MINNIES SQUASH CLUB

This week we will straight away have a glance at the second series of matches, play-ed by Minnies A and B teams at home and away last mid-

to Abbeyside as the team most fancied to win out the division but what a shock awaited them as they were most convincingly beaten by a superb display from the Minnies B team, every one of whom played excellent squash all through in a very exciting and hard fought battle

Everyone played well, yes but I must single out one man Colm Bannon who played the best squash that I have seen at the venue for some time past and on this display must surely rank as one of the top three players in the club at the present moment. He served wellshe shot hard, on fitness he has referred and his concentration. no fears, and his concentration is excellent I look forward to watching him in the many

extra time could produce a goal in the tough and uncompromis-ing FAI Junior Cup replay at Springmount on Sunday last A both sides created very few chances as both defences were very strong and tackling on both sides was razor sharp at times Indeed after a brief skirmish involving a few players the referee saw fit to send a player from each side to the line Dungarvan had by far the better of the exchanges after the break and indeed should have had the game well won
