I rail see the bite mountoins habve me.

The corn waving mellow and gold.

The little green fields by the first the Valley of Sweet Abarlow.

I can count all the stiles and better played the hymns. The barlow.

I can count all the stiles and the stiles and the member of the stiles of the St. Vincent de Paul Conference carried the canopy. And the little thatched home by the roadside where we sang round the first played the canopy. You will be still the stiles and the still the still that the conference carried the canopy. You will be still the conference ca

### A PUBLIC MEETING will be held at the

PAROCHIAL HALL, BALLINAMEELA

ON MONDAY, JUNE 24th at 9 p.m.

To have a full discussion on the issues involved in the forthcoming Beet Growers' Election.

THE FOUR CANDIDATES HAVE BEEN INVITED TO. ATTEND. It is of vital importance that each Grower has a full and

clear knowledge of all the issues involved before voting on the following Saturday. EVERY BEET GROWER SHOULD MAKE IT HIS BUSINESS TO ATTEND THIS IMPORTANT

MEETING.

One gallon is as good as 14 Fattening pigs will consume up to 3 gallons of SKIM per day along with 2 lb. meals. Sows can be fed up to 5 gallons each day. § gallon per day provides enough protein for growing and fattening pigs. Calves can be fed 1½ gallons morning and evening.

Skim can be fed sweet or sour. In practice it is better to feed it sour all the time.
