FINAL REFIXED
entator

representing Lismore didn't
see with the Board's decision
the matter and complained
at the Board were bending
a rule to suit their own
interest. However, we can now
inform that the final will be
settled in the last half dozen
days. Lismore are making
every effort to ensure that
it will be retained by their club.

LAST SUNDAY
There was an aggregate of
about 2,000, at last
Sunday's three Westerns final
quite a good number of
the spectators. The biggest
circumstances confined them
to a venue and allowed them
to see the best game of
the year and the biggest
Lismore were Shamrocks.
meeting their fourth final in
row, defeated Tourin in a
toss final. I would rate it
as the best game I have
ever seen and great credit
must go to both sides for
bringing it to such a
high level.

It was the opinion of many
that some late defections caused
illness further seemed to
be their chance, but by half-
time many were forced to
leave their seats as they
were hard luck on Tourin.
fall after such a great battle
the final, but on their
side here and in all their
attempts during the year, their
turn is safe and their turn
is safe. Few news deserved
a title more than Shamrocks
did and for them it
was a wonderful achievement,
having suffered three frustrating
defeats in the previous
years to come back and win
such a great one.

WE look forward to seeing
them in the county final at
Dungarvan when they meet
"Yorkbank here on Sunday
next.

IRE OCE THROUGH
The history in
Sunday last when they took
the primary hurling title in
their first year of existence.
This was really a wonderful
achievement by this
club who have so
thoroughly justified the confidence
that they displayed from the
start.

MAHON ROVERS TAKE
TITLE
Congratulations too to Mahon
rovers, who took their first ever
county title on Sunday last
when they defeated Tourin in
the Western final at Dungarvan.
This was a wonderful
achievement for a club situated
in a remote area, and many
of the players are
young men who
deserve the
praise they
deserve.

LETTERS TO

Cappoquin Vocational
School
Dear Sir I wish to reply to
the accusations and abuse hurled
at the Cappoquin Vocational
School by members of the County
Waterford Vocational Education
Committee.

From the beginning, as a
representative of His Lordship
of Ross, I have been closely
connected with the discussions
regarding post-primary educa-
tion in the Cappoquin complex.
At a meeting in Lismore in the
Spring 1967 it was suggested by
the County Vocational Education
Committee that the school should
be a day-school, and that the
County should pay for the school
and that the school should be
run by the County. The school
was to be a day-school, and
that the County should pay for
the school and that the school
should be run by the County.
