A.G.M. OF ST. ANNE'S GUILD MUNITIR NA TIRE

The 8th annual general meeting of the St. Anne's Guild was held in the Barrow Memorial Hall, Stradbally, on Friday, November 6th. There were 70 people present including members of other Guilds in the county, Sisters of Mercy, Stradbally, Clergy and Councillors.

The guest speaker was Father Michael McGrath, S.J., M.A., from U.C.D. who gave a detailed lecture on "Adolescence". A vote of thanks was given by Chairman, John Keane of Fahnestock, and seconded by Father O'Byrne the County Voluntary Organiser of Marianas in T're.

The usual business of the meeting included the minutes of the 1969 A.G.M.; Secretary's report; Treasurer's report and election of officers which were as follows:—

President—Fr. Griffin; Vice-Presidents—Canon Clarke, Fr. O'Doherty, Fr. O'Farrell. Chairman—John Keane, Fahnestock. Vice-Chairman—Mrs. Mai O'Brien. Secretary—Mrs. Kitty O'Brien. Treasurer—J. J. Keating. P.R.O.—Mrs. Hogan.

Ladies Committee—Mrs. Clarke, Mrs. Fennell, Mrs. O'Donnell, Mrs. M. Kieley, Mrs. C. O'Brien. Gentlemen's Committee—Tommy Mooney, John Veale, M. Kirby, Willy O'Brien, Pat Power.

The Secretary in a very comprehensive report to the meeting struck a critical note when dealing with attendances at meetings. The report states: "The average attendance at our monthly meetings was 13. This is a slight increase on the previous year. The attendance of Committee members was poor. It may not be generally known that membership fees no longer exist, so that everyone in the parish is entitled to attend meetings and to be members of the Guild."

"Although we had willing members to take part in the Public Speaking and Question Time and to form a team, the effort had to be abandoned. It is hoped that teams will be put forward in good time next year. Our congratulations to the Barrow Memorial Hall on March 22nd, repeated at the second concert on April 5th. It was decided to enter the Guilds Drama Competition. Coolmansmead gave a great reception to the group in the first round and gave

great support also during the final against Kiltrossney and Feys at Portlaoise on May 15th, when the much coveted cup was brought to home ground. Appreciation is due here to a number of individuals who took a continual interest in the production and also provided a suitable place for rehearsals."

THE COMMUNITY CENTRE

"Since last November, many of our members have been involved in the conversion of the Old Boy's School. Our congratulations to Father Griffin for his enthusiasm as the initiator of this project, to the Hall Committee for raising funds and last, but not least, to the workers from all the local organisations, who have put in hours of voluntary work. It is necessary that a constant interest be maintained by everyone, to complete this project. Our Guild gave £10 towards the funds collection."

PARISH SPORTS

"These were organised at the Moors, Stradbally, on Sunday, June 14. Again the weather was in our favour and there was excellent support. A raffle was organised by Father O'Doherty to cover the cost of the loudspeaker. There was keen competition from among all the schools in the parish. Married ladies and married gentlemen's races were the two final events. The prizes of medals were distributed by Father Griffin and the Brig. Adding Cup brought home to Stradbally for the third year running. It has been suggested that more attractive events be included in next year's programme. Thanks are due for the loan of the ground and to all who organised the sports."

FOOTBALL LEAGUE

"In the National Schools football league," the report states "seven teams took part—Kiltrossney, Seafield, Knockmahon, K.B.H., Dunhill, Stradbally and Kiltrossney. All matches were played at Moor's Carrigana. In the final, Stradbally was beaten by Kiltrossney. A set of medals was presented by our Guild to the winning team and a good football to the runners-up. A private donation also provided a set of medals to the runners-up as a reward for reaching the final."

THANKS

In conclusion the Secretary says—"I would like to take this opportunity of thanking our President, Chairman, Committee members and voluntary helpers, who have contributed so much to retain and preserve community work in our parish during the past year. Appreciation is also due to our local shopkeepers for displaying notices, the Clergy for delivering notices, the telephone exchanges

TREMENDOUS FILLIP FOR DUNGARVAN G.A.A. CLUB LEAGUE

The highly successful minor-league hurling league, presently in full swing on Sunday mornings at the C.B.S. grounds, organised by the Dungarvan G.A.A. Club received a tremendous fillip this week when a magnificent set of medals was presented for the league.

The medals were presented to the club by John Dwyer, Caneyville, himself one of the club's most prominent members. John presented the medals on behalf of the Waterford Co-Op. Social Club and they will undoubtedly add even greater impetus to the league.

In last Sunday's game Paddy Veale's side scored a 4-4 to 3-0 victory over Jim Curran's team after leading 2-4 to 2-0 at half-time.

