**STEPPING IT OUT FOR CHARITY**  
 A big turn out is expected for the big Charity Walk organised jointly by the Abbeyside and Dungarvan Troops of Catholic Boy Scouts which will take place next Sunday. Dungarvan is one of the fifty-six centres throughout Ireland which is contributing its share to the big undertaking which has, as last year, been organised on a national basis by the C.B.S.I.

**A SPACE EATER**  
 The huge caravan being used as a tourist information office is back again in Dungarvan Square. It was trundled into position on May 1 and will, it seems, be with us through the summer and until the tourist season ends in September or October.

It is the same cumbersome, ungainly and I could add unsightly caravan which has been there for the last few years and which has been the source of a great deal of controversy. The only difference this year as against last year is that it was freshly painted before being placed in position on this occasion.

Already I have heard a number of complaining voices raised against the van. One of these was that of a shopkeeper who stated that his view across the Square has been blocked by the huge contraption. He referred to proposals by the County Engineer to bring in new parking regulations for the town which will limit parking on the Square and on the streets leading from it. He found it difficult to understand that a man who would want to place restrictions on local traders, ratepayers and business people as a method to solve the parking problems in the town centre should give permission to have such a huge caravan placed plumb in the middle of the Square.

I found I had to agree with him on this and for curiosity's sake I examined the caravan and found that it covers five of the parking bays which have been drawn and marked on the Square with not a little trouble by County Council workers. In a 12-hour day from 9 a.m. to 9 p.m. throughout the summer and taking a turnover time of an hour and a half in respect of each parking bay, I find that in fact the tourist caravan occupies the space in which 40 cars could find parking each day—the best of 300 cars over a full week!

If space for parking is such a pressing problem, why was permission granted to the placing of this van in the place in town where most space is needed? As I have said before I am not against having a tourist information office in the town. Far from it. But I do believe that a smaller unit, occupying far less space and blending in more with its surroundings would not detract one bit from the efficiency and courtesy of the staff who run the office admirably well nor from the benefit which the town and district would derive from it.

**A MILLION OR MORE MAKES NO DIFFERENCE**  
 The national debt is something which has nearly always been treated as a joke but like lots of things these days it is becoming a joke in bad taste.

Recently in the Dail the Parliamentary Secretary to the Minister for Finance in reply to a question stated that at March 31, 1970 the national debt was estimated to be £1,009 million. The amount required to service the debt in the 1969-70 period was £89 million. It was denied that as a result the country had been put in pawn.

**THE POOR ORPHAN BOY**  
 This is a ballad which has not so far been published in our ballad corner.

**CONRADH NA GAELIGE TO HOLD ARD-FHEIS IN DUN GARBHAN**  
 200 DELEGATES EXPECTED TO ATTEND

The town of Dun Garbhan is at present busily preparing for the incursion of approximately 200 Irish speaking visitors, members of Conradh na Gaelige, for the weekend of Friday to Sunday, 22nd to 24th May.

The occasion of this "sige of Dun Garbhan" is the holding there of the 1970 Ard-Fheis of Conradh na Gaelige. Dun Garbhan is very proud to have been chosen to play host to Conradh na Gaelige members from all over the country. No effort is being spared to make this one of the most successful, organisation-wise, Ard Fheisanna to date, and each and every delegate is assured of a very hearty "faite" when he enters into the countryside of the Decies.

**VERY ACTIVE**  
 The Branch of Conradh na Gaelige has been very active during the past year, engaging in Irish Cabaret, Progressives, Tourists, Famine distributions, Question-Times, Irish Nights throughout the winter, surveying, conducting the organising of the youth of the town etc., and as a token of appreciation of their efforts they have been presented with a Certificate of Merit in the Glór na nGael Competition by Uachtarán De Valera on the 26th April.

Musicians and Cabaret Artists have been organised to be present in virtually all premises where the Conradh members will gather on Friday night, 22nd May. Irish music and song will be heard throughout the town on the Saturday and the Sunday. A Dinner/Ceili has been organised for Saturday night, and will be held in the Devonshire Arms Hotel.

**CHURCH SERVICES IN IRISH**  
 A Mass in Irish and a Church of Ireland Service through Irish will be held in the town on the Sunday morning.

The stated objective of the Conradh Branch in Dun Garbhan is that every delegate will be so impressed by the friendliness and gaiety that they may return to competence of the people of Dunspend their summer leave in the area.

**GOVERNMENT POST FOR WATERFORD T.D.**  
 County Council Congratulates Mr. J. Fahy, T.D.

Tributes to his untiring ability and devotion to duty were paid to Mr. Jack Fahy, T.D., by all his colleagues on Waterford County Council at a meeting of the Council in Dungarvan last Monday on the occasion of his promotion to the appointment made by the Taoiseach, Mr. Jack Lynch as announced last week-end.

Mr. C. Curran, Chairman, proposing a vote of congratulations to Mr. Fahy said that it was a proud moment for them all when one of their colleagues, Mr. Fahy was promoted to the post of Parliamentary Secretary to the Minister for Agriculture and Fisheries in the Government.

Mr. S. O'Mahoney, Chairman of the County Council, said that he was proud to have a member of the past twenty years.

