DISMAL FOREBODINGS
There were forebodings of a most dismal nature voiced at the monthly meeting of the Co. Waterford Committee of Agriculture held in Dungarvan last Monday when several members agreed that a big financial crash for the country was inevitable in the near future because of the present economic crisis. How serious the position or is it, as one of the members of the Committee put it, an economic crisis just for some. The attitude of some sections of the community would certainly seem to indicate the latter.

Earlier this week the magazine "US News and World Report" recorded that "the slump in world demand has hit the Irish Republic's export market-gear industry. At the same time, oil-import costs are higher, a huge trade deficit is yawning". It said the collapse of cattle prices had been a blow to Irish farmers and the drop in industrial activity had left one in ten Irishmen out of a job while workers in the car assembly industry and in the textile trade were working 2-day weeks. Having pinpointed other crisis symptoms it then stated "But one of Ireland's chief attractions, relatively low wages, is fading. Irish wages in 1974 are reckoned to have risen three times as fast as America's and price inflation in Ireland is now raging close to 25 per cent a year".

But it was only last week that we were confronted with a headline in one of our morning papers, "Rural Doctors Want £240-a-week". The small type underneath stated "If doctors are to be kept in rural Ireland they will have to be paid over £240 per week or £12,000 per year says Dr Dermot Gleeson of Cork who is honorary secretary of the Irish Medical Association and said yesterday following a discussion on rural practice and dispensary allowances at the Association's annual conference in Tralee".

But it is not only doctors who are demanding more and more but members of most of the professional public services while the greatest culprits of all are the members of the Oireachtas—the Dail and Senate—government and opposition who, while crying crocodile tears and calling on the rank and file to tighten their belts and to stop looking for more than the country can economically provide, unanimously approve of whopping great increases for themselves. Indeed in these circumstances it can well be asked "is there an economic crisis or not, or is it just for some?"

There is no doubt but that the country as a whole is living far beyond its means at present. Even for those not greatly versed in the world of economics the suspicion is mounting that the good times there must be a stop sooner or later to a wages and spiralling of wages and salaries. If there is not a stop or a considerable slowing down then it must surely be a total collapse.

But who cares? From whom should the example come? Who is or who should be in control? What measures are the government taking to check the raging inflation beyond the odd side-swing given by the Fine Gael Conservative wing of the government to the Labour socialist wing epitomised by the recent reference of the Taoiseach to the Minister for Industry and Commerce that all of the inflationary tendencies had not been imported from domestic policies we have had little else. What the country requires is better leadership soured with a little good example and unless we are given some tangible evidence of both very soon then

it could very well be too late. **A DANGEROUS OBSTACLE**
The lamp standard which stands at the entrance to the car park in Dungarvan is proving a dangerous obstacle for long vehicles being manoeuvred out of the park. It has been in the way more than once when it was either knocked or pushed skew-ways but it presents a far greater danger when it sends those big vehicles out across the narrow width of Friary Street charging up against the houses on the opposite side and terrorising the residents. The latest episode occurred on Tuesday morning when a large "artic" unable to swing out properly because of the location of the lamp standard smacked in the centre of the exit, pulled down the ESB cable crossing the street and also some of the chutes and downpipes of adjoining houses. It caused chaos in the street and the residents are rightly up in arms.

Tragic Road Accident Recalled At Dungarvan Court

A tragic accident which occurred at Ballymore, Cappoquin, on May 8, 1974, was recalled at the Dungarvan District Court today when Mrs Angela O'Keefe, Ballymore, Ballymore, was charged with dangerous driving. Mr B. O'Meara, Solicitor for the defendant told the court at the outset that Mrs O'Keefe and her husband's car with injuries she received in the accident and was not now, nor would she possibly ever be able to come to court to give evidence. He said that the accident occurred when a tyre burst on the car which she was driving and that she lost control and struck another car.

Following consultations it was agreed to go ahead with the case and that the charge should be reduced to one of careless driving. Supt. M. English, who prosecuted stated that on the occasion the Peter O'Mahony was returning home in his car to Ballymore and on a straight stretch of road at Killybeg he noticed a car which was driven by the defendant coming against him. Suddenly the car veered across the road and hit his car which had fallen from a passing lorry.

A TRAGIC FAMILY
A note from Mrs. Jane Smyth, Press Officer of the Waterford Association in London, brings sad news this week of the tragedy which has struck the Smyth family who live in Sydenham in London.

The young couple, John Smyth, 27, and Rosemary Smyth, 25, were both in the car when it was struck by a lorry. John was killed and Rosemary was seriously injured. The car was a 1974 Ford Escort. The lorry was a 1974 Ford Transit. The accident occurred on the R100 road near Ballymore, Cappoquin.

SPONSORED MOUNTAIN CLIMB WITH A DIFFERENCE
On Sunday next there will be a sponsored mountain climb on the 2000-ft. plus high Keeper Head Mountain close to Cappoquin town. About 15 participants of these about 15 will be blind persons. Most of the latter are guide dog owners and they will include Pat Burke who presides at the switchboard at Arus Brughin in Dungarvan.

ON THE ROAD
The traditional function of County Homes to provide accommodation for travelling men would appear to be nearing an end Down through the years it has been common to meet the individual who sought a hand-out on the claim that he was "on the road and badly off". These men of the road were always sure of a bed for the night at the local County Home and they invariably made for the centres where these homes were located.

When the County Homes or Unions were first established in the middle of the last century, the country had been struck by the great famine and poverty was widespread. People wandered over the country and the County Homes were usually located at distances estimated to be a good day's walk from each other. The idea, apparently, was to keep those who wandered in this way, on the move, they were put up for the night, given a meal the next morning and then struck out for the next "haven of rest".

Although these "casuals" have now been greatly reduced in numbers there are still some of them knocking around but it would appear that soon they will no longer be able to avail of their traditional "overnight accommodation". At the March monthly meeting of the South Eastern Hospitals Committee this matter of accommodation for casuals in the Board's geriatric hospitals was considered. It was stated that travelling men were still securing shelter at such hospitals in Dungarvan, Cashel, Ennisceorthy, Carlow and Thomastown and the Board is cordially invited to attend.

