SONG FROM THE BACKWOODS

One of the great old ballads ecalling the days of the emigrants and written by T D Sulivan, the "Song From The Backwoods" or as it was more popularly known, "Deep In Canadian Woods" is our choice for the ballad corner this week

Deep in Canadian woods we've met. From one bright island flown, Great is the land we tread but yet

Our hearts are with our own And ere we leave this shanty small while faces the autumn day.
We'll toast old Ireland! dear
old Ireland! Ireland, boys hurra!

We've heard her faults hundred times, The new ones and the old, In songs and sermons, rante and rhymes, Enlarged some fifty-fold. But take them all the great

and small.

And this we've got to say,

Here's dear old Ireland! good
old Ireland! Ireland boys, hurra!

We know that great and good men tried To snap her tristy chain, That patriots suffered, martyrs died.

But no, boys, not a glance will show How far they've won their Here's good old Ireland ! loved old Ireland Ireland, boys, hurra

But deep in Canadian woods

we've met And we never may see again The dear old isle where our hearts are set. And our first fond remain ' But come, fill up another cup, And with every sup let's say, Here's loved old Ireland good old Ireland

LETTERS TO THE

To the Baltor Bungaryan Leader" Soccer Pitch Controversy

Dear Sir Not wishing to become in any way-involved in a protracted "letters to the Editor" saga, it is with some reluction that I am replying to last week's near hysterical and sarcastic letter written by Tom Tobin.

My original letter was nothing more than an attempt on my part to nell to the mast unof the West Waterford Darts on the West Waterford Darts of the West Waterford Darts founded allegations wade against myself personally and crowd of record proportions on Friday night Ballyduff men down the years have been known however for their never-saydie spirit and on the second proportions of the water of the properson of course a fallacy

My letter achieved what was primarily written for and of that there can be no doubt. There is no conflict between the soccer club and I and no "outer domiciled Dungarvanite" will suggest or attempt to suggest, Of course, if Mr Tobin says

he was not summoned to Dunopening tustle for Lindsays with garvan to write about the "sup-a good win over Eddie O'Shea posed U.D.C happenings" then a good win over Eddie O'Shea
Eddie Fraher pulled out all the
stops to defeat Jim Corcoran to
level at 1 all, but Lindsays
again went ahead when George
Heskin had a straight sets victo be interviewed by him on the
to be interviewed by him on the whole question of a soccer club

I must say "impressed" by Mr Tobin's declaration of how he had publicised Dungarvan 'the world over' Bravo my lad 'And the reference and the reminder about how many potential famney's life-saving act when he ily votes exist at election time beat Johanny Reynolds This in was a real classic As far as I am concerned

your paper That will be Mr Tobin's prerogative if he wishes to excerise it I am satisfied beyond doubt that my friends (and I still have some) would Yours sincerely