Mr. Walsh recalled that both Mr. Fahy and himself were elected to the Council for the first time in September 1950 and he now knew him for a considerable period and the honour he had now received was richly deserved. He said that he always recognised Mr. Fahy as a man of great ability, great commonsense and great liberality, and what they wanted was strong government to uphold law and order in the country.

Mr. S. Whelan, Vice-Chairman, said that Mr. Fahy's appointment came as no surprise to him because he was a man of outstanding ability and the experience he had as Chairman of the County Council in Agriculture besides being a practical farmer himself would stand to him in his new position.

Mr. W. Kennally, T.D., said that when the 200 delegates from all over the country arrived in Dungarvan they would make it a real Irish fair for the week-end of the Ard Fheis.

Mr. Donnell O h-Aodha, Secretary, Central Executive congratulated the branch officials on the great amount of work which already had been done in organising for the Ard Fheis.

Present also at the Press Conference were Mr. J. P. Ryan, President Junior Chamber, Dungarvan, Miss A. de Paor, Secretary, Junior Chamber, Committee, O h-Gaia, etc.

**SAILING INSTRUCTOR FOR DUNGARVAN SAILING CLUB**  
 The Dungarvan Harbour Sailing Club, have with the cooperation of the Irish Yachting Association, booked a Sailing Instructor, to hold junior sailing instruction classes from July to 15th, this is the first time the Club has attempted this venture, and we feel it will be a glorious opportunity for the Juniors.

Sailing and boating in general, are an excellent outlet for junior energies, and will provide them with a worthwhile hobby, whilst, a healthy respect for the sea.

Full particulars from any members of the Committee.

**TRANSPORT TO POST-PRIMARY SCHOOLS SCHOOL YEAR 1970-71.**

**NOTICE TO PARENTS AND GUARDIANS**

The free-transport scheme has been introduced to provide the opportunity of post-primary education for children in rural areas who live an excessive distance from the nearest post-primary school.

Under the terms of the scheme, children living three miles or more from the nearest centre at which free education is available are eligible for transport to that centre, provided they qualify for recognition as post-primary pupils. To qualify for such recognition the pupils must:

(a) Enrol in a post-primary school "recognised" by the Minister for Education.

(b) Be not less than twelve years of age on 1st January, 1971;

(c) As a rule have completed sixth standard in a national school or its equivalent.

Eligible pupils commencing post-primary education in September, 1970, should apply for transport without delay on a special form which can obtain from the headmaster or headmistress of the post-primary school at which they propose to attend.

Eligible pupils at present attending post-primary schools will be given an application form by their headmaster or headmistress.

Eligible pupils intending to commence a Leaving Certificate course from September, 1970, at a centre other than that in which they studied for their Intermediate Certificate should apply for a transport application form to the headmaster or headmistress of their new school.

Since the preparatory arrangements take a considerable time, free transport cannot be arranged for pupils who do not complete and return the application forms to their headmaster or headmistress before 15th May, 1970.

Parents should note that eligibility for free transport is decided by reference to the distance of the home from the nearest school and not from the school actually attended. Application cannot be accepted from pupils living less than three miles from the nearest school.

Direct transport cannot be provided from pupils' homes; the scheme is organised on the basis that no pupils will have more than three miles to walk or cycle either to the nearest school or to a pick-up point on a school bus route serving the nearest school.

All enquiries concerning the operation of the scheme for children attending post-primary schools in the undermentioned areas should be addressed to the appropriate Transport Liaison Officer acting as agent for the Minister for Education.

**Cappoquin News**

Charity Walk—Deserving causes will benefit by the Charity Walk promoted by the Boy Scouts of Ireland on Sunday next, May 17th and the newly-formed Cappoquin Troop are participating in this worthwhile venture. The walk commences from the Park, Cappoquin at 12.30. Route: "The Cats" first checkpoint 3 miles; Begley's Cross, second checkpoint, 6 miles; "The Spout" third checkpoint, nine miles; Willoby's Garage, fourth checkpoint, eleven miles. Finish at the Park, Cappoquin. Refreshments should be prepared against the weather and also bring refreshments.

**Track Winner—**Another success in a Sweepstake for Kali Yuga, owned by M. Cahill and Ed. Brady at Youghal last week. We wish them further success in future rounds. Cappoquin and District Coursing Club will hold its Annual General Meeting at the Parochial Hall on Thursday the 21st May at 8.30. A full attendance of members and intending members is requested.

**Knock Pilgrimage—**Big numbers participated in the Annual Diocesan Pilgrimage to Knock Shrine last Sunday and as always found the occasion an uplifting and rewarding one.

**Blood Donor—**The response to the visit of the Cork Blood Transfusion Service to town last week was satisfactory though the numbers were not as high as usual.

**Death of Mr. Thomas Geary—**We record with deep regret the death of Mr. Thomas Geary, Ballyphilip, Knockanore, who died at St. Joseph's Hospital, Dungarvan, on Sunday, 10th May in the fullness of years. The remains, attended by a large concourse were removed to the Church of the Sacred Heart, Knockanore where they were received by Very Rev. J. Guiry, P.P. and Rev. C. Scanton, C.C. Very Rev. Fr. Guiry, officiated at the interment on Tuesday in the adjoining cemetery following Requiem Masses.