For the winners, Paddy Veale, Paddy and Jimmy Sullivan and Gerald Crutty, were outstanding, while Jim and Tadg Curran, Anthony Duggan, John Eblead and Gerald Foley, tried hard for the losers.

Next Sunday at 11.30 a.m. Na Piarais (Seanie McGuire), Na Flinn (Jim Curran), and Na Cearraigh (Billy Mooney), combine to face on Na Mistean (Patsy Hackett), Na Deiseach (O'Donnell), and Na Sairreath (Paddy Veale).

The game will be refereed by Rev. Bro. Cleary, who has been primarily responsible for the organisation of the league.

As the present officers are willing to carry on their good work for another year, there was no election and two new members were co-opted to the committee. They are Mrs. E. Power and Mrs. W. Foley.

The President welcomed another new member to the Guild this month.

Final arrangements were made for a winter drive on November 19.

A very interesting account of her autumn holiday in Jersey was given by Mrs. Ed. Colbert.

Tea was served by the hostesses Mrs. J. McGrath and Mrs. Ed. Colbert.

A demonstration of cake, icing was announced for the next Guild meeting.

COUNCILLORS A. DEASY and R. WALSH will meet their Constituents of 7.30 p.m. on SATURDAY, 21st NOVEMBER at their premises in MARY STREET, DUNGARVAN.

TOURIN G.A.A. & I.C.A. SOCIAL AND DANCE On Friday, November 27th in TOURIN SCHOOL HOUSE 9 to 2. Music by THE GRASSHOPPERS.

Armore and District Notes

I.C.A. — The annual general meeting of Armore and Grange Guild took place in Ivy Lodge, on November 12th. Mrs. O. O'Connell presided.

The Secretary, Mrs. Lincoln, read a very comprehensive report on the year's activities.

The Treasurer, Mrs. W. Mooney, gave the financial report and this showed the Guild funds to be in a very sound position.

The Guild building fund is increasing satisfactorily. The president reported on the work of the committee during the year.

All reports were adopted.

As the present officers are willing to carry on their good work for another year, there was no election and two new members were co-opted to the committee. They are Mrs. E. Power and Mrs. W. Foley.

The President welcomed another new member to the Guild this month.

Final arrangements were made for a winter drive on November 19.

A very interesting account of her autumn holiday in Jersey was given by Mrs. Ed. Colbert.

Tea was served by the hostesses Mrs. J. McGrath and Mrs. Ed. Colbert.

A demonstration of cake, icing was announced for the next Guild meeting.

B.L.E. NOTES

HEROIC EFFORTS OF WESTERN RUNNERS

Last Of Underage Championships

The last of the underage championships, namely the under-12, under-14 and under-16 boys and girls cross-country County Championships were staged in St. John's Park, on Sunday last, and while most of the team honours went East, yet it is the heroic efforts of the Western runners which linger in the memory. Who will forget the dogged determination of the slightly-built youngster, Seamus Fox (Dungarvan A.C.) as he stuck to the task of weathering down the Kinsalee captain in the Novice Co. Championship? Who will easily forget the agony on Tony Ryan's face as he doubled up with a stitch in his side, he dropped back 20 yards behind the leading group yet had the grit and courage to come again in the closing stages to almost snatch victory from the jaws of defeat; indeed he did snatch victory — victory over himself — the greatest victory one can achieve in athletics or in life.

But, though the deeds of Fox and Tony Ryan were the feats of heroes, yet they pale in comparison with those of the Tracy family, for last Sunday they were the stars of the home to Villierstown 2 firsts in the County Championships, one 2nd and the under-10 boys team were 3rd on a rainy day for St. Nicholas A.C. and a great personal triumph for the Tracys.

First to hit the headlines was Elizabeth in the U-14 girls race. Indeed, she ran so well she ran excellently yet she could not match it. Burke (St. John's Park) really ran a superb race runner. The struggle for team honours in this event was close and exciting, but the city club runners as winners by points.

As expected Sean Tracy set the pace in the U-12 race and once in the lead, he "milked it" at the ground. In vain, the strong Priary A.C. runner, Nicholas Tobin, challenged. Tracy was in the lead and Tracy stayed there. Duggan, Anthony Duggan, John Eblead and Gerald Foley, tried hard for the losers.

Next Sunday at 11.30 a.m. Na Piarais (Seanie McGuire), Na Flinn (Jim Curran), and Na Cearraigh (Billy Mooney), combine to face on Na Mistean (Patsy Hackett), Na Deiseach (O'Donnell), and Na Sairreath (Paddy Veale).

