G.A.A. NOTES EPIC HURLING WIN

Never was the spirit of the "Blues" or the will to win seen to greater advantage than a Fraher Field last Sunday night when we scored a thrilling 3-6 Abbeyside in the junior hurling championship

For make no mistake about it this was a difficult game to win a game in fact we losing for most of the hour But with every man rising to great heights in the final quarter we hauled down an eight point deficit to win in superb fashion Abbeyside fielded the best part of a senior side and were in control for most of the first half We trailed 2-4 to 1-1 at half time and went a further two points in arrears early in the second half But then came the great resurgence as we swept to one of our sweetest victories in

In the end everyone played his part but I'm sure I'll be forgiven if I single out the lionhearted Martin Sandford and the sweet striking Michael Norris They set the example which everyone ultimately followed

Next on the junior hurling list are Colligan and the impressive way they beat Eire Oge suggests we'll have our hands full to beat

TRAINING

Because of the week that's in , we won't have any training sessions this week there will be a full resumption of activity at the CBS on Tuesday night next, hurling and football Every playing member, whatever the grade, is expected
