The choice for our ballad corner this week is Peadar Kearney's Three Coloured

I had a true love if ever a girl had one.
I had a true love a brave lad was he One fine Easter Monday with his gallant comrades He started away for to set old Ireland free

Chorus All round my hat I wear a three-coloured ribbon O All round my hat until death comes to me why do I wear it It's all for my true love I

ne'er more shall see His bandoher round him his bright bayonet shining, His short service rifle beauty to see There was joy in his eyes though he left me behind

And started away for to Ireland free He whispered "good-bye love old Ireland is calling High over Dublin our tri colour flies In the streets of the city the foeman is falling. wee birds are singing

Old Ireland arise The struggle was ended they brought me the story The last whispered message he sent unto me I was true unto my land love I fought for her glory And gave up my life for to make Ireland free!
