# Hurlin as Dunh

What a hurling spectacular punhill and Tallow served up in their first round senior championship clash at the Fraher field, Dungarvan, on Sun-day last Seldom in recent years have we seen a first far round game fought with such determination and vigour by sides so totally committed to ing

Dunhill were supreme as victors. Tallow equally lost no ally caste in defeat, and the good was attendance loved every second of this thrill-a-minute

It provided a feast of hurling for those present and indeed ed both sides must be applauded wh for the wonderfully sporting an manner in which the game was Sh played.
Tallow playing their first ha

competitive game in the grade liev in 28 years showed early ef-fects of nerves when they conceded two goals in a night-mare seven minute opening Their fight back showvintage Tallow determina such and despite losing the ter midfield battle where nothing day seemed to go right for Kieran two Ryan and John McDonnell was ing left to go it alone, the losers ma had cut the deficit to a point her (3-3 to 2-5) at the break. FORTUNES FLUCTUATED

within a minute of the restart the sides were level and the from that to the finish fortunes fluctuated as first one of side and then the other took saw the initiative Dunhill, always in battling, had raced into a four cha point lead by the 35th minute all but were pegged back again to goa two points by the fortieth min- in t The tension was almost un-

bearable as Tom Casey stretched Dunhill's lead to three points but again Tallow came back with a Tom Doyle point to leave only two between the sides. Two further Dunhill sides. Two further Dunhill points left them in what should have been a commanding position with just nine minutes to go But when Tallow again pointed to leave just a goal in it it seemed as if the Western side must at least draw level. They pressed but there was no score and when J Raher had swan a Dunhill point five minutes from time it was obvious that chan Tallow's cause was lost They needed two scores and failed to race

### BALLYDUFF G.A.A. NOTES

Dungarvan the combined group went down to Butlerstown in the first round of this year's senior hurling championship The game for most of the time was dull and did not provide much excitement for the fairly large number of supporters, many of whom expected a better show from the group team !
The real truth is that they never got going as a team and throughout the hour were only a shadow of the fine side we had seen last year. We now enter the losers group in the championship, this is indeed a big blow to our pride but nevertheless we can take consolation in that last year's cham-pions came through the losers group to take the honours

Last Sunday evening we met Dungourney in the replay of A THRILLING ENCOUNTER last year's Conna tournament.
