GOOD WISHES
This week marks the completion of the 30th year in existence of the "Dungarvan Leader," the first issue of which was published on December 21, 1908. From its foundation it has flourished and through the years has built up a large body of readers. In congratulating the proprietors of the paper on this important milestone, we also avail of the occasion to thank the many readers and supporters of the "Leader" for their loyal support through the years and trust that it will continue to be a source of pleasure and interest to all who read it for many years to come.

DOWN THE DORENS
For years past deputations from various parts of the county have from time to time come before the Dungarvan County Council pleading for repairs to the various roads which are in need of attention when they have to live. The latest of these deputations was that of the deputation from the County of Down, who were in the county as nothing seemingly is ever done to ease their lot.

SCOUT NOTES
4th WATERFORD TROOP (St. Joseph's Abbotside)
Last Friday night our party travelled to Old Park and again scored a magnificent victory. The final margin between the two teams was twelve points. The game was very hard fought and the boys were very tired at the end of the match. The boys were very well behaved and the game was very well played.

FINAL EFFORT TO BE MADE TO RESOLVE CAPPOQUIN SCHOOL CRUX

It was agreed at the monthly meeting of the County Waterford Vocational Education Committee held in Dungarvan last Monday to meet representatives of the Vocational School, Cappoquin, at a special meeting to be held on December 21st. The meeting was held at the Vocational School, Cappoquin, and was attended by Mr. P. Maloney, Development Branch, Department of Education, in Dungarvan on December 21st. The meeting was held at the Vocational School, Cappoquin, and was attended by Mr. P. Maloney, Development Branch, Department of Education, in Dungarvan on December 21st.

CHRISTUS NATUS EST

In cold December he was born
The cross and the snowdrop
Still slept beneath the earth.
And under the frosty sky
Sheep and shepherd huddled close
Midnight was nigh.
There was no room at the village Inn
The dunkey's faltering steps
Guided them to a dismal cave
And there with gentle beasts
A King was born.
Suddenly in the midnight sky
O'er Bethlehem
A wondrous light
And fearful shepherds heard the tidings
Of that mystic night.
In cold December He was born
Not as the world expected Him
In the tainment of a King.
In swaddling clothes
Within the cold dark stall he lay
The Child of Light
And Heaven upon Heaven
Had looked down
That wondrous night.

NECESSARY REPAIRS TO DUNGARVAN QUAY WOULD COST £20,000

Special Meeting To Discuss Future Prospects
Mr. J. P. Robinson, Town Clerk and member of the Dungarvan Urban Council at their meeting last Monday night at the Town Engineer, Mr. P. Walsh, B.E.E., had estimated that repairs needed to put the quay into proper and safe condition would cost £20,000. Having discussed the problem the Council decided to meet at the Harbour Authority early in the new year to discuss all aspects of the harbour. It was further decided that all firms who use the harbour be requested to send representatives to the meeting to discuss future prospects.

NO AUTHORITY

Mr. Maloney went on to inform the Committee that after the current financial year they would have no authority to spend any money on the Cappoquin school building and they would then be left with no option but to sell. They were being given this information to do this and he expressed the hope that they would be able to get the building sold and settle the problem. He saw no reason why this should be done.

MEMBERS' VIEWS

Mr. G. Curran said that there was a matter of principle involved in the sale of the school. He said that the school had been built in a most high handed manner from the beginning and he was sure that the members of the Vocational Committee would not be able to do anything to rectify the situation.

CHURCH APPROVAL

Mr. A. Deasy said that the money placed on it by their building was £2,750, the value placed on it by the Vocational Committee was £4,000 and the difference was £1,250. He said that the Vocational Committee had made every effort to help the Nuns and that the school was practically nothing subject to certain conditions. held their A.G.M. on last day. The Rangers will hold their annual general meeting Sunday week next, December 22.

ISMORE BEATEN

The last game of the season, by far the biggest stock of the year, is what we had on more on Sunday, when the home side, who were the hot favourites to retain their under-21 hurling county, crashed to defeat against a brilliant Clann Na Gael team whose group have won county championships this year. To Lismore the defeat was a much bigger shock than in losing the junior hurling championship to Stradbally in the West this year. The game had been a tight team were weakened in the West this year. The game had been a tight team were weakened in the West this year.

LYONS FUND LURNAMENT FINAL

CLONMEL The final of the Sunday next, December 22, Bortolozzi play rick Davins in the final of the Lyons Fund and general tournament. Judging by the large service up in both divisions, a thrilling game is assured. The second semi-final between Matfield and the Lyons Fund is expected to be a close one. The crowd is expected to be large. The Lyons Fund is expected to be a close one. The crowd is expected to be large.
