first round with their second

string, but I believe that they are fairly confident that John Moloney, Mick Flavin, Pat Langan, Deugy Murphy, veteran John Leahy Jackie French, John Terry Pat Murphy etc. will help to bring them a change of luck in their game against Stradbally at the Fraher Field I doubt if they will prove good enough to beat a Stradbally side which includes the nine regraded players Tom Cunningham Tom Halpin Tom Ahearne Richie Dunford John

With Tony and Frank Mc-Carthy Micky Fraher Pat Egan veteran Eamon Whelan Billy and Michael Arrigan all with some senior experience, available to them Affane must be fancied to beat Emmetts in the second game at the same venue Players like Colum Bannon Lar Walsh Donal Connolly Tom Whelan Jim John Kırwan Kiely Eamon Ahearne Paddy Fitzgerald and Deccy Queally will represent the Emmetts who are not in the game without a chance

AT CAPPOQUIN The meeting of Ballinameeta and Shabh gCua in the opening game at Cappoquin will afternoon's football programme Both sides are on the "short list for the 1974 title Shabb Sliabh gCua won the title two years ago only to fall at the last fence so to speak when they suffered a heavy defeat in the county final Last year they lost by a single point to a good Tallow side Faced by a strong Ballinameela side which will include Eamon Sean and Nicky Walsh Patsy O Keeffe Lar Looby John Brown Tom Barron Jim Hennessey Donal O Connor Mick Kerins etc all of whom were active in a challenge game against Kilgobinet on Sunday last, Shabh gCua are really having it put up to them to survive this one

LISMORE V DUNGARVAN Both sides will be representby their which means that their re graded players are all likely to pe regarded as certain starters Dungaryan will have Gusty Fraher, Patsy Hackett, Dwyer Anselm Haves Jım Sullivan Francis and Sean Power, Denny Dalton, etc., on their line-out while Lismore second string can include John O Connail S Cahill Jim Hurley, Jim Veale Tom Donoghue, Pat Buckley Donie Coughlan and Denny Buckley Which is the stronger side, is anyones guess so I will not attempt a

Both Tallow and Melleray Rovers will field their best sides and unless there is a complete upset in form Tallow who ran very respectable family and couple of points in last years had never been in trouble be-With such a big panel of playand it is never easy to name a side that will represent them However their line-out is sure to include Tom Dovle Billy Sheehan Eric and Patrick Curley Denny Cunningham, Liam OBrien Sean Hanley James Patrick OBrien etc all with far too much experi-ence for Melleray who although improving have still a good distance to go before they ome up to the standard of Tallow Melleray will addy Tobin Liam O Donnell Michael Begley, Michael OGorman Noel Hennessey Michael McGrath etc trying to prove

everyone wrong

SARGENT CUP The second game at this venue should see Shamrocks safely through to the second round of the Sargent Cup as they put up such a score against Ferrybank in the first months and for having no tax round that now it will be virman so I wont encroach on his territory

KILROSSANTY FANCIED The Comeraghmen will go to

Ballyduff for the second round of their Phelan Cup tie with Ballyduff and I have no doubt but that they will come home with the points as they also enjoy a substantial score advantage from the first game This will be the furthest West that a Kilrossanty team has ever travelled for an official competition, so it is going to but will be hoping to reverse be a history making trip for the favourites

Both the Railway Cup games were disappointing and as the years go by the problem of how save' the traditional St Patrick's Day games seems to be getting bigger A miserable day a small attendance and afternoon for those who watched tele on Patrick's Day to see Leinster beat Connaght in foot ball and the entertainment was no better on Monday as we watched Lemster beat Munster matched Leinster beat Munster in hurling Before the hour was over Waterford had three representatives on the team. Andy Heffernan played at cen tre-half forward but was taken off after a poor first half per formance Martin Hickey and Pat McGrath both went on as subs in the second half

subs in the second half There has been an amount of criticism at the fact that no National Anthem was played on St Patrick's Day despite the fact that there were six bands around the part of Croke Park.

MORE GAMES ON

Central Council at its meeting on Saturday last to accept an offer of £4 000 for the television rights of the two Division League semi-finals as well as both hurling and football finals has aroused consider indignation with and Divisional Boards through out the country and as a result it is quite likely that many protests will be made to Croke Park about the decision The televising of these extra

games will have an effect on the running of the champion ships all over the country as agreed that since the incident Trihy had come to him twice and apologised

Defendant then re-entered the witness box and said that he remembered going home

will also include such remaines as Tom Power Eamon Power, John Fitzpatrick Garry Cullinane Tom Ahearne Larry Chiffe etc They may prove a little too experienced for Ballinameels

will also include such remaines games are televised live The Central Council has no man date from the clubs to take such a decision. In fact the message that came over pretty clear at every Congress at clear every Congress at which the matter was discus sed was that the majority had

misgivings even the All-Irelands Western Board has tabled a motion for the next County Board meeting calling on the Board to condemn the decision of Central Council I am sure that many other counties will make their protest too