TALLOW AND ROUNDABOUT NOTES

Hospitalised — We regret to have to inform readers of this column that our Tallow Correspondent, Mr. John Parker, is at present indisposed and is a patient at Lismore District Hospital. We trust that he will fully recover from his indisposition speedily and extend to him our best wishes towards this end.

Meanwhile we would ask the P.R.O. and Club Secretaries in Tallow and surrounding areas to forward their reports to the "Leader" Office in Dungarvan until such time as Mr. Parker is able to return to his normal routines. In the circumstances we regret the curtailed news service. (Editor D.L.)

Shamrocks G.A.A. Notes — Shamrocks 3-1, Abbeyside 0-1. The Shamrocks played a combination in under-age age had their first success on Sunday last under the name of Shamrocks when they beat Abbeyside in the first round of the minor hurling championship played at Lismore. This was a very entertaining game which produced hurling worthy of the grade. Abbeyside looked the better side in the first-half and led 0-4 to 0-1 at the interval. Abbeyside would have been much further ahead but for the wonderful display of Mick Sheehy. The Ballyduff lad was the real star of the game and contributed more than anyone else to the win. After the interval our lads seemed to settle much better, and their hurling was more determined. They had a well taken goal by Mick Leamy and another by John Kelly who was the best forward on view. Abbeyside got on terms again with two further points but Davy O'Keefe showed the winning touch to the scoring when he finished a Noel Tobin's free to the back of the Abbeyside net.

This was a great display from the lads in their first game together. It is hard to pick out any member of the team for special mention but we will give a great display of Mick Sheehy in goal and the performances of Noel Tobin, Ted Harnedy, Mick Hanrahan and Seamus O'Connell. Liam Drislane at mid-field and John Kelly, Chris Whelan, Sean Drislane, Michael Leahy and Davy Keefe in attack.

Jimmy O'Gorman was an excellent referee.

Senior Hurling — On Sunday next our senior team will play against the Abbeyside Tallow in our senior game at Lismore the proceeds of which go towards the Lismore C.B.S. Building fund. On Sunday next the intermediate title last year followers are looking forward to a meeting of those two great hurling sides and quite a number of Sunday next these two teams will produce hurling worthy of the name as they have in the past. Most important, however, is that the game is played in a sporting manner. Time 2.15 p.m. All Shamrocks players are requested to be at the venue at 1.45 p.m. sharp.

Meeting — A meeting of all players and officials will be held in the Cronin Pub on Friday night, 4th of April 8.45 p.m.

Bride-View United A.F.C. Notes — In preparation for the current County Cup, Bride-View played a thrilling 4-4 draw with Sarstedale (Youghal), at Bride-View Park last Sunday. Bride-View started well but had a simple goal just before half-time.

After ten minutes of the second half Sarstedale scored 3 goals in the space of nine minutes and led 4-0 to 0-0 with 28 minutes remaining. When Pascal Prescod headed home, it was the start of a comeback by Bride-View. This goal inspired the team and two more goals from Jan Plante put Bride-View back in the game. With 3 minutes remaining it looked set for a great finish. Bride-View kept the pressure on, and with seconds remaining Leonard Fraser shot the equaliser from just inside the area.

Team: T. Daly, J. Tobin, P. Prescod, L. Fraser, T. Smith, E. Curley, J. Cashman, J. Plante, M. Hogan, D. O'Brien, J. Ronayne.

Referee — Liam Fraser.

Players are asked to attend training sessions on Tuesday and Thursday nights at 7.00 p.m. under the supervision of Pat Noonan.

Woodland I.O.A. — Next meeting will be held on Friday night, April 7th at Schoolhouse, Glendine at 8.30 p.m. Various aspects of home economics appear on the agenda for this month. The speaker will be Mrs. K. Barry, Domestic Economy Instructress.

Housewives this is your opportunity to get as much advice and help as possible in these inflationary days. We hope after this talk we will all be able to keep the wolf from the door a little longer.

NEWS FROM CAPPOQUIN AND DISTRICT

Affane I.C.A. — A Monster Whist Drive will be held in Parkdota, Affane, on Friday night, April 4th at 8.30 p.m. sharp. Cards 50p including tea.

Parish Hall seeks Funds — Members of Cappoquin Parish Hall Committee will be conducting a house-to-house collection on Saturday night next, the 5th in an effort to provide proper toilet facilities and heating accommodation in the Hall. In the absence of a Community Centre the Hall is the only building serving the social needs of the community and the committee have struggled for years in the face of vast local indifference to keep the door open. At this time the decision appears to be a very unenviable one but is certainly deserving of the utmost support.

I.C.A. Activities — Craft classes have ended for the current season but have proved most interesting and informative. The guild are most grateful to Miss Claxton and Mr. Kelleher for their interest and to Rev. Mother and community for the facilities at the Technical School.

Legion Of Mary — At a meeting to be held in the Parochial Hall on Wednesday the 6th at 8 p.m. speakers will be Mr. J. O'Connell and Mr. J. O'Connell. The general public are cordially invited to attend and participation in the discussion will be welcome.

Parent-Teacher Association — A meeting of the Parent Teacher Association attached to the Boys School, Cappoquin, was held at the school last week. The Vice-Chairman, Mr. J. O'Connell, presided in the absence of the Chairman, Mr. John Murphy. There was a discussion on school transport in the Tourin area and it was decided to seek discussions with the representatives with a view to improving the service. Satisfaction was expressed at the progress in the school playground and Mr. O'Connell told the meeting that the equipment was being well used by the boys.

It was agreed to write to the County Council regarding the dusty condition of the surface. There was disappointment at the news that damage had been caused to the equipment by the heavy rain. Mr. Casey said he felt that these reports were quite exaggerated.

Mr. Moynihan thanked those who had contributed plants towards the school garden and said that further gifts of this nature would be welcome.

This concluded the business of the meeting and then Mr. Moynihan gave a most interesting and informative lecture on the New Maths programme. This was certainly a "light in the darkness" for all present and there were many questions from the floor. At the close Mr. Casey, on behalf of all returned thanks to Mr. Moynihan.

