## G.A.A. NOTES

Starved of hurling success a truly memorable one in history of our tradiwas the tion steeped club when we cap-tured the divisional junior hurling title with a memorable 2—6 to 3—2 victory over gal-lant Tourin

This was a really great final and our lads certainly lived up The chib's winter programme matched skill and speed with tremendous determination and qualities which saw us to vicfory in the end Every member of the side, in

cluding our two second half substitutes played his part Indeed the substitutes not introduced during the game must also share equally in this

dmired He certainly had a Nuacht na Kinne big hand in our great win The selectors too and club officials all pulled their weight

FIRST ADULT Dungarvan 2-

Dungarvan ended an adult hurling titleless spell of thirty-four years at Cappoquin on Sunday last when they scored a

one point win over Tourin in a cracking Western junior hurling final.

The long wait since 1941, was ended when Tourin fighting ferociously for a life saving score, were repelled in the nerve wracking dying seconds and referee Jim Joe Landers heralded a dramatic Dungar-van victory with the blowing of the long whistle The loyal supporters of the

Blues, and there were many in the large crowd were both ecstatic and relieved The loyal band of officers, selectors, trainers and the players themwere caught in a of disbellef For trauma them, the bogey had been laid low Dungarvan were at last Western champions The per-severance of these men their firm belief in their ability had at last brought them the fitle

It was a pity that there had to be a loser so committed were both sides At the same time there could be no doubting the merits of Dungaryan's win They knew that they were fight-ing for more than a title They were fighting for the very survival of this once great club Victory in this game meant that much The future of the club hinged to a great extent on the Tourin were favourites the Blues belied this belief as they showed a rate of deter-

mination not seen from a club

obvious from the word go that they were intent on atoning 1 full for the two Western final defeats which the club suffered in the last five years. This they did with a vengeance The pace was a cracker with Dungarvan making the early running and Timmy Healy shot their first point in the 3rd minute Shortly after Anthony Sandford pulled first time on a dropping ball and sent to the ourin net Almost immediately however Tourin were back in the game when Dave O'Don-nell beat Dungarvan keeper Patsy Hackett with a ground ball from all of 35 yards which the keeper might have saved The sides swopped points before Tourin had the first of their three penalty shots saved **BEST MOVE** 

Five minutes from the break saw the best move of the game when six Dungarvan players combined to send Anthony Sandford clear but the Dungarvan man delayed his shot and an imminent goal was saved Dungarvan led 1-3 to 1-2 at the break and were full of confidence facing a second which far surpassed the first m thrills and drama
Within seconds of the restart Dungarvan missed another gilt edged chance of goaling Timmy Healy pointed a free for them however and in the 40th minute another free from the same ed and Christy Whelan was on hand to send to the net Dun-garvan led 2-4 to 1-1 and looked nome and dried but Tourin with their great tradition came storming back With ten minutes

closing stages.
Tourin piled on intense pressure and forced two fruitless 'seventies" Then two minutes from time the ball was scrambled to the Dungarvan net folowing a goalmouth melee and Dungarvan proved their met e then and only the woodwork thwarted Christy Whelan from getting the clincher Tourin had the final chance but their long range free fell short and Dungarvan team captain Martin Sandford swept the ball to

The type of service which Press is being asked for in Dungar-Sund van could easily be establish- untol ed under the terms of para- that graph 7 which says "It thrill community hospitals under-has a take the assessment or treat-spoils ment of patients with minor myse injuries, there should be an forki on-call rota of general medi- we ve cal practitioners who would Co accept responsibility in cer- typic tain circumstances, nurses you who have been suitably train- They ed may help in such assess- their ments, but the responsibility sions must remain with the doctor the concerned " Now that is the position be s

where the bureaucracy is with concerned The one vital re- tually gulation concerns the avail- God ! obility of "an on-rota of general medical practitioners" and its on this that previous attempts to establish a minor cosualty centre in Dungar-recen van have foundered. The fact van that the rota is not there is ing not because there is an insuf-build ficent number of doctors critic svailable in the locality but meet because there has been a Countailure to reach general Libra