The game will be refereed by Rev. Bro. Cleary, who has been primarily responsible for the organisation of the league.

As the present officers are willing to carry on their good work for another year, there was no election and two new members were co-opted to the committee. They are Mrs. E. Power and Mrs. W. Foley.

The President welcomed another new member to the Guild this month.

Final arrangements were made for a winter drive on November 19.

A very interesting account of her autumn holiday in Jersey was given by Mrs. Ed. Colbert.

Tea was served by the hostesses Mrs. J. McGrath and Mrs. Ed. Colbert.

A demonstration of cake, icing was announced for the next Guild meeting.

WEST WATERFORD DART LEAGUE

RESULTS

Tavern 4; Meaghers 1. Mahony 0; Conroy 4. Lindsay 3; Morrissey 3; Cummins 3; Meades 3; Maddens 3; Tobins 3.

The Tavern once again inspired by their outstanding partnership of Noel Fleming and Eddie Frater, hauled themselves to the top of the league table at Cappoquin on Thursday night after surviving many anxious moments against newcomers, Meaghers (Ballysaggart), Lindsay (Lismore), O'Donnell and John Gorman made the score 2-1 in the third set a major upset was on the cards — but once again Ballysaggart's inability to capitalise on their finishing chances proved costly and allowed the Tavern to continue their victory march.

Convoys, after their humiliating experience on the previous week were back to their scientific best against Mahonys, who after their record breaking run last year, have been going through a depressing period lately. They were right on top of each other last night on Thursday night against rivals who were in top form, especially comparative newcomers, Liam Scanlon, Pat Murray and Pat Scanlon.

Lindsay were right back to form in their home terrain against Morrisseys, Seamus Flynn, John Duggan, Paddy Foley and Jim Conroy were at their brilliant best, and if one or two former stars can be persuaded to return Lindsay could yet be in the firing line when the honours are being awarded. Morrisseys disappointed somewhat, although Pat Griffin and Leo McCarthy were outstanding.

Madden, with ex-Hotel stalwarts, Mick Foney and D. J. Cashman, showing a welcome return to form were full value for their point against Tobins, who were thankful to return home with their unbeaten record intact.

Meads maintained their improved form with a fine display when sharing the spoils against Cummins at Lismore. Seamus Fitzgerald and Pat McNamara were again outstanding for Tallow, while Johnny Ryan, who capped a wonderful performance with a two darn finish from 92 in the 501 was the outstanding performer for the home team.

MAGNIFICENT RACE

Ray Tracy was expected to go well in this race for St. Nicholas A.C. as he had won it in the past and they would have a chance in the team prize. However, few reckoned with the superb fitness of young Sean Tracy. Fresh from his U-14 triumph he trotted over to line up in this U-12 race, and truth to tell, would have won it possibly if he had not already competed in the U-14 race. He was he was up with the leading star all the way and was only beaten out of first place on the sprint in. This was a truly magnificent race, marked by the courage of Ryan and Tracy, but let not this in any way detract from Ray Tracy's performance. Earlier in the season he showed that with more training he would be hard to beat and obviously he had done the training. He was right up with the leaders all the way, and in the final half mile produced an unbelievable burst which the others could not contain. This was a great race between good athletes who could bring a Provincial title to Waterford on Sunday next.

RESULTS

Novice Co. Championship—1. P. Byrne (Waterford); 2. S. Fox (Dungarvan A.C.). Team—Kinsalee A.C.
U-12 Girls—1. A. Hughes (Tramore); 2. E. Donnelly (D.L.S.). Team D.L.S.
U-12 Boys—1. B. Flynn (Tramore); 2. P. Garberry (Do.). Team John's Park.
U-14 Boys—1. S. Tracy (Ring); 2. N. Tobin (Priary). Team D.L.S.
U-14 Girls—1. H. Burke (John's Park); 2. E. Tracy (Ring). Team John's Park.
U-16 Girls—1. D. Roche (John's Park); 2. B. Walsh (Do.). Team John's Park.
U-16 Boys—1. R. Tracy (Ring); 2. Ryan (Dungarvan). Team Ring A.C.

WATERFORD CRASH TO FIRST N.F.L. DEFEAT

Rampant Tipp. Take The Points.

Tipperary crashed to their first defeat in the National Football League at the Friar field, Dungarvan, on Sunday last, when they went under to a rampant Tipperary side who took the points with a 2-10 to 0-4 in their third round Division 2A tie.

Tipperary, who are unbeaten in the league to date showed tremendous form but failed to score and were consequently outplayed by their six points winning margin.