**Sympathy is extended to his relatives who include Mrs. Ed. Mountain, Sr. (sister) Mr. Ed. Mountain (brother-in-law) and Mr. Noel Mountain, Dublin (nephew).**

(Funeral arrangements were made by Mr. Walsh & Sons, Undertakers, Cappoquin. —)

**Anglers Arrive For Big Water League Final—**Preparations are complete for the final of the 1970 Coarse Angling Winter League at Cappoquin on Saturday. Teams and officials arrive on Friday and are being accommodated between Lismore and Cappoquin. Fishing hours are 1.30 to 6.30 on Saturday. Twelve teams of six participate.

**The Late Mr. Henry Adrian Conway Dobbs—**The news was learned with deep regret locally of the unexpected death in London on 28th April of Mr. Henry Adrian Conway Dobbs. He was son of Lady Esme Dobbs, Careyphire House, Cappoquin and the late Sir Henry Dobbs and sister of Miss Susan Dobbs.

The remains arrived at Cork Airport on Monday, 4th May and were removed to Fountain Church, Tallow. The interment took place in the adjoining cemetery on Tuesday the 5th following service conducted by Very Rev. Canon Foster, Tallow and Very Rev. Dean Mayes, Lismore.

Very many wreaths and floral tributes were received.

**Death of Mr. John McGrath—**The unexpected death on Wednesday the 6th May while at work of Mr. John McGrath, Clashmore and late of Ferry Point has occasioned deep regret over a wide area where he was a popular figure.

Rev. Fr. Kennedy, C.C., received the remains on arrival at Piltown Church from Dungarvan District Hospital and the interment took place in the family plot in the adjoining cemetery on the following day. Very Rev. Canon Power, P.P. and Rev. Fr. Kennedy, C.C., officiating.

Large and representative colleges were present on both occasions.

He is survived by his mother Mrs. Mary A. McGrath, Michael and Bernard (brothers) and Mrs. M. Healy (sister).

(Funeral arrangements were carried out by A. Walsh & Sons, Undertakers, Cappoquin. —)

**CHANGES**

In the extension of Board affairs, clubs are forgotten and their problems tend to go unnoted. At the moment several clubs in the division have their own leadership problems and among these are Tallow, Shamrocks and Touraneau, each of whom is to lose its president in the clerical changes announced for the diocese this week. Rev. Fr. Nugent, C.C. is under orders to Touraneau and will be a big loss to his club. Tallow, Fr. Nugent, a former great hurler, was a midwater will now minister in the heart of neighbours and rivals, Slieve GCUA.

The other two presidents, Rev. Fr. Scanton, C.C. former Touraneau hurler and now president of Shamrocks and Rev. B. Crowley, C.C., one of the founder members of Eire Oge and now the president of Slieve GCUA, are both moving to the Eastern end of the county and they will both be a big loss to their clubs and to the county. I am sure that all three will miss their old environments and will follow the progress of their former clubs with great interest this year.

While on the matter of clubs, I am glad to announce that Tom Drummy, popular chairman of the Eire Oge club is now making a satisfactory recovery from his recent hospitalisation which had him in hospital since early this week. A big number of the older and past members of the Dungarvan football club have several members of the County Board were present at the funeral last Saturday of the late Mr. E. D. O'Donnell, Dungarvan's greatest ever footballer in the twenties. A number of his many friends displayed on the football fields of the county during that period brought back memories of the late player's inter-county days. The inter-county team was captained by the late Mr. O'Donnell. He was a fine player and a great Gael. Members of the Dungarvan club shouldered the coffin to the funeral. A tri-colour was flown at half-mast and two minutes silence was observed for the late player. He was also remembered at Monday night's meeting of the County Board.

**CAPPQUIN FIELD**

some time ago we wrote about the development plan for the Cappoquin Gaelic field and we expressed the opinion that it would be quite some time before the venue would be playable again. During the week I was in the field and I confess that I was amazed at the progress made there in a few months. The levelling of the field, which was the major job to be done—apart for the fencing—has now been completed and it is now almost certain that the venue will be available for the start of next year's championship. It is a wonderful achievement and we are certainly doing a wonderful job.

I noted here too, that a tennis court had been opened on the club property. This too is a good idea and we hope that it would be quite some time before the venue would be playable again. **PUCK FADA FINAL**

It was decided at a Coláiste Crotha meeting on Monday that the county final of the "Puck Fada" championship will be held at Abbeyside's venue on Wednesday next. This means that no divisional finals will take place this year. All competitors from both divisions must compete at Abbeyside on this date and the winner will represent the county in the All-Ireland on the first Monday in June.

**REINSTATEMENTS**

When dealing with reinstatement at Monday night's meeting the chairman said that in future all such applications should bear club approval. Many of the applicants had given wrong dates and it was impossible for the Board to check these, whereas clubs would be in a better position to know about the activities of their members.

A number of applicants were approved. Applications from Tommy Joe and Jim Hartly, Ring Club were passed, subject to there being no evidence before the Munster Council that the dates given were not correct.

