**Tallow and Round About Notes**

**Sympathy** — We tender our deepest sympathy to the brothers sister and other relatives of the late Mrs. Catherine Bennett, Main St., Lismore, whose death took place last week following a brief illness. Deceased was well and popularly known in Tallow and Knocknagorney areas for her capacity as Social Welfare Agent up to her retirement a few years ago and previously for her prominent membership of the Cumann na mBan during the Anglo-Irish War. She carried out many dangerous missions as a dispatch carrier for the I.R.A. during that period and the home of her parents at Monamagony was a haven of rest for many a hunted rebel. May her generous and noble soul rest in peace.

**Tellet For Tallow** — We note that a deputation from Tallow attended the evening meeting of Waterford County Council recently to stress the provision of a public toilet for the town. The deputation consisted of Rev. Sean Nugent, C.C. Tallow; Chairman of the Regional Development Committee, Rt. Rev. Canon C. Foster, Rector; Mr. John Kelly, M.P. and Sgt. V. Borin, G.S.

They put all the facts before the Council and stressed the urgent need for the provision of a public toilet. But we also note that after the withdrawal of the deputation no provision was made in the estimate for any of the requests made by the deputation.

Over sixteen years ago we attended a meeting of the Waterford County Council for the first time ever held outside Dunganarvan in the Temperance Hall, Tallow, under the Chairmanship of the County Council, Mr. Morrisey Solr, Traamore. The present Chairman of the County Council, Mr. C. Curran was, if our memory serves us right, also present at that meeting. But we do not regret to say was not so well attended.

In the course of that meeting was also the provision of a public toilet for Tallow. At a subsequent meeting of the County Council the present Chairman on record as saying that he had no objection to the residents of Tallow were not too interested in a toilet in the town. Since that far distant day the question of the provision of a toilet has come up periodically but various excuses have been put forward by the County Council. At times it is a lack of money and other times a suitable site, but however Tallow is still without a public toilet.

Well as Fr. Nugent pointed out a site now available to which there is no objection and this is 1968 when people are thinking of landing on the moon, surely it is not asking too much of the Council to accede to the request made by the deputation and have a public toilet erected in the town. As was pointed out by the deputation large crowds attend dances in Tallow and they also had a big annual festival. Many requests have been referred to by visitors to the town, therefore it is about time the County Council took up their responsibilities in the matter.

**5700 To Be Won At The Arch Ballroom On Next Sunday Night** — As will be seen by an advertisement in this issue you can win £500 at the Arch Ballroom on next Sunday night, March 10th. It is under the auspices of the Tallow Regional Development Committee so if you want to see your luck as it was on Sunday night at 8.30 p.m. The Hall will be specially heated for the occasion.

**Fisherman's Licence Held Up** — We have been informed that a well known fisherman of the Blackwater has had the issue of a licence to him held up for a period of nearly three weeks. This man's family have been fishing on the Blackwater since time immemorial and we cannot see the reason for the withholding of his licence. Had the start of the season been a good one which unfortunately it was not, this fisherman stood to lose heavily.

Mr. Martin Corry, T.D. said recently at Youghal that he would like to see the end of licences paid by salmon fishermen and with him we agree. If the land of Ireland belongs to the people of Ireland then the rivers of Ireland should also belong to them. The licence is hazardous enough without having to pay for it. It is a matter of fact about the matter and have our rivers given to those to whom they should belong, the Irish people.

Mr. John Fahy, T.D. visits constituencies — Mr. John Fahy, T.D. visited Tallow, Lismore, Cappoquin and Ballyduff on Saturday March 2nd for the convenience of his constituents.

**Kilwatermoy Dramatic Society** — The Society presented "The People's Choice" on Friday, March 1st. The proceeds were in aid of Glendine Church Repair fund. The Society were travelling to various halls in West Waterford during the Lenten season.

guidance which was always readily available.

**500 Dollars For Church** — The priests of Tallow parish have received the sum of \$500 from an American donor. The money will be used for the erection of a new altar in the Church of the Immaculate Conception. The donor is a former resident of Chapel Street, St. Mass in Sunday, February 25th. Rev. Sean Nugent, C.C., paid tribute to the donor for her generous gift.

**Sympathy** — We extend our sympathy to Mr. Byrne, Knocknagorney, Conn., and other family members on the death in England of their brother the late Mr. T. Byrne, who died on Saturday, March 2nd. An event occurred early this week.

**Regional Drama Competition** — Four groups took part in the monthly Regional Drama Competition held in the Minor hall, Tallow, Conn., recently. They were Conna. Spring by T.C. Murray, Killarney, Co. Glencork, "The Romantic Lover" by George Bernard Shaw, and "The People's Choice" by T.C. Murray. Mr. Bill Hammond, the well known Tallow playwright who adjudicated, commented on the competition said it was good to see a play by Shaw included in the programme as it indicated a start in the trend of Maera Drama Festivals in which groups might now produce plays which were of a high standard. Speaking of the winning team Killarney, he described their presentation as a splendid production. The play, he said, had good movement which used the stage to the full and the most was held right to the end. He paid special tribute to Miss Nora Walsh as Jude, who he said was an excellent actress. The cast of the winning group was as follows: — When Kneel, Mrs. Andrew, Bridget, Mrs. Shivan, Mrs. O'Connell, Mrs. Seamus, Nora Walsh as Jude, and Mary Walsh as Nora.

**Kilwatermoy Dramatic Society** — On next Wednesday night, March 13th, the Kilwatermoy Dramatic Society will give their long deferred visit to Tallow when they will present Brian M. O'Connell's "The People's Choice" with full supporting variety of acts.

Their recent appearance at Kilwatermoy Hall drew a full house and we feel sure they will receive full support in the Brideside town.

**Mr. Sean Treacy, T.D. To Visit Constituents** — Mr. Sean Treacy, T.D. will visit his constituents at the Arch Ballroom on Saturday, March 9th, at 7.30 p.m. for the convenience of his constituents.

**WATERFORD'S LEAGUE HOPES DASHED**

**Wexford Win At Dunganarvan**

Waterford's hopes of a play off in the National Hurling League were dashed at Dunganarvan on Saturday last when they were defeated by Wexford in a lively encounter which produced some goals. It was a brilliant performance by Wexford which the home side could only watch helplessly.

Wexford came to Dunganarvan as favourites, but they were unable to survive against a great team who played their best hurling of the hour during the first half. Wexford's forwards were unable to draw level with the home side and the half ended with a 1-4 to 1-2 lead for the home side.

Waterford were not at all discouraged by the result. They will be hoping to play a play off in the National Hurling League in the near future.

**ST. PATRICK'S DAY PARADE IN LONDON**