Tipperary continued to dominate in the second half and "Babs" Keating shot four points from free within ten minutes of the restart. But Waterford again came back into the game when Tom Walsh crashed a penalty to the Tipp net in the 18th minute after a defender had kicked the ball out of the ground almost on the Tipperary goal line.

But even this score failed to shake the home side out of an apathetic mood for the remainder of the game. Tipperary came away to the closing stages for a brace of points and a consolation goal in the final minutes from time set the seal on a deserved win.

John O'Donoghue kept a good goal for Tipperary and was fronted by an industrious defence in which M. Byrne, D. Fitzgerald, P. O'Gorman and Pat Moroney were impressive. Sean Kearney and Dinny Burke were untroubled in the centre of the field but only "Babs" Keating and Paudie Blythe threatened danger in attack which will have to show considerable improvement.

Tipperary did not have a happy time between the posts for Waterford and must shoulder the blame for Tipperary's first goal when he misjudged an innocent long range shot from Paudie Blythe into the net. The name Tom Brady, Jim Wall and Achill Lannen in patches did Trojan work in an overwork while Monte Gully, Tom Power and Michael Power showed up best in attack.

Scorers: Tipperary—M. Keating (0-5); P. Blythe (1-2); P. O'Connell (1-0); L. Morris (0-2); W. Robinson (1-0); M. Byrne (1-0); M. Power (1-1); P. Walsh (1-0); V. Kirwan, T. Power and T. Goode (0-1 each).

Tipperary—J. O'Donoghue; E. Webster, M. Byrne, M. McDonnell, D. Fitzgerald, D. O'Gorman, P. Moroney; S. Kearney, D. Burke, P. Blythe, M. Keating, W. Robinson, D. Strang, P. O'Connell, S. Keane, J. Kehoe for Blythe; J. Ryan for Kehoe; P. Dawson for McDonnell.

Waterford—T. Fleming, J. Wall, T. Brady, P. Clancy, A. Lannen, W. Connor, N. Walsh, T. Gough, E. Dunphy, V. Kirwan, P. Walsh, M. Power, T. Power, M. Gully for Keating; Subs: T. Walsh for B. Dunphy; P. Morrissey for T. Gough; J. Moore for P. Morrissey; R. Rice for J. Donigan (Fermoy).

EIRE OGE G.A.A. LEAGUES The under 16 football league and under 10 football league are now coming to a close. On Sunday next at the Friar field, Dungarvan, at 11 a.m. the under 10 final will be played between Noel McGroarty's team and David Croft's team. Come along and see the future Eire Oge stars in action.

The winners will receive a set of medals and the runners-up a set of furleys. This league was made possible through the generosity of Thomas Ryan, Main St., who supplied us with a football and Richard Whelan, Springmount, who helped us to supply the hurleys, two of the "back room" goals to whom the club are extremely grateful.

The semi-final of the under 16 league takes place at the same venue also on Sunday at 12.15 p.m. On last Sunday, Oliver Drumme's team beat John Healy's team by 9 points in a thriller. Best for the winners were Oliver Drumme, John Power, Michael Murphy and Pat McGovern, while the losers best were John Healy, John Casey, Bernard Whelan and Páirc Brien, who scored four well-taken points.

Watch out for the under 16, 14 and 10 leagues due to commence in two weeks. All who are anxious to take part are urged to be welcome.

N.B.A. REFUSAL CRITICISED BY U.D.C. MEMBERS

BREAKDOWN OF COSTINGS OF YOUGHAL ROAD SCHEME DENIED

The refusal of the National Building Agency to comply with the request from Dungarvan Urban Council for a comprehensive breakdown of the costings of their 28 house scheme at Youghal Road was strongly criticised by members of the Council at Monday night's monthly meeting. When the matter was raised initially by Mr. Noel Hackett at the October meeting he was accused of the N.B.A. of making a profit of over £600 a house on the scheme and reiterated that accusation on Monday night.

Mr. J. P. Robinson, Town Clerk, said that following the last meeting he had written to the N.B.A. for a breakdown of the cost of the Youghal Road houses. In this letter he had stated that members of the Council had referred to rumours circulating in the town that land which was sold by the Council to the Agency for the equivalent of £75 a site was now being sold back to the purchasers of the houses at a price exceeding £350 a site. The Council in the circumstances was anxious to discuss these rumours and asked that a breakdown of the purchase price be forwarded if at all possible.

Mr. Robinson said he received the following reply from the N.B.A.: "We regret that in accordance with strict policy of the Agency full details of the costs of the various elements included in the cost accounting for the houses cannot be made available."