**LAST SUNDAY**

Chieftopic among football people during the week was the failure of our seniors to beat Limerick at the Frabher field on Sunday last. This certainly was a game that Waterford should have won and most certainly O'Regan would have been a very good player if our attack had not been so frightfully off target.

congratulate Nicolas and said that he had full confidence in the new chairman and assured him of his full support during his term of office. Paddy O'Pain, President, C.L.O.G., who was present as an ex-officio member also spoke in praise of his record and his dedication to the association. Nicolas suitably replied.

**CHANGES**

In the extension of Board affairs, clubs are forgotten and their problems tend to go unnoted. At the moment several clubs in the division have their own leadership problems and among these are Tallow, Shamrocks and Touraneau, each of whom is to lose its president in the clerical changes announced for the diocese this week. Rev. Fr. Nugent, C.C. is under orders to Touraneau and will be a big loss to his club. Tallow, Fr. UNIMPRESSIVE LIMERICK QUALIFY FOR MUNSTER SEMI

POOR ATTACK COST WATERFORD

Limerick 1-3; Waterford 0-5

It could not be said that it was any outstanding ability on their part which saw Limerick through to the Munster senior football semi-final v. Kerry by reason of their one point win over Waterford in their first round game at Dungarvan on Sunday last.

But this unimpressive and at times mediocre Limerick fifteen qualified for a tie with the Munster and All-Ireland champions through the sheer inability of an unusually poor Waterford attack to take advantage of an unlimited number of scoring chances in a game which fell far below expectations. A typical example of this came in the dying seconds when substitute Vinny Rourke was sent through but the Clashmore man saw his shot for goal go narrowly wide when a match saving point was there for the taking.

But O'Rourke was not the only one guilty of squandering and cannot be held to blame for Waterford's failure to come through. For the Donegal men should never have been trailing at such a vital stage after enjoying such territorial advantage, especially in the first half when they undoubtedly had the measure of the Shamrocks.

POOR SHOOTING They were first to draw blood when Tom Walsh fired a point after five minutes but some inexplicable shooting in attack negated most of their best efforts in the ensuing sixteen minutes during which they pegged Limerick back on the defensive.

It was an untypical of players the calibre of Vinny Kirwan, Tom Walsh, Michael Coffey and Mick Fleming to be found wanting as far as score getting is concerned that Waterford found themselves with this lone snail to their credit when Limerick forced over the qualifier per Mick Tynan in the 21st minute. Despite further points by Waterford, one in the 24th and one in the 27th minutes their 0-3 to 0-2 interval lead was a poor reflection of the superiority which they had enjoyed in

WATERFORD MINORS SHOW GOOD POTENTIAL

Facile Win Over Limerick

Waterford 4-8; Limerick 0-6

Waterford's minor footballers showed tremendous potential when qualifying for the Munster Championship semi-final with a facile 4-8 to 0-6 win over Limerick in their first round clash at Dungarvan, on Sunday last.

Even allowing for the progress of the opposition the Waterford side displayed great ability before a rather small home following and had the game well under control at the interval when they led 2-6 to nil.

Making full use of the wind advantage the Waterford attack showed their skills early on when after strong pressure full forward Dave Power crashed home a goal after the Limerick 'keeper J. Browne failed to hold a testing shot from Waterford's P. J. Ryan.

This was indicative of Waterford's strength and fluidity in an attack which moved with remarkable confidence over the hour. A noticeable slackness in the centre of the field early on was rectified and once Tom Moore found a breakable stranglehold for the county in this sector, Casey in particular prompting his forwards with some devastating defence splitting moves.

ALL THE WAY It was Waterford all the way in this half and they had increased their lead to 1-4 to nil by the 20th minute and when full forward Power had his second goal following a metre eight minutes from the break the writing was on the wall for an unimpressive Limerick fifteen.

Waterford faced the second half confidently and two early Limerick points failed to deter them. P. J. Ryan had a Waterford point in the 6th minute to which Limerick replied per what Frank Ryan but the issue was not beyond all doubt in the 10th minute when Humphrey Kelleher slipped in to finish a Tom Casey shot to the net for Waterford's third goal.

Kelleher had the ball in the Limerick net again shortly after this after being placed by Liam O'Brien, but was punished for being in the 'square' but O'Brien himself made no mistake when going from an Eric Curley centre in the 18th minute.

FORMALITY It was a mere formality after this with Waterford retreating to a brace of Limerick points with three further minutes to go. Waterford's defence, despite a weak Limerick attack, proved highly effective with goalkeeper Thomas Hurst, M. Langan, Pat Norris, M. Kiely and D. Flynn, all performing impressively.

Tom Casey and to a lesser extent Tom Moore proved unbeatable at midfield while Eric Curley, P. J. Ryan, Liam O'Brien, Humphrey Kelleher and D. Power, all proved more than capable in attack.

SARGENT CUP SEMI PRODUCED A BORING SPECTACLE

Hurling Lesson For Abbeyside

Mount Sion 2-15; Abbeyside 0-11

Fading light, dull overcast conditions, rain and a completely one-sided contest, all added up to make the 1968 Sargent Cup (senior hurling) semi-final between Mount Sion and Abbeyside played on Sunday night last, one of the most boring spectacles seen at the Frater Field, Dungarvan, for quite some time.