Geoiri O'chois More — "Thosach gluaisacht na h-athbheochan" is a ceol Gaelach an t-arm ba chumhaltal a bhí againn chun aire an Phobail a dhírú ar a ndúchas agus ar an teanga sin nar labhairt na moirín gur thug a lan acu i goill San Iarracht ata ar bun le iathair chun muintir chomh-phobal chéile móire a chosadh ar an ndúchas ar an ceol Gaelach chun tús agallain.

From recent gatherings at the Keaneland Hotel, Lios Mor it would appear that there are about three people, young and old in this local community who play traditional music quite well. There must be about ten more who were not with us on those occasions. Traditional musicians usually come together in small units to practise in their own homes. This is a natural and desirable. When this year's campaign starts anew we must take notice of this pattern and "Ocheanta Ceoil" must be held at various centres throughout Cois Mhoire to create an interest in Irish music throughout the whole of this area. However, there is so much to be done both for instrumental and vocal music that co-ordination of efforts is essential. In the near future a meeting of musicians from all over Cois Mhoire will be held in the Keaneland to discuss ways and means of forwarding traditional music and song throughout the local community. It is hoped that not only musicians and singers but all who are interested in this aspect of our culture will attend and voice their views.

Music Club — Cappoquin club held a very successful meeting on Tuesday of last week in the Parochial Hall. Much discussion centred around the various ways to organise branch activities for the coming months in order to satisfy all members. Many different projects were discussed and it was agreed that the prospect of a summer outing it was decided that this be discussed further at our next meeting.

A team was picked to represent the club in the forthcoming Novice Ladies Competition, it is Theresa McGrath, Collette Guy and Rosemary Arbin, and we wish the very best in this competition.

Cappoquin were represented in the farm tasks competition held in Ballymaecoda recently by Francis Mangan, James Frendergast and Noel Looby.

Finally we will hold a dance in the Boathouse on Friday night, April 4th at 8.30 p.m. The "Comets" and a great night is anticipated — so see you there!

Kneekalara Resident Dies — An elderly resident in the person of Mrs. Hannah Griffin Ballyduff Dungarvan, died at the County and City Infirmary, Waterford, on Tuesday, April 29th. There were large attendances at the removal of the remains and interment at Aglish on Wednesday 29th. She was the wife of the late Rev. P. Fitzgerald, C.C., officiated. She is survived by her sons John and James, Mrs. J. Twinn (daughters) and her daughter-in-law, Doocey and Mrs. Cunningham, nephews nieces and relatives.

County Waterford Boys Win Award — In the European Architectural Heritage Year Schools Competition a Premier Award was won by a six-boy team from Youghal Vocational School. The successful team included Sean Coyne, Glasheen and Edward Foley and Seamus Allen Kinsalebeg. The awards were presented at a function in Dublin.

Gardaí Transferred — Garda P. Moore was recently transferred from Ardmore to Waterford and Garda M. Breen from Villiersstown to Lismore. Both are popular and efficient officers of the Garda Síochána. He had an extraordinary military career. Joining the British Army in 1914 he served on the Western Front and became a leading marksman. Returning home on leave he joined the West Waterford Brigade IRA and soon became famous for his valour and deeds of bravery. He was given many important and dangerous tasks and soon became the terror of the RIC and Black and Tans in the Civil War he took the Treaty side and fought against his former comrades. With the late General Murphy he commanded the Free State troops who took over Youghal Barracks from the IRA.

On being demobilised from the army he became an officer in the C.I.D. Special Branch from which he later retired. He was in the Emergency in 1940 he rejoined the Irish Army.

He was brother of the late Commandt Robert Foley Military College.

We join in extending sympathy to his bereaved wife family and sisters.

Clashmore Gymkhana — The annual Gymkhana at Clashmore on Easter Sunday was very successful from every point of view and the different competitions were keenly and closely contested. Conditions were ideal for the big occasion and all arrangements were perfect.

Minor Hurlers Advance — Our minor hurlers scored a decisive win of 6-3 to 0-1 in their first round championship game against group side, St. Michaels at Cappoquin on Sunday afternoon last. The hurlers dominated the first half and at half time, St. Michaels' decided against fielding for the second half due to their demoralising first half display.

Scorers: M. Curley (2-0); L. Mulcahy, D. Mahony, S. Curley and P. Daly (1-0 each), F. Ryan (0-2), R. O'Brien (0-1).

Referee — T. Scanlon (Affane).

Sargent Cup — In our second game of the afternoon on Sunday last our senior hurlers were involved in their second leg Sargent Cup game against Abbeyside at Abbeyside.

This game produced fine hurling from both sides. Tallow went into the game with a four point advantage from the first half, but such was Abbeyside's determination last Sunday that they succeeded in wiping out the arrears winning by 5-4 to 2-3.

Pat Dowling, Billy Sheehan played a real commanding role when moved to centre back and showed many that he is of inter-county standard as a defender. Kieran Ryan, Pat Daly, "Mutt" Curley and especially Tom Doyle were others to impress.

Scorers: T. Doyle (1-3), K. Ryan (0-2), L. Moroney (0-2), J. Hartigan (0-1).

Team — N. Power, T. McSweeney, B. Sheehan, R. McNamara, J. Cronin, K. Ryan, P. Daly, P. Curley, R. O'Brien, L. Moroney, B. Ryan Subs N. Sheehan, J. Hartigan and T. Mulcahy.

Referee — J. O'Connell.

Incidentally, the above Sargent Cup game marked John Hartigan's return to the Tallow jersey after a two year absence.

Heart Warming Display — For the few supporters that turned up at Lismore on Monday afternoon, the first leg of a heart-warming display served up by the Waterford minor hurlers in their defeat of Cork City Division in the Junior Minor League by 2-9 to 3-4.

Tallow had five representatives on the team — Stephen Curley in goal, Pat Daly (full back), Kieran Ryan (right half back) and Ray O'Brien at midfield. All played a trojan part in this victory for Waterford.

Minor Footballers — Our minor footballers made their championship debut for 1975 at Lismore on to-morrow (Saturday) at 6.45, when they play newly affiliated, St. Oliver's, comprising of players from Villiersstown, Aglish and Ballinacoola. It looks very much on that this force will be no push-over for Tallow. Players are requested to be at the Square, Tallow, for bus at 6.15 sharp.