"As regards the cost of the sites we wish to state that a sum of £2,199-10-0 was provided in the account in respect of land acquisition costs, including legal fees, and a charge of £78-10-0 per house was made for this item. Provision must be made in the price of items such as price variation in wages and materials; extras, variations, etc., in final review of Bill of Materials, public lighting, cost of Bond, interest on advances to contractor, legal costs on sale, agency expenses and miscellaneous items."

"We would also like to point out that the contract for this scheme is subject to a Price Variation Clause and increases in wages and materials up to completion of the scheme may be claimed by the Contractor. The price of £5,100 per house notified to you is intended to be a final price not withholding any increases in costs arising in wages, materials or other sources."

Mr. Hackett said the N.B.A. as a middle man in schemes should be cut out. He had already stated at the last meeting that the N.B.A. was making in excess of £600 on every house in the Youghal Road scheme and he was standing over that.

Mr. T. Wade said he would propose that in future housing schemes the Council should forget altogether about the N.B.A. He wouldn't accept for one moment that they were involved in schemes "for the love of the game" and he was satisfied they were making on the Youghal Road scheme but unfortunately they couldn't call them on it.

The discussion ended.

NOT GOT WHAT THEY WANTED

Mr. Austin Deasy criticising the reply, said they still hadn't got what they wanted from the N.B.A.—a full breakdown of the cost of the houses. It now amounted to the fact that a Semi State body does not show how it spends its money.

Mr. C. A. O'Connor, Co. Manager—Not to say anyway. Mr. Deasy said the least they could have shown the Council was where the money went. They had sold the land to them at the equivalent of £78 a site and now they were selling sites in Abbeyside for £700. This was shabby treatment by the N.B.A.

The Chairman, Mr. T. A. Kynce said the Abbeyside sites were fully serviced while the Youghal road ones had been unserviced. Mr. Kynce went on to state that the N.B.A. finances were subject to the Auditor General who saw to it that all Government contracts were audited and in order. The N.B.A. had been set up as a non profit making organisation.

The Manager said the fact that they couldn't get the costings of the scheme was something the Council could bear in mind in considering future housing schemes.

CUT OUT Mr. Hackett said the N.B.A. as a middle man in schemes should be cut out. He had already stated at the last meeting that the N.B.A. was making in excess of £600 on every house in the Youghal Road scheme and he was standing over that.

Mr. T. Wade said he would propose that in future housing schemes the Council should forget altogether about the N.B.A. He wouldn't accept for one moment that they were involved in schemes "for the love of the game" and he was satisfied they were making on the Youghal Road scheme but unfortunately they couldn't call them on it.

The discussion ended.

When Mr. Kelly's co-optation was declared unanimous by the Chairman Mr. T. A. Kynce, Council member of the Urban Council for his feet and in a hard-hitting reply said he strongly resented and very much regretted Council member Mr. Deasy's remarks and attack on his party. If the sentiments Mr. O'Keefe (12/7), E. O'Connor (11/7),

Fixtures—Saturday 21/11/70. 18 Holes Stroke—Turkey winners—18 Holes Stroke—J. O'Keefe (12/7), E. O'Connor (11/7).

POLITICAL CROSSFIRE AS COUNCIL CO-OPT MEMBER

Councillor Kelly Re-instated

There was political crossfire between members of the Flanna Fail and Fine Gael parties at Monday night's meeting of Dungarvan Urban Council when the members were considering the co-optation of a member on to the Council.

The Town Clerk, Mr. P. Robinson, said because of his absence from six consecutive meetings, Mr. Nicholas A. Kelly (F.P.) had automatically vacated his seat on the Council and the vacancy would have to be filled.

Mr. Declan Goode (F.P.) proposed the co-optation of Mr. Kelly and Mrs. Jackie Kennedy (F.P.) seconded.

Mr. Richard Walsh (F.G.) then rose to speak and said that practically all members of the Council had been elected on a political ticket and they had all approached their work as Councillors with the further aim in mind of possible co-opting on to the Council of members of their own political party and his own political appointment and his own political appointment and his own political appointment.

Mr. Kelly said he was not a political member. He had been elected on a political ticket and he was not a political member. He had been elected on a political ticket and he was not a political member.

URBAN COUNCIL TO PAY £40,000 FOR 32½ ACRES OF LAND

BIGGEST HOUSING SCHEME EVER UNDERTAKEN

With the exception of Councillor N. Hackett who dissented from the decision, the members of Dungarvan Urban Council decided at Monday night's meeting to purchase a total of 32½ acres of land from Mr. Jackie O'Donnell, Youghal Road, for a sum of £40,000. Subject to Department sanction the biggest housing scheme ever undertaken in the town—184 houses, will be built on the 23 acres that are available, while the remainder of the site would be made available for playing amenities, a possible community centre and clubhouses.