Those who turned up for the game, and they were not many, had lost complete interest in the affair well before the finish as Mount Sion meted out a lesson in hurling to an Abbeyside team which looked as if they were just merely fulfilling an engagement.

Mount Sion's winning tally of 2-15 in no way flattered them for had they continued to exert the pressure which they applied in the first half their final tally could have been doubled so complete was their control over the game.

FAILED TO SCORE But the incredible feature of the approximately 45 minute tussle (reference Tom Ryan wisely called a premature half in both halves) was the fact that the Village side not because of any outstanding Mount Sion defensive work, failed to raise a single flag, despite winning some close in frees, in the second period.

The county champions, who led 2-7 to nil at the interval were seldom troubled in defence where Phil Fanning, John Guinan and Danny Murphy dealt capably with every situation.

Mick Foley completely dominated the centre of the field, while Danny Mahon, Jim Greene, Steven Greene and Mick Walsh all combined to run up scores effortlessly in attack.

This was one of the most pathetic displays seen from an Abbeyside team in many a long day. Admittedly they were short a few, but this could be no excuse for the spiritless manner in which they went under.

One thing emerged clearly from the game and that is that the Village attack without sharp-shooter Pat Enright, is a completely mediocre unit. They never once threatened danger and so negative was their approach that it is doubtful if they would have scored had the wintery defence decided to 'pack-in' and go home before the finish.

Their defence tried hard but under the circumstances were fighting a losing battle from the very start. Goalkeeper Jim Kiely showed good prospects despite some early blunders, while John McGrath, Pádraic Hogan and John Cosgrave showed fair form but Peter Flynn was the only one to make any impression in attack.

BALLINACOURTY CONFIRM SUPERIORITY OVER STRADBALLY

Deserving Win In First Round Clash

Ballinacourty 0-10; Stradbally 0-5

Despite the fact that their side was depleted somewhat due to injuries, Ballinacourty confirmed their Picheas Cup superiority over Stradbally with a deserving 0-10 to 0-5 victory when they clashed in their well attended first round senior football championship game at Dungarvan, on Thursday night of last week.

Even for a first round game, the standard of football was extremely low and better was expected from two sides which have figured prominently in this championship in the last two seasons.

The first half produced an even struggle after which Ballinacourty led by 0-5 to 0-1. Neither side gained any decisive advantage during this period, and even though some good football by Ballinacourty saw them 0-5 to 0-2 to the good after twenty-four minutes Stradbally managed to haul back the lead with a great point from 50 yards per Tom Ahearne in the 28th minute and another minute from Sean Ahearne just before the interval.

But the second half belonged to Ballinacourty. An improved Greg Fives and Matty Hanrahan gave them the edge at midfield. Their forwards saw a continuous flow of the ball and with increased possession quickly notched up the scores.

Greg Fives pointed after 5 minutes, Peter Flynn had points in the 7th and 10th minutes, Fives added another in the 16th minute and Vincent Mulligan 'fished' a point in the 22nd minute.

Yet for all this they got poor return from the chances which materialised. Time out of number some great attacking movements completely collapsed in the Stradbally goal area and an improvement will be necessary if they hope to keep their championship aspirations alive in the following rounds.

Stradbally's only point in this half came just on the call of time. Ballinacourty's defence proved capable with goalkeeper Jim Kiely, Felix Snicks, John McGrath, Larry Cliffe and Michael Fives all showing good form.

Midfielders Greg Fives and Matty Hanrahan enjoyed moments of undisputed supremacy in the second half, while Pat Enright, Seamus Fitzgerald, Peter Flynn and Liam Enright, were the pick of the attack.

Stradbally's Bill Dunford proved an extremely confident 'keeper. Pat Clancy, Aislinn Curran and John Kiely were prominent in defence, Tom Ahearne was the pick of their midfielders, while Sean Ahearne, Tom Cunningham and Denis Mullins were best in attack.

Scorers — Ballinacourty — G. Fives (0-4); P. Enright, P. Flynn and V. Mulligan (0-2 each); Stradbally — S. Ahearne (0-2); M. Reilly, T. Ahearne and D. Mullins (0-1 each).

Ballinacourty — J. Kiely; F. Snicks, J. McGrath, P. Hogan; E. Cliffe, M. Fives, J. Power; G. Fives, M. Hanrahan; P. Flynn, P. Enright, S. Fitzgerald; L. Enright, V. Mulligan, P. McGovern.

Stradbally — B. Dunford; T. Guiry, P. Clancy, E. Dunphy; J. Curran, J. Kiely, A. Curran; M. Coffey, T. Ahearne; T. Halpin, S. Ahearne, M. Reilly; J. Power, D. Mullins, T. Cunningham.

Subs. — P. Power for Halpin, N. Power for J. Power. Referee — J. J. Landers (Geraldines).

PEOPLE IN TRAMORE WITHOUT WATER FOR PAST TWENTY YEARS

Councillor Claims Promises To Provide Supply Were Not Kept

The people concerned were getting a raw deal stated Mr. J. Cahill at the quarterly meeting of Waterford County Council in Dungarvan last Monday when he complained that promises made by councillors of the Council to provide a water supply for a number of residents at Glen Road, a tramore had not been kept.