1974 the same as 1973 with the girls U16 G.W.V.A. winners, 1975 semi-finalists in the W.A.I. League, winners of U18 girls, runners-up in U16 girls, U18 boys semi-finalists and runners-up in the juniors.

This is no mean achievement, but goes to show what can be done with a little dedication.

The club's 3-a-side will commence soon and all members are expected to forward their names to the Secretary, Mr. J. Drummy, for inclusion. Newcomers are welcome to participate also.

A word of thanks to those who helped in any way to bring this success to the club.

Sea Career For Youths — With the increasing tempo of modernisation and enlargement of fishing vessels in this country, it is now more important than ever that the sea fishing industry should attract new entrants of the highest calibre. Fishing today is an exacting and skillful career, but for those with the ability and training to succeed, the rewards compare more favourably with a great many shore based occupations.

Boys in the 16 to 18 years range now have an opportunity of availing themselves of the training facilities provided by the Department of Agriculture and Fisheries under its scheme for the training of boys as fishermen.

Practical training at sea on selected fishing trawlers will be combined with a shore course conducted at the National Fisheries School, Greenacree, Co. Donegal, opened early last year by Mr. Michael Pat. Murray, T.D. Parliamentary Secretary to the Minister for Agriculture and Fisheries, and which is specially designed for the purpose. The school is operated by the Department of Agriculture and Fisheries and instruction will be given there in such subjects as seamanship, navigation, net-mending etc.

While undergoing training over a twelve-month period boys will be maintained free of charge and paid a weekly allowance of £8 per week.

Further Training — On completion of the course, the trainees will, as trained fishermen, be eligible for employment on fishing boats and to be paid on a share basis. When they have acquired four years fishing experience, the young men may apply for further training under the Department's course for the training of experienced fishermen as skippers. If they are successful in acquiring the skipper's ticket, they can consider securing their own boats on the attractive financial terms available from An Bord Iascaigh Mhara.

A good response is expected to the present recruitment campaign. Minimum educational standards are not laid down but applicants who have attained at least intermediate or Group Certificate standard are particularly suitable. Previous sea-fishing experience is not necessary.

PENSMAN TAKE Behind the Dismal Forebodings

There were forebodings of a most dismal nature voiced at the monthly meeting of the Co. Waterford Committee of Agriculture held in Dungarvan last Monday when several members agreed that a big financial crash for the county was inevitable in the near future because of the present economic crisis. How serious is the position or is it, as one of the members of the Committee put it, on an economic crisis just for some. The attitude of some sections of the community would certainly seem to indicate the latter.

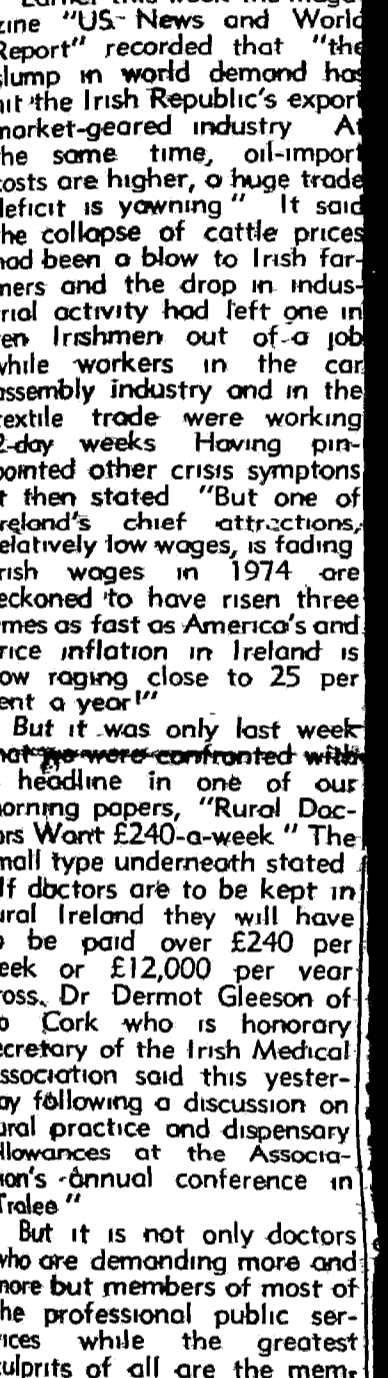

Earlier this week the magazine "US News and World Report" recorded that "the slump in world demand has hit the Irish Republic's export market-gear industry. At the same time, oil-import costs are higher, a huge trade deficit is yawning." It said the collapse of cattle prices had been a blow to Irish farmers and the drop in industrial activity had left one in ten Irishmen out of a job while workers in the car assembly industry and in the textile trade were working 2-day weeks. Having pinpointed other crisis symptoms it then stated "But one of Ireland's chief attractions, relatively low wages, is fading. Irish wages in 1974 are reckoned to have risen three times as fast as America's and price inflation in Ireland is now raging close to 25 per cent a year."

But was only last week that the "Rural Doctors' Wart £240-a-week." The small type underneath stated "If doctors are to be kept in rural Ireland they will have to be paid over £240 per week or £12,000 per year gross. Dr. Dermot Gleeson of Co. Cork who is honorary secretary of the Irish Medical Association said this yesterday following a discussion on rural practice and dispensary allowances at the Association's annual conference in Tralee."

But it is not only doctors who are demanding more and more from the professional public services while the greatest culprits of all are the members of the Oireachtas — the Dail and Senate — government and opposition who, while crying crocodile tears and calling on the rank and file to tighten their belts and to stop looking for more than the country can economically provide, unanimously approved of whopping great increases in these circumstances it can well be asked "is there an economic crisis or not, or is it just for some!"

There is no doubt but that the country as a whole is living far beyond its means at present. Even for those not greatly versed in the world of finance the suspicion is mounting that the good times cannot keep going and that there must be a stop sooner or later to this upward spiralling of wages and salaries. If there is not a stop or a considerable slowing down then it must surely be a total collapse.