In a report to the meeting the Town Clerk, Mr. J. P. Robinson, said negotiations had taken place during the past month with representatives of the landowner. The Council was represented at those discussions by the Chairman, Mr. T. A. Kynce, the Town Engineer, Mr. P. Walsh and himself. The land was used as Kingsmill's and the total area involved was slightly in excess of 32.5 acres. Following a considerable amount of negotiations an agreement was finally reached on a price of £40,000. That represented a cost of £1,235 per acre.

Mr. Robinson said the Council would also be liable for Auctioneer's fees and for the fees of their own Solicitor in regard to the purchase. Agreement had also been reached on the giving of possession of the land to the Council and on payment of the purchase money in instalments. To finance the purchase, he said, it would be necessary to raise a loan of £42,900 over a period of fifty years. Repayments on that loan would amount to approximately £3,620 a year.

AMENITY PURPOSES Mr. Robinson went on to tell the members that it would be possible to service this land with sewage three of the town sewerage scheme which would be undertaken shortly. Most of the land could and would be used for housing but there would be some acres left over that could be used for amenity purposes.

Mr. Hackett—How far have these negotiations gone? Mr. T. A. Kynce, Chairman—It is before you now for consideration.

Mr. A. Deasy said that after they had discussed this in Committee at their last meeting he was under the impression that the land was quickly for amenity purposes.

Mr. Hackett—And I was led to believe that there was the possibility of a substantial grant towards it.

Mr. Deasy—Is it going to be used for housing? Mr. Kynce said it would be primarily for a housing scheme and the land would be officially purchased for housing development. That was the only way they would get substantial Department grants.

Mr. Hackett said the annual repayments of £3,620 would be a terrible burden on the ratepayers. By his calculations it would put 4/2 on the rates.

WISE DECISION The County Manager, Mr. C. A. O'Connor, said the land the Council had purchased in Abbeyside for housing development and if necessary some of the money they would now be getting from private sites in Abbeyside could be used towards paying for this land. They could also, if it was considered necessary, use the £10,000 they got from the Department of Posts and Telegraphs for the Shambles site. This pavilion site that they had negotiated was extremely valuable and land values were rising all the time. He honestly believed that the Council should seriously consider moving in this matter.

Mr. Hackett said they were members of the Council had a responsibility to the ratepayers of Dungarvan. Were they going to put another 4/2 on the rates of people like those that had gone into the McCarthyville housing estate where houses had a valuation of £9. He believed it was wrong to burden any further ratepayers who were already put to the pin of their collars to pay rates.

Mr. Hackett said he had had Mr. O'Donnell's land measured himself and he could state that there were only 23 acres there and not the 32½ that they had been led to believe.

Mr. Kynce said 23 acres of the land were arable and these were the acres it was proposed to build houses on. The Council had been repeatedly pressed to provide amenity centres but they had no places to give and now there would be about eight acres of this land that could be used for that purpose. That alone made it an even more attractive proposition, he said.

REVENUE DISCUSSED

A number of possible conservation measures and their effects on the ratepayers were discussed with the Parliamentary Secretary and the views expressed will assist the Irish representatives on the study group in advocating the remedial measures that will give rise to the minimum difficulty for Irish vessels participating in the fishery.

Mr. Deasy—How many houses can be provided on the site? Mr. Deasy—Will we be still moving the Compulsory Purchase Order against Mr. Joseph Conway to acquire his land? Mr. Kynce—We may not have to do so. Mr. Conway has outlined planning permission for amenity houses on that site. The Manager would reduce that number to 88 but if the owner can give us firm proof that he intends to proceed with the proposed housing scheme on his land the Manager would recommend the withdrawal of the Compulsory Purchase Order against him.

COST A LOT MORE Mr. P. Walsh said one point that worried him in relation to the land they were proposing to purchase was the fact that it might cost them a lot more in the future. It was longer than the quay and was going to cost them considerably more at a later date to protect it from the sea. He was all in favour of buying the land but he had to ask that question.

Mr. Kynce said when the wall at Abbeyside was completed it was intended anyway to return and complete the sea wall from the swimming pool right along by that area.

The Chairman went on to stress that if the land was purchased they would have to apply to the Department for sanction as a housing scheme purchase so as to get substantial grants.

Mr. Hackett said he was definitely against the buying of the land. Mr. Deasy—I will go ahead and propose that we purchase it for the £40,000. I would also like to congratulate the Officials and Chairman for their excellent handling of this very delicate affair. I think it is very good business on our part and it should be remembered that the officials and members have been abused in the past for purchasing land that subsequently turned out to be very good purchases.