Mr. Cahill said that he was introducing a deputation from the locality and said that 12 to 14 families were involved and promises to provide a supply had been made on and off for the last 10 years but nothing had so far been done.

These people have no water, said Mr. Cahill, and even the pub in the district has gone dry. They are completely fed up with the situation and that is why they have come here as a deputation to the Council today.

Mr. Cahill went on to refer to a rat-infested dump which was also a cause of concern to the residents. In regard to the water supply he said that the Department of Local Government had sanctioned a scheme, the money had been provided and the matter was one for the Council to decide.

These people were living in this area, said Mr. Cahill, "if this scheme would be carried out long ago but the people concerned are just labouring people. They are completely browed off by the way they have been treated."

Mr. C. Curran, Chairman, said that it was not correct for Mr. Cahill to make such a remark. In all cases where water supplies were concerned it was the policy of the Council to give preference to cottiers.

Mr. W. Kenneally, T.D., supporting Mr. Cahill said that this matter had been going on for the past 18 years and he felt that when the Tramore scheme was done an extension to serve the people at Glen Road should have been carried out. He pointed out that last January the residents had been informed by the Council that the scheme would go on in a short period but so far nothing had been done.

Mr. Patrick Lonergan who acted as spokesman for the deputation said that over the past 20 years they had been repeatedly promised that a scheme would start within a couple of months but still they were without water. As a protest he had refused to pay the rent and water rate for his Council cottage, but had got a notice to quit, in October 1969 he received a letter from the Council which stated that a scheme to supply water would be started in a couple of months.

Over the last 18 years whenever they wrote about the supply to the Council they always got the same answer that the scheme would be started in six months but they were still waiting. It was now about time that they got the water as they felt it was most unfair that as they were in a town and so near an existing supply that they were still left without it. "But we're only a bunch of labouring cottiers and that seems to be the reason," he said.

Mr. K. O'Ryan said that while he had sympathy for the members of the deputation he pointed out that there were also acute water problems in his area. This was not peculiar to Tramore but was something which was peculiar to the whole county.

Mr. O'Ryan said that in view of the fact that the money for this scheme was available and that it

Get togetherness

When people get together over a Guinness, notice how hellos become warmer, introductions become friendlier, smiles become curvier.

That's the togetherness in Guinness. Notice it over your next Guinness. Guinness says so much so well. And so tastefully.

There's more than goodness in Guinness.

### BALLYSAGGART WEDDING

Mr. Thomas Walsh and Miss Eileen Hallahan, both of Ballysaggart, who were married in St. Mary's Church, Ballysaggart, recently.

### COUNCIL'S OVERDRAFT ACCOMMODATION UP BY £20,000

Rate Collection Totalled **£612,498**

Mr. T. Cunningham, Acting County Accountant, informed the members of Waterford County Council at their quarterly meeting in Dungarvan last Monday that £320,000 would be required as overdraft accommodation for the quarter ending September 30 next. This was £20,000 more than for the same period last year and was accounted for mainly by reason of the fact that the Council's financial position at the end of the year had diminished by £10,000 and that they had to carry the guarantee for the Waterford Harbour Commissioners in the overdraft.

He pointed out that on April 17, the last date on which they get an account before the Banks closed, the Council was £14,800 in credit but against this there were unissued Paying Orders to the extent of £100,000 outstanding.

In general terms he said that over the past two years the Council's financial position had deteriorated due mainly to excess expenditure.

Mr. C. Curran, Chairman, thought that the Council's financial position was the best in Ireland.

The overdraft of £320,000 was unanimously approved on the proposal of Mr. P. Cahill, seconded by Mr. M. Henchery.

### RATE COLLECTION

Reporting on the Rate Collection for January, Mr. Cunningham said that the total amount amounted to £626,389 of which £612,498 was collected. This represented a collection of 97.78% as compared with an office collection of 97.51%.

Mr. W. Kenneally T.D. said that the Rate Collectors should be complimented for their fine collection.

### CONGRATULATIONS FOR LONDON WATERFOOD ASSOCIATION

On the proposition of Mr. A. Deasy seconded by Mr. M. Healy, the Council unanimously passed a vote of congratulations to the Waterfood Association in London on winning the award as the best association in London which promoted the best image of the Irish people in England.

### WOULD REGIONALISATION OF LIBRARIES SERVICE PROVE CHEAPER OR MORE COSTLY?

A very strong case could be made for the regionalisation of libraries, said Mr. W. Faran at the quarterly meeting of Waterford County Libraries at Dungarvan last Monday when he proposed a motion that the Council support fully the idea that awards for Malicious Damages be met out of Central Funds.

Mr. Deasy went on to say that claims for malicious damage should not be payable out of rates and be pointed out that a "free bug" in an area could be responsible for claims running into hundreds of thousands of pounds.

There was a move being made in the Midlands at present to have these claims removed from the rates and he felt the Council should support this.

Mr. H. R. Dowd who seconded said he felt that it would be much more effective if these claims were to be paid out of Central Funds as the Authorities would then be likely to take preventive action.

He also said that very often much damage was caused in scenic counties like Waterford by excursionists and it was unfair that ratepayers of Waterford should pay for any damage which might be caused by excursionists from outside areas.

