Waterford 5—10; Laois 6—2.

Unconsidered Laois almost pupaid to Waterford's National Hurlang League hopes at Dungarvan, as Sunday last, when in an anazing first half they bombarded, ashakey Waterford defence to run up a fantastic 6—1 to 1—2 interval lead.

It was unbedievable. Waterford with the wind behind them were caught napping in the first minute when George Conrey crashed in a Laois goal. A minute later Jimmy Mahnony nipped in for another and Waterford were in real trouble.

WAFER THIN

A wafer thin half line which includes the considerable anxiety as they upded to stay with Warefrord, caused considerable anxiety as they crumbled before every Losis on shught, and for the first time in many at day goalkeeper Mick Foley seemed to lack the confidence which made him great, and but for the confidence which made him great, and but follow McGrath in the full line of difference Warefrord could have been in real trouble at the interval.

BEFECTIVENESS

CHRTAILED

As a matter of fact, Waterford were more than fortunate that the effectiveness of the Losis attack was to a certain extent curtailed due to a lack of experience. Had their players exterted a little more gard that their interval lead might have been doubled.

N.F.A. PROTEST
AGAINST INGREASED
COST OF
BALLINACOURTY
WATER SUPPLY

At the meeting of the Waterford County Executive N.F.A.
held on March 3rd a lengthy discussion took plate on the additional.
£22,000 which the County Council
now proposed putting up together
with the £98,000 already voted
towards the cost of supplying water
to the magnesite factory at Ballimacourty. This would make the total
cost to Ratepayers £110,000 and
it was pointed out that when work
acrually commenced the cost osudd
increase a great deal more. Mr.
E. Cheasty stated that onty 26%
of those paying rates in this County
were paying on agricultural land
and said support was needed from
people paying on house property to
effectively fight rate increases. On
the proposition of Mr. T. Fitzgeradd, seconded by Mr. P. Hallaham
it was decided to send a deputation
to the next meeting of the County
Council to protest against the extra
the 22,000 being leviced on Ratepaycrs. Mr. T. Corcoran proposed
and Mr. P. Wall seconded that the
same deputation as went to
Devober meeting of the County
Council should go again. The
funded Messrs. D. J. Cophian, J.
Molfloy, J. Ryan and E. Cunningham. The meeting added to this
Mr. D. Lotby and Mr. E. Cheasty.

Society held on the 24th of February 1969, the following Resolution was passed:

"That we, the members of the Committee of Management of Cork Co-Operative Marts Ltd., extend our very best thanks to the Editor of The Dungarvan Leader, for the support given during the course of the recent Fund Raising Campaign in connection with the take-over of International Mear Packers Ltd. We wish to place on record our deep appreciation of the most helpful role which your newspaper played during the campaign, and are satisfied that this was a significant factor in helping to make the campaign so successful ultimately."

On my own behalf, and on behalf of my colleagues on the staff in Cork Marts, I wish to thank you very very sincerely indeed.

Yours faithfully,

PREVALENT IN FEBRUARY

The position as regards U.D.N. became clearer during February as spawning in most areas was completed by the beginning of the month. The numbers of diseased fish reported by the beginning of the month. The numbers of diseased fish reported by the Boards of Conservators were very small. The incidence of diseased safmon was reported from the River Biograph and a second from its tributary in Blackwater. Apart from these two bish no other diseased fish were reported from the rivers flowing that the Fish Sea and in the Waterburd Fishery District, namely the Rivers Barrow, Nore and Suit.

Five diseased salmon were reported from the River Biackwater, and a single diseased fish from the River Bandon. These three rivers were badly affected in former years. About ten diseased salmon were reported each from the Water Fisher of the River Brandon. These three rivers were badly affected in former years. About ten diseased salmon were reported from the River Brome the Water Fisher of the River Brandon. These three rivers were badly affected in former years.