Mr. N. A. Kelly seconded. Mr. Hackett said they were very bad dealing men to give a man who was looking for £40,000 that amount.

When Mr. Deasy asked how soon there would be a comprehensive plan drawn up for the housing scheme, Mr. Kynce said they hoped to have possession by February 1st and to be started there in March next. They would make playing facilities available there almost immediately.

The Town Clerk replying further to Mr. Hackett said that while the annual repayments would increase the rates by 4/2 this increase would never in fact be effective. For a start they would receive money from private sites in Abbeyside that would offset it and the subsidy for the proposed housing there would also reduce it. At no stage would the rate increase be actually 4/2 he said.

Mr. Hackett said this should be put to a referendum of the people. He proposed that but failed to receive a second.

Mr. Goode's proposal that they go ahead and purchase the land was then carried, with Mr. Hackett dissenting.

CONSERVATION OF DUNGERVAN EAST HERRING STOCKS Discussions took place in Dublin on Friday, 13th November, 1970, between representatives of fishermen's organisations and Mr. J. Fahy, T.D., Parliamentary Secretary to the Minister for Agriculture and Fisheries in regard to the conservation of the herring stocks in the Celtic Sea, i.e. from Tuskar Rock to Co. Kerry. Fisheries scientists consider that these stocks are at present being over-fished and the North-East Atlantic Fisheries Commission, which is the international body responsible for conservation of fish measures in the North-East Atlantic area, has established a study group to examine the position, with a view to formulating conservation proposals.

MEASURES DISCUSSED A number of possible conservation measures and their effects on the ratepayers were discussed with the Parliamentary Secretary and the views expressed will assist the Irish representatives on the study group in advocating the remedial measures that will give rise to the minimum difficulty for Irish vessels participating in the fishery.

DUTY TO RATEPAYERS Mr. D. Goode said all members of the Council had a duty to the ratepayers. One of their duties was to see that the town and locality was improved and the only way they could do that was by providing houses for the people and amenities for the clubs and organisations.

INCOME GAP STILL PERSISTS SAYS MR. MAHER

The President of the N.F.A., Mr. T. J. Maher, speaking at the annual dinner of Waterford N.F.A. Executive in Dungarvan said that full account must be taken of the persistent gap between incomes in the agricultural and those in other sectors. "While this imbalance remains it means that the people engaged in the country's major industry are being forced to accept a lower standard of living than the standard prevailing for the rest of society," said Mr. Maher.

Mr. Maher expressed extreme concern at the inflationary position which the country was in at present. How long more, he asked, could we do without a formula to reduce prices to incomes that would take account of the position of the entire community, including farmers. He stressed the fact that agriculture is a primary industry, and because its products are largely for export a worsening income position within agriculture only tends to accelerate the tendency towards inflation.

He continued: "All round us at present there have been substantial wage increases and cost-of-living bonuses for many sectors. The increases granted have been as high as 25% but farmers have been forced to stand by and bear sharp and continuous increases in production costs and their just claims for increases have been largely ignored. The 'income gap' is presently over 5.6 per week and it is essential that our farmers receive the increases to which they are entitled. I would call on the Government to review price levels for farm produce as a matter of urgency and to act on the various recommendations put forward by N.F.A. The farming community just will not tolerate this situation indefinitely."

Mr. Maher pointed to the fact that the British Government has adopted measures which will cost the taxpayer some £40 million, to increase prices of milk, cattle, sheep and pig prices in order to counter increases in costs on British farms. Irish farmers and horse breeders have been asked to stand by and bear sharp and continuous increases in production costs and their just claims for increases have been largely ignored. The 'income gap' is presently over 5.6 per week and it is essential that our farmers receive the increases to which they are entitled. I would call on the Government to review price levels for farm produce as a matter of urgency and to act on the various recommendations put forward by N.F.A. The farming community just will not tolerate this situation indefinitely."

Mr. Maher said that as emergency milk prices were particularly relevant to Waterford farmers, it should be remembered that some milk producers were receiving over 4d. per gallon less due to the tiered milk price system. The N.F.A. has been making a significant case for an increase of 4d. per gallon in milk prices in order to encourage production of the quality milk required to secure the best return from highly-competitive world markets.

Waterford farmers have also been faced with serious increases in rates which have shot up by more than 20 per cent since 1968 and they have also shared the difficulties facing farmers generally as a result of recent increases in fertilizer prices, and a series of increases in feed prices during the past year.

Waterford is well-known as a progressive farming county, with highly-intensive systems of production, using large amounts of purchased inputs, such as fertilizers. If the prices of these inputs increase without corresponding increases in output prices, the result can only be lower incomes, and serious dissatisfaction among farmers," concluded Mr. Maher.