But who cares? From whom should the example come? Who is or who should be in control? What measures are the government taking to check the raging inflation? Beyond the odd sideswipe given by the Fine Gael Government to the Labour socialist wing as, epitomised by the recent reference of the Taoiseach to the Minister for Industry and Commerce that all of the inflationary tendencies had not been imported and that quite a lot was due to domestic policies we have had little else. What the country requires is better leadership soured with a little good example and unless we are avert some tangible evidence of both very soon then

AGLISH AND CLASHMORE NOTES

Death Of Freedom Fighter — The death occurred recently of Capt. William (Bill) Foley of Aglish, who was a member of the Lismore Hurling Club. He was a leading marksman and a legend in his own lifetime and was once described as a "one man army". He had an extraordinary military career. Joining the British Army in 1914 he served on the Western Front and became a leading marksman. Returning home on leave he joined the West Waterford Brigade IRA and soon became famous for his valour and deeds of bravery. He was given many important and dangerous tasks and soon became the terror of the RIC and Black and Tans in the Civil War he took the Treaty side and fought against his former comrades. With the late General Murphy he commanded the Free State troops who took over Youghal Barracks from the IRA.

On being demobilised from the army he became an officer in the C.I.D. Special Branch from which he later retired. He was in the Emergency in 1940 he rejoined the Irish Army.

He was brother of the late Commandt Robert Foley Military College.

We join in extending sympathy to his bereaved wife family and sisters.

Clashmore Gymkhana — The annual Gymkhana at Clashmore on Easter Sunday was very successful from every point of view and the different competitions were keenly and closely contested. Conditions were ideal for the big occasion and all arrangements were perfect.

SEA CAREER FOR YOUTHS

With the increasing tempo of modernisation and enlargement of fishing vessels in this country, it is now more important than ever that the sea fishing industry should attract new entrants of the highest calibre. Fishing today is an exacting and skillful career, but for those with the ability and training to succeed, the rewards compare more favourably with a great many shore based occupations.

Boys in the 16 to 18 years range now have an opportunity of availing themselves of the training facilities provided by the Department of Agriculture and Fisheries under its scheme for the training of boys as fishermen.

Practical training at sea on selected fishing trawlers will be combined with a shore course conducted at the National Fisheries School, Greenacree, Co. Donegal, opened early last year by Mr. Michael Pat. Murray, T.D. Parliamentary Secretary to the Minister for Agriculture and Fisheries, and which is specially designed for the purpose. The school is operated by the Department of Agriculture and Fisheries and instruction will be given there in such subjects as seamanship, navigation, net-mending etc.

While undergoing training over a twelve-month period boys will be maintained free of charge and paid a weekly allowance of £8 per week.

Further Training — On completion of the course, the trainees will, as trained fishermen, be eligible for employment on fishing boats and to be paid on a share basis. When they have acquired four years fishing experience, the young men may apply for further training under the Department's course for the training of experienced fishermen as skippers. If they are successful in acquiring the skipper's ticket, they can consider securing their own boats on the attractive financial terms available from An Bord Iascaigh Mhara.

TALLOW G.A.A. NOTES

MINOR HURLERS ADVANCE

Our minor hurlers scored a decisive win of 6-3 to 0-1 in their first round championship game against group side, St. Michaels at Cappoquin on Sunday afternoon last. The hurlers dominated the first half and at half time, St. Michaels' decided against fielding for the second half due to their demoralising first half display.

Scorers: M. Curley (2-0); L. Mulcahy, D. Mahony, S. Curley and P. Daly (1-0 each), F. Ryan (0-2), R. O'Brien (0-1).

Referee — T. Scanlon (Affane).

Sargent Cup

In our second game of the afternoon on Sunday last our senior hurlers were involved in their second leg Sargent Cup game against Abbeyside at Abbeyside.

This game produced fine hurling from both sides. Tallow went into the game with a four point advantage from the first half, but such was Abbeyside's determination last Sunday that they succeeded in wiping out the arrears winning by 5-4 to 2-3.

Pat Dowling, Billy Sheehan played a real commanding role when moved to centre back and showed many that he is of inter-county standard as a defender. Kieran Ryan, Pat Daly, "Mutt" Curley and especially Tom Doyle were others to impress.

Scorers: T. Doyle (1-3), K. Ryan (0-2), L. Moroney (0-2), J. Hartigan (0-1).

Team — N. Power, T. McSweeney, B. Sheehan, R. McNamara, J. Cronin, K. Ryan, P. Daly, P. Curley, R. O'Brien, L. Moroney, B. Ryan Subs N. Sheehan, J. Hartigan and T. Mulcahy.

Referee — J. O'Connell.

Incidentally, the above Sargent Cup game marked John Hartigan's return to the Tallow jersey after a two year absence.

Heart Warming Display

For the few supporters that turned up at Lismore on Monday afternoon, the first leg of a heart-warming display served up by the Waterford minor hurlers in their defeat of Cork City Division in the Junior Minor League by 2-9 to 3-4.

Tallow had five representatives on the team — Stephen Curley in goal, Pat Daly (full back), Kieran Ryan (right half back) and Ray O'Brien at midfield. All played a trojan part in this victory for Waterford.

Tragic Road Accident Recalled At Dungarvan Court

A tragic accident which occurred at Ballymemon, Cappagh, on May 1974, was recalled at Dungarvan Court on Wednesday when Mrs Angela O'Keefe, 37, of Ballymemon, Malloy, was charged with dangerous driving on the occasion.

Mr. B. O'Meara, Solicitor for the defendant, told the court that the case was recalled at Dungarvan Court on Wednesday when Mrs Angela O'Keefe, 37, of Ballymemon, Malloy, was charged with dangerous driving on the occasion.

SPONSORED MOUNTAIN CLIMB WITH A DIFFERENCE

On Sunday next there will be a sponsored mountain climb on the 2000 ft plus high Keeper Head Mountain close to Tipperary town. About 400 climbers are expected to take part and of these about 15 will be blind persons. Most of the latter are not expected to reach 8 or 9. The latter is now in a critical state and may well have joined his two elder brothers by the time this appears in print.

The three eldest boys contracted the very rare disease known as Pseudophylic Dysentery for which there is, unfortunately, no known cure. Young Mark has not yet shown any signs of the disease but it is felt that only a miracle could save him from the very sad fate of his brothers.

Mrs Smyth informs me that her Association is organising a fund to help the Synott family and she may be contacted at 6, Parkfield Gardens, Headstone Lane, Harrow, Middlesex.