OFFICIAL OPENING Plans are now well advanced or Abbeyside's official opening of their field and from all we hear about the preparations it is going to be quite a night on Saturday April 27th The game listed for the opening will see the best past team v the pres ent senior team. The selectors of the past team told me that they were in difficulties about picking the team because so many players had given in their names for inclusion team was to have been picked announced but for some un known reason the selection was

GARDA REQUIREMENTS IN WEST WATERFORD BEING KEPT UNDER REVIEW STATES JUSTICE DEPARTMENT

with this reply from the Department of Justice to their request for the assignment of extra Gardai to certain stations in the West Waterford area said Mr George Heskin at the March monthly meeting of Waterford County Council held

"The Commissioner who has overall responsibility as regards the number of men to be allotated to each District, has had this matter fully investigated and has now reported his find-

and has now reported his findings to the Minister
To set the problem in context, it should be said, first of
all, that at present, there are
substantial demands made from
many areas for police services
and the most important criterion
liked in assessing their relative used in assessing their relative needs is, as you will no doubt agree, it should be, the level of time in the area in respect of which the demand is made On this criterion, it emerges that, on the whole the West Wateron the whole the west water-ford area is receiving a reason ably good police service How-ever the Garda authorities re-cognise that in West Waterford, as in many other areas, some particular problems exist, which particular problems exist which require special remedy To be specific they recognise that, for example difficulties have been experienced at Villierstown and Ballymacarbry because of tem porary Garda transfers and while this is an inevitability from time to time (not alone in the areas mentioned—it could obviously happen anywhere de pending on circumstances)
every effort will be made to
avoid these difficulties insofar as is possible to do so They reognise too, that problems exist in the Cappoquin area and for this reason extra Sergeants and Gardai have been temporarily

MINNIES SQUASH **CLUB NOTES**

Well the stage is now set for the grand finale of the Harp Lager team tournament, which will take place on Wednesday, Mary 20, at 730 pm

As I predicted, Tom Melody s quintet won a place in the final with a rather fortuitous victory over Mick Mernin's team, whose number 2. Vincent Mulligan, retired with a pulled muscle in the first set, thereby giving Melody a 3-2 win, without the respective number 1 players having to fight it out to the

a more meritorious one by, rather against general opinion, surprising the more experienced

opposition Donal Whelan again played handsomely in dismissing Jim Walsh and was his for the very fit Tony Cahill, but as expected over Matt Kiely who seemed to lose concentration when he disputed an umpires decision which, in my opinion, was correctly given against him

Team D (T Melody) heat Team B (M Mernin)—T Melody beat M. Mernin 9-7, 7-9, 9-7, 6-9, 9-5 S Pender beat V Mulingan 8-0 (Mulligan retired injured). Phelan beat D Rellis 9 3, 9 5 9-5 E Keane lost D Nevins 9-10, 5-9, 3-9 P J O'Brien beat B

O'Connor lost to T Mulcahy 2-9,

either a winners or runners up trophy at this stage, but I can tell you that winning to them both is more important It has the makings of a great final and should command a big attend-

will be crowned the winners and thus record his second victory in the two tournaments played since the opening of Minnies Squash Club As I see it, much will depend on the 'top three in each team, and a "slip' in this department could settle the destination of the Harp Lager Cup for another twelve months. Cup for another twelve months In the losers' group it seems likely that Michael Kelly will either Pat Enright or Tom Wickham as his opponent in the final We will give you details of the matches next week

WIDE FARMER INTEREST FOR

The planning for next season's beet crop is now well advanced and the Sugar Company reports widespread farmer interest for contracts The company has recently completed the best campaign in its hisory with more sugar processed than ever before Farmers col-lected about £12m for that crop together with important animal feed benefits This animal feed benefits This year the price will be even better base of £9 20, £1 42 up on last year with increases—according to sugar content and the beet pulp requirements of growers—to over £11 per ton The average yield per acre last campaign was near 18 tons Because of this and the fact that cause of this and the fact that the crop produced badly-needed animal feeds farmer interest this year is keen

The Sugar Company hopes to grow some 80,000 acres about 5 000 more than in 1973 and to assist farmers apart from the higher price, it is underwriting considerable fertiliser cost increases, giving early harvesting bonuses and haulage subsidies

listened for his footsteps Outside the kitchen door I could see his kindly face Bronzed from the sun and the salt air from the sea Like a giant he was
To, my childish eyes
Maybe nine feet tall—or ten

But I was only five years old by then He was my hero in a world we shared alone A world of high adventure and the tang of the sea Strange were the tales he told

clasped his hands so trustingly When the high tides came to "Faill a Ruin" We'd walk the miles of strand

Gathering the shellfish from the rocks Or 'neath the sand With fingers poised he'd point beyond the sea And tell the glories of some distant land Or some uncharted territory He told the wonders of the

iron men
He filled my night with
treasured-laden dreams
And the sweet-sad magic
Of a hundred melodies On an old tin-whistle
He was my gentle giant—my
hero among men

Oh! to be just gone five years old again This is a small tribute to the late Tom McCarthy of Old Parish who brought much happiness and a world of knowand