B.V.A. CHAIRMAN STRESSES FARMERS UNITY

The Chairman of the Beet and Vegetable Growers' Association (B.V.A.) Mr. Jim Plunkett said at Inisowen N.F.A. Regional Dinner that it was an indication of the farmers' unity which existed today that he was present at the function as both the vice-President of N.F.A. and as Chairman of a 20,000 strong beet and vegetable growers' organisation. "This type of unity exists because it was realised by the members of B.V.A. that their future as beet growers was more assured as part of an over-all association where each section is inter-dependent."

Mr. Plunkett continued: "It appeared in the past that farmers were played off against one another by the granting of minimal increases to the various sectors in the industry. However, as a unified force, we play our part by helping to increase the share of the national cake going to agriculture and thus, within our own Council see how that share of the cake can

ESTIMATE FOR REPLACEMENT OF WINDOWS AT CASEYVILLE

Dungarvan Urban Council is to get an estimate for the cost of replacing all windows in the 86 houses at Caseyville, and a decision will be taken at the December meeting on whether or not to advertise the work for contract. At Monday night's meeting of the Council Councillors Noel Hackett, Thomas Wade and Paddy Whelan complained of the condition of the windows in the scheme and said they were in need of immediate replacement. Councillor Wade suggested that the work should now be done by contract. Mr. Hackett said nothing had been done about them since he made the first proposals two years ago. He was given an estimate of £4,200 at that time to replace the windows. Mr. Wade said there were six windows in each house to be done.

HEFTY IMPOSITION

The Chairman, Mr. T. A. Kyne said if the Council decided to undertake the work by contract it would require a supplementary estimate. If the work was going to cost £4,000 or more it would put a hefty imposition on the rates. Mr. J. P. Robinson, Town Clerk, said one house in Caseyville had recently been replaced. Mr. Kyne said that represented an approximate cost of £100 a house, or £2,000 plus for the entire scheme. Finally on the suggestion of the County Manager, Mr. C. A. O'Connor, it was unanimously agreed to get an estimate of the cost before taking a firm decision at the next meeting.

Obituary

MR. PATRICK DUNFORD

It is with regret that we record the death of Mr. Patrick Dunford, Co. Wick, who passed away at St. Joseph's Hospital, Dungarvan, after a period of failing health and at the fullness of years.

Deceased was a member of a most esteemed and widely known agricultural family. He was a gentleman of many fine qualities, more especially his great charity and readiness to help those requiring his assistance, and who were extremely popular with a large circle of friends, all of whom regret his passing. Deep sympathy is extended to his relatives on their bereavement. His remains were removed on Wednesday evening followed by a large cortege to Kibberagh Cemetery and were blessed and received by Rev. F. Cooney, C.C.

Requiem Masses were offered on Thursday morning for the repose of his soul and the interment took place in the presence of a family party in the presence of another requiem. Very Rev. D. McGrath, P.P., assisted by Rev. F. Cooney, C.C., officiated at the graveside.

MISS MARY WHITE

Deep sympathy was occasioned at news of the death of Miss Mary White, Shanakill, Ring, which occurred rather unexpectedly at the residence of her brother, Patrick White, Shanakill, Ring, on Wednesday morning, November 11th. The deceased was a lady of the highest degree and a member of a very old and widely known family, the late Miss White had spent the greater part of her life in Canada and had returned to her native home in the Galtee Mountains within the last eight years. She was a lady of very great qualities which endeared her to her many friends and acquaintances both in the country of her adoption and in her native land. Deep and most sincere sympathy is extended to her bereaved brother, her husband, nieces, relatives and friends.

Her remains were removed on Wednesday evening to Ring Church followed by a cortege of great proportions and were blessed and received by Rev. M. Enright, C.C., assisted by Very Rev. F. Flavin, P.P. Requiem Mass was offered on arrival and on Thursday morning Requiem Masses were again celebrated for the repose of her soul after which the interment took place in the adjoining family plot.

Very Rev. P. Flavin, P.P., imparted the final absolution at the graveside. Another very large and most representative concourse was present. Chief mourners—Patrick White, Ring, (brother); Mrs. Eileen White, Ring, (sister-in-law); Thomas White, Ring, Patrick White, Dublin (nephew); Mrs. Maureen Morrissey, Cappoquin; Mrs. Patricia Harry, Ring, Miss Norma Nevin, Dublin, Miss Brenda Bolger, Perth Australia (nieces).

(Funeral arrangements were carried out by James Kely & Sons, Undertakers, Dungarvan.)
