### WATERFORD v CLARE

The disappointing news that full-back Paddy Coady is out of next Sunday's vital National Hurling League game against Power who both went to the semi-final in a keenly contested open men's competition

The league gainst against Clare because of injury has put a further question mark about our prospects about winning Visitors — Recently visiting the area in the company of Fr were far as the present league is con-Don-cerned Defeat in this game We will not only put us out of con tention for a place in the top four play off but it will leave us with a tough fight on our hands to avoid relegation If we beat Clare we will still

be in the league with some chance and if we are beaten we are likely to face demotion depending on how we fare against Tipperary at Carrick-on-Suir in the second last game of the series
At full strength our chances

would be considered fair enough even though we play Clare at Sunday morning when it was then home venue Ennis if this learned that His Excellence is not changed to Doonebeg Erskine Childers our President which makes the situation had died suddenly In his short much worse as far as we are concerned but now with Coady out the odds are further stack ed against us Clare are at the Ireland Never before had we head of the league table and President who moved so freely will field fully determined to among his people avenge their defeat by our number of fund avenge their defeat by our number under 21 team in the Munster attended final and the records show that months was they very rarely lost a game great man and a man of great at home Following defeats by dignity and culture has gone Cork Wexford and Kilkenny from our midst and Iteland is our stock is not high at the the poorer for his passing At moment and so we travel as dheis lamb De go raibh a outsiders for this vital tie In our rearranged side the GAA club will be held in the

### **NEWS FROM BALLYDUFF** AND DISTRICT By Election - Well all the

commotion is over in North-East Cork and Sean Brosnan has retained the seat for Fianna Fail a result which

never seemed in any doubt from the outset

Now let us hope that the politicians get down to the task of trying to halt the inflation that is hitting the country at present and we hope that they present and we hope that they will put the same energy into finding a solution to it as they put into the by-election

Wedding Morrisson—Hannon

### BALLINROAD SOCCER CLUB NOTES

Ballinroad 2, Glenville 1
Ballinroad got back on the winning tial again on Sunday last when beating city side Glenville 2—1 at Ballinroad The visitors dominated the early exchanges and were a good line of the state of the stat goal up after ten minutes and while both sides created some good chances after this there were no further scores in the

Ballimoad manager, John Beresford made a shrewd move after the interval when he brought Joe Power to midfield Power's superb football helped Ballinroad to supremacy in this vital area and a side which had been struggling suddenly click-ed to take the game to the visitors

They were on level twelve minutes into the second half when John Fraher goaled and five minutes later the same player was unlucky to have a header taken off the line Then in the 25th minute came the winner when Butler was taken down in the area and Bleen after having his shot from the spot parried by the keeper follow up to slot the ball home

Summing up this was overall -a good workmanlike per formance by Ballinroad and all 12 players involved can feel teasonably happy with their

performances