The motion was unanimously approved.

### MOBILE LIBRARY

The County Librarian told the members that plans for the provision of a mobile library were well advanced. The Librarian had approved in principle and it was hoped to involve tenders by June. An architect had been appointed for the building scheme, a plan of the Dungarvan site had been drawn up and building requirements for Dungarvan, Tramore and Lismore remained to be worked out.

Consideration of a circular from the Irish Manuscripts Commission requesting the assistance of Librarians and Committees in the locating, preservation of relevant materials was deferred to the next meeting to give members an opportunity to study its contents in detail.

Mrs. L. Maher raised the possibility of preparing an index of Co. Waterford material in the National Library. There was a vast amount of such material most of which was very little known. The idea was unanimously supported by the members.

This was a mere pittance and made little contribution to combating the general increase in costs experienced by dairy farmers. It was pointed out that rising labour costs at creameries would result in many dairy farmers suffering a cut in income and no real account of these factors had been taken by the Government in its award for the dairying sector.

The National Council, with delegates present from all counties agreed unanimously that a further meeting should be sought with the Government to discuss the discrepancy between the award granted to the agricultural sector and the overall claim made by the N.F.A.

### CALL FOR REMOVAL OF MALICIOUS INJURY ACT

Unfair Measure To Ratepayers

They were all trying to bring the rates down and everyone agreed that something would have to be done to change the present rating system stated Mr. A. Deasy at a meeting of Waterford County Council in Dungarvan last Monday when he proposed a motion that the Council support fully the idea that awards for Malicious Damages be met out of Central Funds.

Mr. Deasy went on to say that claims for malicious damage should not be payable out of rates and be pointed out that a "free bug" in an area could be responsible for claims running into hundreds of thousands of pounds.

There was a move being made in the Midlands at present to have these claims removed from the rates and he felt the Council should support this.

The motion was unanimously approved.

### C.D. TESTS IN DUNGARVAN

The Woodstown Unit won the annual Civil Defence Casualty and Ambulance Competitions, which were held in Dungarvan, on Sunday.

Other teams taking part included Dungarvan, Kilmorden, Modellen, Portlaw and Rathgorman. The competitions consisted of floor tests in first aid, and oral tests in anatomy and physiology.

The adjudicators were Dr. John Ballin, Dungarvan, and Mr. T. O'Callaghan, Civil Defence Instructor, Clonmel. Among the attendance at the competitions were Comd. T. O'Brien, Southern Command, Cork, Regional Civil Defence Officer; Mr. P. J. Walsh, Dungarvan, Waterford Co. Civil Defence Officer, and Mr. Colin Bannion, Assistant Co. Waterford C.D.O.

The General Michael Collins Perpetual Shield was presented to the winners by Mr. Bannion and accepted on their behalf by Mr. Peter Power, Faithlegg, the team leader.

The other members of the Woodstown team were Messrs. John Kennedy, Halfway House; Denis Flood, Bell Lake; Mousie Fitzgerald, Corralby; Jerry Hegarty, Newtown, and Jack Tobin, Brownstown. They were trained by Mr. Michael Wadding, Civil Defence Instructor, Waterford.

### COUNTY COUNCIL APPROVES APPOINTMENT OF TWO ADDITIONAL CLERICAL OFFICERS

He felt that the Council was understaffed and the existing staff was unable to cope with the work at present said Mr. F. J. O'Leary, County Accountant, at the quarterly meeting of Waterford County Council in Dungarvan last Monday when he recommended the appointment of two additional clerical officers.

Mr. C. Curran, Chairman, said that the senior officials of the Council felt that the Council was completely understaffed. He agreed that compared with the Health Authority the staff of the County Council was comparatively small.

Mr. O'Leary pointed out that in 1960 they had 18 clerical officers. At present they had 21. They had staffed the Sanitary Section without any increases in numbers with the result that they now had no clerical officer in the rates office or in the wages offices where tax records had also to be dealt with.

"I" said Mr. O'Leary "can assure the Council that we need these extra clerical officers as the present system involves overtime for the existing staff and I am not in favour of that."

Mr. K. O'Ryan said that he had no reason to disbelieve what Mr. O'Leary had said and would not object to the appointments.

On the proposal of Mr. A. Deasy, seconded by Mr. P. Goffey, the Council unanimously agreed to the appointments.

### CIRCUIT COURT SEQUEL TO ARDMORE COLLISION

A collision between two cars which occurred at Monna Cross, Ardmore, on June 20, 1969, was mentioned at Dungarvan Circuit Court last week when Pater Taylor, Painter and Decorator, 82, Griffith Ave., Clonmel, claimed £600 damages against Patrick Hankey, Lisgow, Ardmore.

Mr. P. Morris, B.L. (instructed by J. O'Reilly & Son, Clonmel), told Judge Fawcett that the claim only came before the Court on the question of the assessment of damages.

The plaintiff's car which he had purchased new was only two years old at the time of the accident and they claimed that its value was in excess of £600.

Mr. M. Feehan, B.L. (instructed by E. A. Ryan & Co.) for the defence stated that the car had done 56,000 miles at the time and called evidence to sustain this point. He said that they had lodged a sum of £430 in court with their defence.

