Last Sunday the club had its first outing of the current sea-son when they played St Catherine's in Conna, in a challenge game It was contested all the way with championship fervour and the hurling was tough and uncompromising but at all times fair At the final whistle our side were well in front of the home

debut in the Sargent Cup hurling competition against Erin's Own For this match we must travel to a Waterford venue and at the time of writing we have no further information to hand on this clash except a bus will be provided for a limited number of people travelling to the
