In the second half, playing against the stiff breeze with 13 men it appeared that Dungarvan would be beaten by a landslide, but they held on grimly until mid way through the half when Cobh crossed for a good translation. for a good try which was converted, putting them ahead 10 ps to 7 Following this score, Dungarvan were most unlucky on at least two occasions not to score the second being a spectacular run by P J Killi grew from his own 25 yards line to within I foot of the Cobh line In injury time Cobh crossed again to make the final score 14 pts to 7 Such an early exit from this important competition must be a big disappointment for Dun
