OUR COLLECTION

Once again we would like to remind you that our annual held on next Sunday This year has been a hard

year on our club financially, with eleven teams participating

in the various championships and also due to the fact of the discontinuation of the Ciste Na Banban Pools that were a great source of income to the club We have not as yet succeeded in winning County honours so far for this year but we are still left in the intermediate hurling and both of the under 21 champion-ships All this activity costs money and our financial position for the current year is at a low ebb The greatest burden on our resources are transport to matches, the high cost of hurleys hurling balls and

We want to keep our club in a satisfactory financial position for our members and players, and we are confident that our generous supporters will show their appreciation of our efforts on Sunday by contributing to our collection (Advert)

Last Sunday Mossie Walsh and Sheamus Hannon figured prominently in Waterford's fine performance against Wexford in their first round League tie Waterford were unlucky to lose by one point after a fine game A very big crowd travelled to the match from this area
We were delighted to hear
that Shamie Hannon has been nominated for a Carrolls All-Star award at corner-back This is a great honour for our club and we wish to congratulate him on his achievement

This week two of our most popular young club members, Richie Walsh and Maurice Geary left for University College, Cork, where they will further their studies in their prospective careers. We wish them both the best of luck in their new environment—PRO
