Ardmore 0-9, Kill 1-4
Ardmore made a successfustart to their quest for senio football championship honour when they scored a narrow bu deserved win over a fancie Kill side in a first round gam at Fraher Field Dungarvan o sunday last.

Although the clash produced its share of thrills it nevertheless failed to reach the standard expected. However, the

evenness of the scoring kept interest slive right to the last Ardmore won the clash the difficult way yet there could be no doubting their superiority throughout an hour in which

looked real championship Yet they looked in danger o a real trouncing in the firs quarter when, playing with th strong breeze they were out played in every departmen and after which they trailed b

This lead looked rather pre carious when facing the strong wind in the second half and a minute after the restart Ard more missed what should have been the clinching score when Noel Conway blazed wide of an open goal Despite this Ard more continued to get the bet ter of the exchanges and wen two points in front shortly Kill hit back in the fina quarter to level the scores bu

## SHAMROCKS IN DISAPPOINTING GAME

SHAMROCKS This first round senior hurl ng championship game played at Dungaryan on Sunday last proved a very disappointing and very tame affair which De La Salle just about deserved to win but which Shamrocks might

have just as easily won The Western side proved their half when with the aid of the strong breeze they dominated the play for long periods However a very poor attack squand-ered some great chances and they should have been in a much

more commanding position than their 1-4 to 0-3 lead at the Insufficient as this lead look ed they still seemed to be holding their own when they held De La Salle scoreless in the first ten minutes of the second half. Then the city side clicked with a brace of points and when they goaled in the 44th minute they took a lead which they never lost In the final quarter they had four points without reply from Shamrocks

who failed to score in this second moiety De La Salle were first to score with a Wattie Walsh point but Shamrocks hit back with points rom Bill Dineen Seamus Murphy and John Foley (2), 10 leave them 0-4 to 0-1 ahead Bunny Power and Michael Foley reduced the leeway for De la Salle but then two minutes rom half time Shamrocks had a psychological boost when John Foley connected with a Billy Tobin penalty to shoot Sham-

focks goal to leave them 1-4 to 0-3 ahead at the break Wattle Walsh had De La Salle's first score a point in the second half and when fichael Foley pointed a free in the 43rd minute there was only two points in it (1-4 to 0-5) A minute later Tony Ryan shot De La Salle into the lead with a goal and with two further