Having heard evidence on the pre-accident value of plaintiff's car, Judge Fawcett fixed damages at £300 and gave a decree for that amount with costs.

On the application of Mr. Feehan, he granted a stay in execution provided £300 of the amount lodged in court was paid out forthwith to the plaintiff.

#### GOVERNMENT GRANTS LICENCE TO F.B.D.

The Government has approved the granting of a licence to F.B.D. Insurance Company Ltd. to operate as a general insurance company. It was announced at a Press reception in Dublin.

Thus, as Common Market membership looms nearer for this country Ireland comes into line with other European countries, which have had their own farmer insurance companies for over half a century.

F.B.D. Insurance Company Ltd. has a paid up share capital of £250,000. 72 per cent of this capital is owned by 2,764 Irish farmer share holders and the remainder of it has been subscribed by Assurances du Bocrenbond Belge (A.B.B.), the Belgian Farmer Insurance Company which has been operating since 1905. Its premium income in 1969 was £11.3 million.

In the Balance Sheet of A.B.B. assets totalling £40,150,000 were shown.

It must be stressed that F.B.D. is an Irish company, fully committed to serving the interests of Irish farmers and the profits that will accrue eventually will be ploughed back into agricultural developments.

The reason that there is a link with the Belgian Company is that in the initial stages the new Company will have the full technical backing and know how of the Belgian Company, which has had 60 years experience in this field.

Initially the Company will do business in fire, tractor, public liability, employers' liability, personal accident and all aspects of motor insurance.

#### NATIONAL COUNCIL DISCUSSES THE BUDGET

The National Council of the N.F.A. expressed disappointment with the Budget and the general view of the delegates was that £5 million was a poor allocation for the agricultural sector in view of the N.F.A.'s overall claim for £14 million.

The farming community will have to bear the increase in turnover tax like the rest of the community. Their contribution to this will amount to over £2 million. Actual income increases as distinct from capital investment increases for farmers in the Budget amount to £2.3 million so that the net effect of the Budget is to increase incomes by only about £1 million, or 1/6 per week per family member engaged in agriculture.

While the Council agreed that the incentives for the beef and sheep sectors indicated that the Government realised that expansion was needed in these sectors, great disappointment was expressed with the meagre award for the country's 130,000 dairy farmers.

The extra 1d. on the first 7,000 gallons for treasury milk producers represented an average increase of about 8/- per week for dairy

Tallow and Round About Notes

The Late Mrs. R. Willis—The death of Mrs. R. Willis, 71, of Chapel Street, Tallow, which occurred on Friday last week after a rather brief illness and at a comparatively early age, was that of an old and very highly esteemed family, she was held in high regard by all who had the pleasure of her acquaintance. Of a quiet and gentle disposition she endeared herself to a host of friends who deeply regret her death.

The remains, accompanied by a large and representative cortege were removed to the Church of the Immaculate Conception, Tallow, and were received by Rev. Rev. H. O'Connell, C.C., Tallow. The interment took place on Friday afternoon in the family plot in the adjoining cemetery.

Chief mourners—Mrs. Bridget (Birdie) O'Donnell (wife); Trudy and John O'Donnell (sons); Phil and Willie O'Donnell (brothers); Mary, Fiona, Emer, Kira (grandchildren); Mrs. Joan and Mrs. Margaret O'Donnell (daughters-in-law); Jim Mansfield (brother-in-law); Frances, Josie and Alice O'Donnell (sisters-in-law); Liam O'Donnell, M.R.C.V.S., Rev. Fr. J. Boyle, Michael Mansfield, B.E., U.S.A. (nephews); Mrs. Frank O'Donnell, Miss Ann O'Donnell, Margaret, Boyle, U.S.A. (nieces) and a large circle of relatives, etc.

Funeral arrangements were carried out by James Kiely & Sons, Undertakers, Dungarvan.

News from Lismore

Whist Results—Mrs. P. O'Connor, Cappoquin, with a score of 144 won top prize in the weekly whist tournament held in St. Carthage's Hall on Tuesday night last. Second, with a score of 142 was Mr. J. O'Regan, also of Cappoquin, while Mrs. Nora Wilkings, Main Street, was third with 140. The miniature was also won by Mrs. O'Connor with a score of 38 and the bonus for a score of 44 or over in this competition now stands at 38/-.

Opening of Castle Gardens—Following discussions with a joint deputation from the Lismore Development Committee and the Town Commissioners, Her Grace the Duchess of Devonshire, has kindly consented to open the Lismore Castle Gardens and Grounds to the public weekly, Wednesdays and Fridays, 3.30 p.m. to 5.30 p.m. from mid-June to mid-September. This gesture should prove of considerable benefit to the locality's tourists.

With Our Athletes—Lismore's track and field team, which travelled to Tralee on Sunday last, for the purpose of competing in the annual All-Ireland Championships, were successful in their efforts. Leading athlete of the team, Paddy Whelan, won the 100 yards race in 17.2 seconds, a new Lismore record. Other winners were John Barry, 200 yards, 41.5 seconds; Jim and Pat Keane and Eamon Brackley, 400 yards, 1.48.00; and the Lismore team, 800 yards, 4.15.00.
