NEWS FROM THE CLUBS

Ballyduff Upper — Ballyduff Upper Macra na Feirme Club will take part in the forthcom-Tipperary maintained their imbeaten run in Division 3B of the National Football League when they scored a narrow but descring win over Waterford in a close and entertaining encounter at Fraher field, Dungivan on Sunday last.

There were some bright passages of football in a game which was influenced by the elements to a great extent. The very strong wind first favoured Tipperary and while they did not seem to take full advantage of tim the first half after which they led 0-7 to 1-2, the quality of their football improved so much in the second half that they got full mileage out of the possession they did enjoy playing against the breeze.

For Waterford it was a very disappointing result in an hour in which the team just failed to combine as well as the winners did Defeat could now mean that they have lost the chance of being in the final shake-up Even more aggravating must be the fact that they might have won the game with a little more effort outfield and more understanding among the forward everything going for them in this game Home ground advangance of the post fact that they might have worn the game with a little more effort outfield and more understanding among the forward everything going for them in this game Home ground advangance of the post of the post of the fact that they might have won the game with a little more effort outfield and more understanding among the forward everything going for them in this game Home ground advangance of the provided three part in the final shake-up the fact that they might have not heard the whisper yet come along to St Michael's come along to St Michael's return of the "Loudest Whisper" one of Ireland's top rock groups.