GET YOUR CAR CHECKED FOR SAFETY — FREE

The National Road Safety Association have arranged a free safety check of cars, light vans or pick-ups which is being provided by the Department of Local Government in association with An Foras Forbartha

The checks, which are being carried out at Clyde Shipping, Custom House Quay (near G.P.O.), Waterford, commenced last Tuesday, April 8, and will continue for the next month.

Qualified personnel, using very sophisticated equipment will check 50 different parts of your car for free and will submit to you, the owner, a list of the faults which they find

The results of the tests are strictly confidential and the whole thing takes only twenty minutes to complete

It is certainly a wonderful opportunity for motorists from Co. Waterford and surrounds to ensure that their vehicle is safe and roadworthy. Incidentally one of the tests determines whether or not your car does the proper mileage for a gallon of petrol. At present day prices tremendous saving can be made

For details of times see advertisement in this issue

DEFECTIVE SILENCER LED TO DRUNK DRIVING CHARGE

Cross-examined by Mr L F Lanigan, Solicitor for the defendant one of the Garda witnesses in the case, Garda M Shanahan, admitted that it was not for the defective silencer which caused a loud very hard noise they might never have followed the defendant's car on the occasion. He was giving evidence at Dungarvan Court on Wednesday, in which a young motor mechanic, Eamon Cullinane, Touraneena, Ballinacorney, was charged with drunk driving at Dungarvan on March 28 and also with dangerous driving and with refusing to give a blood or urine sample when requested to do so on the same occasion.

Garda F Lohan in evidence said that he was on duty in the patrol car with Garda Shanahan at the Square at 12.25 a.m. on the date in question. He saw a car come down O'Connell Street at a fast speed. The silencer was defective and the car made a lot of noise. They followed it out Bridge Street and when crossing the Bridge it went over to its incorrect side. The car pulled up at the Causeway and he approached the driver. He asked him his name and at first he gave a wrong name but then gave his correct name.

Garda Lohan went on to say that there was a strong smell of drink from the defendant and he gave him a breath test which proved positive. He then arrested him for driving while drunk and took him to the Station. There the defendant asked for his own doctor, Dr Donovan, Ballinacorney, but they failed to contact him on the phone. Dr Cusack was then called at 1 a.m. but the defendant declined to give any specimens stating that he wanted his own doctor. The Garda said that he formed the opinion that the defendant was drunk and unfit to drive.

Garda Shanahan gave corroborative evidence and said that from his observations he formed the opinion that the defendant was drunk and unfit to drive. In reply to Mr Lanigan in cross-examination he admitted that they might never have followed the defendant's car in the first instance were it not for the noise it caused because of the defective silencer.

Garda Kiely gave evidence of being Station Orderly when the defendant was brought in. He said that he also formed the opinion that he was unfit to drive.

A FEW DRINKS

Defendant in evidence said that he drove from Touraneena to Dungarvan that night. He was not driving fast but he admitted that the exhaust was making noise and he said that going over the Bridge to the Causeway he was in the middle of the road. He also said that he had "a few drinks" in Touraneena before coming to town.

In reply to Supt M English who prosecuted defendant said that the "few drinks" consisted of 4 large bottles of stout which he drank between 9 p.m. and 11 p.m. that night. He had a meal at 6 p.m. and the drink had no effect on him.

District Justice Carroll said that taking the evidence as a whole he would have to find that the defendant was unfit to drive on the occasion because of drink.

WESTERN BOARD MEETING

Mr John A. Murphy, Chairman, presided at Monday night's meeting of the Western Board at Dungarvan.

Following the reading of referees reports, the Chairman announced the recommendations of the Disciplinary Committee following their investigation into the referee's report of the under 21 hurling championship game between Ballyduff and Cappoquin at Lismore on December 8th. The following is the report from the Committee —

(1) — That the conduct of some of the people involved brought discredit on the Association and on their club.

(2) — That the committee expressed regret that the names of the people who caused the trouble on the sideline were not available or obtainable, in order that appropriate action could be taken against them.

(3) — That Michael Quirk, Ballyduff, who is already suspended by decision of the County Board be banned from the sideline for all games with the Under 21 Division for a period of two years.

(4) — That the following players, whose names were taken by the referee during the course of the game, be written to and informed that their conduct had been noted and that they had next offence in all cases would be taken as a second offence —

Earl and Cunningham, Cappoquin; L. Power, M. Hanon R Walsh and L. Drislane, Ballyduff

(5) — That Ballyduff club, who were chiefly responsible for the disturbance and that they be fined fifteen pounds.

(6) — That Lismore club be asked to explain why no stewards were on duty at the

The County Board already gave a firm warning that clubs failing for any reason to field on the dates named will suffer the consequences and that applications for postponements will not be entertained.

NEWS BITS

When the County Board meets at Dungarvan on Monday night, the Secretary, Seamus Grant will report that thirty of the scheduled 57 Phelan Cup matches have already been played. This is splendid progress and it goes to show what can be done when the pressure is put on. Only walk-over in the competition was conceded on Wednesday night last when Bricey Rangers did not field against Stradbally.

At the moment Ballinacorney are the leaders in the West having dropped only a single point (against the Nire at Abbeyside). Stradbally and Ardmore are in very close touch, each having dropped only two points.

In the East the league is re-sowing itself into a battle between Mount Sion, Mitchels and Kill.

Great progress is also being made in the Sargent Cup and now Lismore and Mount Sion have reached the semi-final. The County Board will meet on the first available date.

Three of the county's six Selection Committees met at Dungarvan on Friday night last to discuss training and preparation for the championships. The under 21 committee, which will have to defend their Munster title against Limerick at Dungarvan on the last day of the present month, will have their first training session when an Eastern and Western selection meet at the Fraher Head. One week later the selection will play Wexford or Kilkenny in a final practice game at Walsh Park.

The senior football selectors are annoyed that the Waterford team, which is training in the fixed for Kilrush. The team dislikes this venue so much that an effort to change it to a venue will be made at the County Board meeting on tomorrow Friday night.

When the new Disciplinary Committee was being named on Monday night last the meeting decided to increase the membership from eight to nine members. The new Committee will be Mick White, Mick Flynn, Gene Guiry, James Walsh, Eddie Cunningham and the four officers of the Board.

