getting us? Our living standards are going up but can we say that we are happy and enjoy the same peace and contentment which people once knew. Is it worth sacrificing the latter for the former? These are six mark questions. And to make matters worse we are looking for more from the economic side than we are getting.

THE OLD WOMAN FROM WEXFORD
This week's edition of the Old Woman from Wexford is one of a comic twist and gives like this:
There was an old woman from Wexford.
And she loved her old man dearly.
But another twice as well.

AS A MOST DISTRESSFUL COUNTRY
The United Kingdom Napper Tandy said about Ireland in the 1960s, it's a most distressful country. And so it is today.

THE OLD WOMAN FROM WEXFORD (continued)
One day she went to the doctor.
Some medicine for to give me.
She said will you find me something.
That will make my old man blind.

THE OLD WOMAN FROM WEXFORD (continued)
Feed him eggs and marrow bones.
And make him suck them all.
And if he won't see you at all.
Till he won't see you at all.

THE OLD WOMAN FROM WEXFORD (continued)
The doctor wrote a letter.
And he signed it with his hand.
And he sent it to the old man.
Just to let him understand.

THE OLD WOMAN FROM WEXFORD (continued)
So she fed him eggs and marrow bones.
And made him suck them all.
And if he won't see you at all.
Till he won't see you at all.

THE OLD WOMAN FROM WEXFORD (continued)
The woman she stepped back a bit.
They tussled and pushed him.
But the old man quietly stepped aside.
And she went tumbling in the air.

BRICKEYS DEFEAT STRADBALLY IN JUNIOR FOOTBALL GAME

Stradbally Rangers who had only fourteen men on their side for the first quarter of this game... Brickeys failed to make up fifteen at the commencement of the game...

KILROSSANTY AND CAPPOQUIN FINISH LEVEL

Kilrossanty and Cappoquin failed to settle accounts in their minor football championship game played at Dungarvan on Sunday last...

Even though both sides included seniors in the line-up the standard of football was low even though the game was exciting and entertaining...

The standard of football left a lot to be desired and the only compensation for spectators was the brilliant sun which shone throughout the afternoon...

Just six minutes from the end of the game when Paddy Kelly attacked a Stradbally player who was being tackled by referee...

When the referee then ordered the offender off the field and actually showed the red card...

Abbeyside Too Good For Colligan

Abbeyside proved too good for Colligan when they clashed in their under 21 hurling championship game at the Ballydoon field, Dungarvan, on Thursday night of last week...

Abbeyside Too Good For Colligan

The village boys gained control early on in the game and led 2-3 to 0-1 at the interval. Indeed the scoreline at the break in no way did justice to the winners who all through the first half had been dictating the pace and trend of the game...

AVALANCHE OF SCORES

After Colligan had gained following a spate of pressure, the Abbeyside men found the range and banged home a goal and two points in quick succession...
