SHAMROCKS G.A.A. NOTES

Dungarvan 1 11, Shamrocks 3 2 Our junior hurlers went down gallantly to Dungarvan in a thrilling Divisional semi-final at Cappoquin on Sunday last It was a pity there had to be losers in a game that produced some very nice hurling and sportsmanship surpassing what we saw in the Intermediate final that followed

The early exchanges were very close before John Tobin put us in the lead with a great goal After a short time Dungarvan got on level terms with points from frees Dungarvan then got on top and led 1-7 to 1-2 at the interval

After half time Dungarvan increased their lead to six points and victory looked assured for them but a great goal by sub Mick Tobin put our lads right back in the game Again Dungarvan edged into a six points lead before Tobin had his second goal and the game was really in the the game was really in the melting pot From then on our lads tried every thing to pull the game out of the fire but time denied them and Dungar van were worthy winners in the end This was surely a great dis-

play from our second string and every player tried his best to the end Our man of the match without doubt was Joe Ahearne at centre back Mich ael Murphy too had a blinder, Noel Tobin, Ted Keniry, Mick Leahy Johnny Baidwin John Tobin and Kevin Tobin were also outstanding

DUNGARY SHOW IMPR

Yet the manner in which
they won their way to a meeting with either Tourin or

Dungarvan are potentially
one of the best hurling sides in the championship yet they never cease to amaze those who follow them by their insipid displays and at times, their complete indifference to the game

BALLYDUFF

At Cappoquin on Sunday last in what could only be described as a hard fought tough tackling game Ballyduff regained the Western intermediate hurling title they last held in 1964 The game was so closely frought that the opportunities for the playing of open hurhing will were practically nil and it was quite clear from the outset that quite clear from the outset that this type of hurling was not suiting Ballyduff who much prefer the open style of play Consequently the scores came very slowly as the half-time score of 6 points to 4 suggests and it was only in the second half that Ballyduff emerged on top and the forwards began to find the mark much more the mark much more

A good performance from their midfielders and a sound display from the defence after a shaky start ensured that Ballyduff kept a good grip on the game at most stages and overall thoroughly deserved their win in what was not a great game of hurling from a spectators point of view

As stated it was a hard-fought game in which a let of the fought game in which a lot of

Excuses will not win finais and the sad fact remains that Dungarvan's defence conceded three goals while their attack made more than hard work of chalking up their 1-11 total,

PROTESTS AGAINST "SAVAGE" RENT INCREASES ON CO. COUNCIL **TENANTS**

Protests against recent reni increases on tenants of Council houses which were described as "savage," "harsh" and "huge" were made by several members of Waterford County Council at a special meeting of the Council held in Dungarvan last Monday Another Councillor warned the Co Manager that "he would have a big strike on his hands' unless something was done to rectify the position

The matter was raised by Clir P Cahili who said that there was to be a huge increase all over the county while the tenants were also being asked to pay 13 or 14 weeks back money" to cover the increases which were being applied from the beginning of July He said that the Co Manager had stated last year that these rents would not be increased by more than 50p in any year but now there were to be increases of £2 and £2 50 a week Mr C O'Connor, Co Manager

said that the new rents were calculated in accordance with the circular issued by the Minister for Local Government He said that any tenant who was dissatisfied should get in touch with the Council and the method used in calculating the new rents would be explained

would be dealt with on their merits UP IN ARMS

Mr J Faney, TD, described the increases as savage and said that he was aware where one tenant on social welfare was to have his rent increased by £150 a week He said that this man would not be able to pay this increase and especially The first leg of the confined league will be held next Saturday at the CBS field at 2 pm.