The Chairman announced that in future when a member's own club was involved in an investigation that member would not attend during that investigation.

"A farce of a competition" was how Eire Og Chairman, Eddie Cunningham, described the present intermediate hurling championship. With all the first rounds being played in the month of March, the County Board will have found themselves deprived of the majority of their juniors. He predicted that delegates would be much wiser next year.

The Board's Vice-Chairman, James Tobin, is still pretty hopeful that Congress will deal sympathetically with Waterford's motion dealing with the under 21 championships. "This was obvious when he proposed that the meeting defer the making of the under 21 championship draws until the week

DUNGARVAN GO DOWN TO ST. MICHAEL'S

Dungarvan's minor footballers suffered the same fate as their hurlers on the previous Sunday when they were downed by St. Michael's in a first round championship game at the Fraher field, Dungarvan on Sunday last.

Although the footballers put up a better show, in that they were just pipped by a point, it was disheartening to see a side which had been so successful because of their own shortcomings rather than through the efforts of the opposition.

Not that it is intended to take the Ring/Old Parish/Affane combination — St. Michael's, in a first round championship game at the Fraher field, Dungarvan on Sunday last.

The winners showed much improvement after the championship over and over again. O'Connor pointed they slowly but surely whittled away at the Dungarvan lead. Dungarvan's only score of the half came from a penalty which Tom Duggan had a part to play in. It was a measure of the weakness in attack in the period that they drove at least ten wides from scorching chances.

St. Michael's had levelled the scores by the 22nd minute as 3 minutes later had taken the lead for the first time when S. Allen pointed. They continued to mount pressure and forced a penalty which Dungarvan's keeper T. Burke saved brilliantly. St. Michael's nonetheless held on to the point lead and were worth a narrow winners at the finish.

The winners had a more balanced side and are sure to improve in the coming round. On Sunday last they had scored excellent football by Sean Barron, J. Kelly, N. O'Connor, Allen and M. Hogan.

Dungarvan now re-enter the championship via the losers group but to take advantage of a second chance they will have to pay more attention to training and try and improve on their team work. Their best players were T. Burke, Sullivan, B. Sheehan, N. Hurler and L. Hughes.

Scorers: St. Michael's — O'Connor 0-2, J. Kelly 0-1, Barron, S. Allen and M. Hogan 1-1 each. Dungarvan — N. Hurler 1-7, Duggan and Barron 0-1 each.

St. Michael's — S. Flynn, O'Brien, S. Curran, P. Kelly, S. Barron, J. Kelly, M. Manahan, N. O'Connor, S. Allen, G. Hartland, M. Hogan, J. Barron, J. Tobin, M. Burke, O'Connor, Subs — K. Barron, G. Hartland, M. Power, J. Tobin.

Dungarvan — P. Burke, Donovan, J. McGreggor, O'Brien, M. Kelly, P. Sullivan, P. Tutty, M. Flynn, B. Sheehan, L. Hughes, T. Duggan, A. Hurler, A. Tutty, J. Flynn, Keohan, Subs — A. Curran, P. Keohan, S. Meehan, M. Kelleher.

B.L.E. ATHLETIC NEWS

DUNGARVAN AC FITNESS WALK GREAT SUCCESS

Last Sunday Dungarvan Athletic Club staged their first ever fitness walk under very favourable conditions. It was indeed a very impressive sight to see the long file of participants in the morning sun, starting off from the Square under the leadership of club chairman Paddy Whelan and local star, Jim Sheehan. It was also very encouraging to see the number of people who, though unable to partake themselves came out to see us on our way.

As usual, many kind words were spread out and by the half way stage there was a fantastic turnout. The walk was over the end of the walk. Not long after the start many coats were rolled up the weather was so good. At the end of the trip many were awarded the Dungarvan Athletic Club Certificate of Fitness and a though weary after the walk everyone were in a jolly mood and expressed their satisfaction at completing the circuit.

We would like to take this opportunity to thank all those who showed their interest in the walk and to those who took part. Our only regret was that a number of people had to wait a day or so to receive their certificates because we ran out of them. We apologise for this unfortunate occurrence.

The general feeling of officials present afterwards was that the walk was such a success that they might consider making this a yearly event. The final decision naturally be made over to a committee meeting.

At a special committee meeting held recently it was decided to hold a track and field event on the 22nd and 23rd of June 1975 and this was ratified by the County Board. So we hope all of you are preparing for the track season starting in a few weeks time. The event will be at why not try a field event. You can never know where your special talent lies until you have a bash at some of the various events.

DUNGARVAN GO DOWN TO ST. MICHAEL'S

ST MICHAEL'S 6-6 DUNGARVAN 1-2

Dungarvan's minor footbal- lers suffered the same fate as their hurlers on the previous Sunday when they went down to the Ring/Old Parish/Ard- more combination — St. Mich- ael's, in a first round cham- pionship game at the Fraher field, Dungarvan on Sunday

Although the footballers put up a better show, in that they were just pipped by a point, it was disastrous to see a team with such obvious talent, fall because of their own short- comings rather than through the efforts of the opposition

The discussion arose following the reading of a letter from the Department which informed the members that the Minister would raise no objection if a proposal to increase the mem- ber travelling expenses from 11p to 15p per mile to and from meetings and also the rate of subsistence allowance to £3.25 were approved by the Com- mittee

Mr N Walsh said that in the next 3 to 5 years the country would experience a big financial crash because of the present economic situation but in the discussion which followed it was asked who cared about the position or who should be re- sponsible for the present eco- nomic situation

Mr Tom Foley asked "Is there a crisis in the country at the moment or is it just a crisis for some?" He went on to say that as public representatives they had given a pledge to act responsibly where the expendi- ture of public funds was con- cerned but he had seen in the papers where 10 members of the Oireachtas were at present on a State visit to Spain, and said Mr Foley, they are ac- companied by their wives. There is an economic crisis and he was merely express- ing an opinion when he said that we now appeared to be "living in cuckoo land"

Mr P Curran said that he also agreed that a financial crash was coming but he thought that the amount involv- ed in the present increases was so trivial that it would not make much difference to the overall effect. The increases would only go to recoup the out-of-pocket expenses which members had to meet to attend meetings and would barely cover the actual outlay

Financial crash forecast but who cares?

Members of the County Wa- terford Committee of Agricul- ture at their monthly meeting in Dungarvan last Monday were generally agreed that the coun- try was facing a big financial crash because of the present economic situation but in the discussion which followed it was asked who cared about the position or who should be re- sponsible for the present eco- nomic situation

Mr Tom Foley asked "Is there a crisis in the country at the moment or is it just a crisis for some?" He went on to say that as public representatives they had given a pledge to act responsibly where the expendi- ture of public funds was con- cerned but he had seen in the papers where 10 members of the Oireachtas were at present on a State visit to Spain, and said Mr Foley, they are ac- companied by their wives. There is an economic crisis and he was merely express- ing an opinion when he said that we now appeared to be "living in cuckoo land"

SHAMROCKS G.A.A. NOTES

Tallow 5-7, Shamrocks 2-2— Our senior hurlers suffered a heavy defeat at the hands of neighbours Tallow in the semi- final of the Keaneland Cup at Lismore on Sunday last. This game was expected to be a thriller, but alas it never got off the ground. Tallow looked more sure of themselves from the beginning and our lads just could not match their speed and craft on the day and only in the third quarter did the side look like making it a tight finish

Tallow took an early lead with a goal and a point by their half forward, Tom Doyle. Our lads tried to get on terms but brilliant goalkeeping by the ever green Ned Power denied them a couple of times. Tallow kept on the move and added a further two goals and a point to Shamrocks only score of a seventy by Billy Tobin

In the first quarter of the second half Tallow were to be picking themselves off the ground, but had nothing to show for it on the scoreboard and the blame must rest with the forwards who never looked like getting the better of the Tallow backs

Tallow increased their lead with a goal and a point by Billy Flynn and two points from Tom Doyle. Shamrocks replied with a goal from Seamus Murphy and a point from Billy Flynn. The tide was too much against them and Tallow had the final score a goal by John Henery and a point by Billy Flynn

THE CONGER KING'S ANGLING NOTES

FULL HOUSE The first paragraph this week must of course deal with the "full house" of angling both on shore and deep sea in Wexford on Easter Saturday Sunday and Monday.

Saturday 29th—45 anglers entered for the Deep Sea Competition. A really pleasant sunny day until the last hour which turned bitterly cold.

The Stafford Braall Orange Perpetual Trophy and replica was won by Darcy Inchicore S.A.C. with 114 points.

The Kaats strand was the venue for 60 anglers checked in the Cerebos Perpetual Trophy and replica was won by C Byrne.

Sunday 30th—5 trawlers with 55 anglers left Kilmore Quay and found good shelter behind the Saiteas Islands.

Sunday 30th—The main shore festival competition was staged at the North Breakwater and some 80 anglers lined the rocky coast.

Sunday 30th—The main shore festival competition was staged at the North Breakwater and some 80 anglers lined the rocky coast.

TRAMORE WATERFORD S.A.C. Open Shore Sunday, 13th April 3 to 7 p.m. Fishing from the strand which will be situated at the Shelter Fee 50c.

ABBEYSIDE S.A.C.

Saturday, 19th April, Ballinacorney, 7 to 10 p.m.—J Kenneally Trophy

The best angler over three days was Kevin Killeen, Wexford and District, who had a tally of 163 points.

A sad note was struck when an angler on the Mystical Rose placed a wreath of flowers on the still waters surrounding the Saiteas Island.

Terry Byrne, a Rahenny angler was unfortunate to lose his valuable rod and deep sea reel overboard whilst helping an angler who got sea-sick.

SMALL MAN NOT FAVOURED BY SUGAR CO.

SAYS FARMER A charge has been made against the Irish Sugar Company that in the matter of the allocation of beet contracts for the 1975/76 season they favoured the big grower rather than the small man.

Mr. Foley alleged that growers who bought 250 worth of machinery from the company received contracts for the growing of 100 acres of beet while small traditional growers were out.

Mr. Cregan, Deputy C.A.O. informed the members that the information received from the Sugar Co. showed that the total acreage allocated for beet-growing in the county for the 1975/76 season was 2,987 Broken down into areas this showed that there were 1,851 acres in the county.

Mr. C Curran supported the previous speakers and proposed that the members of the Sugar Co. were the number of farmers who sought contracts for 2 or 3 acres and who were refused.

C.S.M. BALLROOM, CLONEA

DANCING ON A SATURDAY NIGHT SATURDAY APRIL 12th

Shieverue 2, Ballinroad 1 Ballinroads interest in the Infirmary Cup ceased on Sunday last when they went under by the odd goal in three to Shieverue at the latter's venue.

They broke the deadlock fifteen minutes into the second half when Dalton scored from the spot. Ten minutes later the same player ensured victory when he took advantage of a hesitant defence to shoot home from close range.

Ballinroad fought back but to no avail and Shieverue held on for a victory they just deserved. It was a fine display by Ballinroad who who were forced to field without four of their key players while injury forced two of them to cry off the reason given by the other two was hardly accepted by the club.

Finally my choice of player of the year is Jim Fraher, while club man of the year must surely be manager John Beresford.

In finishing I would like to thank the Editor for always allowing my reports fair print. Team — Landers, Beattie, Veale Breen J Fraher, Kiely Foley, Tobin, Beresford Keane Reserve—Esteard for Foley

BALLINROAD SOCCER CLUB NOTES

Shieverue 2, Ballinroad 1 Ballinroads interest in the Infirmary Cup ceased on Sunday last when they went under by the odd goal in three to Shieverue at the latter's venue.

They broke the deadlock fifteen minutes into the second half when Dalton scored from the spot. Ten minutes later the same player ensured victory when he took advantage of a hesitant defence to shoot home from close range.

Ballinroad fought back but to no avail and Shieverue held on for a victory they just deserved. It was a fine display by Ballinroad who who were forced to field without four of their key players while injury forced two of them to cry off the reason given by the other two was hardly accepted by the club.

Finally my choice of player of the year is Jim Fraher, while club man of the year must surely be manager John Beresford.

In finishing I would like to thank the Editor for always allowing my reports fair print. Team — Landers, Beattie, Veale Breen J Fraher, Kiely Foley, Tobin, Beresford Keane Reserve—Esteard for Foley
